AYA PANA BITTERS.
Manufactured by J. Chauvet.

THESE BITTERS, which are confessedly superior to any bitters prepared, constitute an admirable beverage when taken moderately, before or after meals. It purifies the alimentary canal, and facilitates digestion.

These BITTERS are composed exclusively of the essence of aromatic plants, and possesses the most incontestable medical qualities. Their tonic and stimulating properties render them particularly useful in cases of debility of the stomach, which, especially with women, and in warm climates, produce flatulency, anxiety, eructations, and a general and frequent feeling of indisposition. They are likewise a Febrifuge, and are proved by experience to neutralize the effect of miasms on the system.

We might publish a host of certificates to substantiate our assertions, but this method is so commonly employed by charlatans that we deem it more advisable to refer to the numerous persons who daily make use of the AYA PANA BITTERS.

IS being duly fitted for all classes of diseases—medical, surgical and midwifery cases. Conducted on the plan of the Houses of Health in Paris, it will unite to the advantages of an hospital the attentions and comforts of a home, and avoid the impure air of crowded hospitals by receiving a limited number only. Its site—on Elysian Fields street—is the most healthy, as exposed to the river and lake air; it has all the advantages of a country retreat, while it is at the same time of easy access to all parts of the city.

Terms of admission, $1 per day. A deposit of two days required on entering. Extra accommodations to be had if required. Slaves will be accommodated and attended to. Surgical operations performed without extra charge—those for cataract alone excepted. oct11 ly

TO FAMILIES. PECTORAL BALSAMIC SYRUP. [illegible] THE ANTEPHELIC MILK, VEGETABLE POWDER and CASTOR OIL SYRUP, the merits of which are well known, are also for sale in the Drug Store of F. F. HENRIQUEZ, Corner of Rampart and St. Louis sts. oct27

DUCONGE'S PECTORAL BALSAMIC SYRUP.

It is now thirty years since this truly valuable Syrup was first offered to the public, and although it was never "puffed," or even extensively advertised, it has, by its own merit, gained an imperishable reputation, and is daily increasing in popularity. Unlike most of the preparations with which the world is inundated, THIS is not "a cure-all," but by that which invigorates the health and that which it is unfailing as to all affections of the breast, chest and lungs, such as colds, coughs, catarrhs, bronchitis, inflammation of the throat, spitting of blood, whooping cough, influenza, &c.

In all affections of the lungs, verging on CONSUMPTION.

It has been found to prevent that dreadful scourge, whenever timely resorted to.

It has also been found beneficial in many cases of rheumatism, diarrhea, dysentery, summer complaints, and especially in those cases of "cholerine," which, for want of proper notice, so often degenerate into confirmed cholera.

The proprietor could publish hundreds of certificates establishing the efficacy of the PECTORAL BALSAMIC SYRUP, but this mode of recommendation has been so much abused that the reasoning public attach little or no faith to those certificates. The proprietor is, therefore, willing to let his Syrup stand upon its own merits.

It is not only the BEST, but the most pleasant preparation ever offered to the public; indeed it is so palatable that even children take it without the least difficulty, and it requires no particular diet.

IT IS ALSO THE CHEAPEST, because the bottles not only hold more Syrup than any other, but, owing to its peculiar composition, this Syrup will keep for years without fermenting, and can be used in families as required, by simply keeping the bottle corked.

Prepared and sold at the laboratory of the sole proprietor, F. P. DUCONGE, No. 39 Chartres street.

Sold, also, by JAMES SYME, Druggist, 134 Canal street, E. J. HART & CO., 73 Tchoupitoulas street, J. WRIGHT & CO., 21 and 151 Chartres st., and all respectable Druggists in the State. jan2

Madame Parent's Institution, Corner Royal and Hospital Sts.

DAY AND BOARDING SCHOOL FOR YOUNG LADIES.

THIS establishment has been removed to corner Royal and Hospital streets. The building is vast; well ventilated and well distributed for class rooms, dormitories, &c. Madame Parent avails herself of this occasion to thank the numerous families who have so largely patronized her institution, and would assure them that their daughters will receive the same maternal care as heretofore. The long known reputation of her institution is the best guarantee to that effect. The course of study embraces the same system, in both English and French, as that employed in the first class institutions in the North and in Europe. Music, instrumental and vocal, including Solfege, is taught by the most eminent Professors, also Drawing and Painting; Dancing by Professor Vegas.

MADAME PARENT will remove her institution across the Lake during the summer months, but will keep the school open in the city throughout the year. Finally, there will be nothing wanting to complete a literary as well as refined education; also to excite in the hearts of young persons that pure morality which is the fundamental base of the institution, combining that easy elegance of manner so necessary for young persons. For further information address Madame Parent, at the Institution, where prospectuses can be obtained. oct4
