COMMERCIAL.

OFFICE OF THE BEE,
FRIDAY EVENING, August 17, 1860.

Only a moderate business has been done in our general market during the past week, though in Cotton we noticed an increased movement, and a fair demand has prevailed for new crop. In Sugar operations are still restricted by limited supplies, and advancing prices, and in Molasses but little has been done. The business in Tobacco has been fair, considering the character of the stock on sale, which constitutes a poor assortment. In Western Produce we have had a dull and heavy market for Flour, with moderate transactions in Grain without much change in prices. Provisions of nearly all descriptions have been firm, with a fair local demand. In Freights and Exchanges have advanced, and full rates have ruled for Exchange.

On Wednesday morning we published the Anglo-Saxon's advices, embracing Liverpool dates to the 3d inst. They reported sales of 72,000 bales of Cotton during the week, including 5000 on speculation and 14,000 for export, with a firm market at 7⅛d. for Fair Orleans and 5⅜d. for Middling Orleans. The stock was stated at 1,261,000 bales, including 1,077,000 American. The Persia and Vigo arrived, with dates to the 7th, report continued firmness, with sales of 30,000 bales since the Anglo-Saxon's departure.

COTTON.—Arrived since the 10th instant, 4844 bales. Cleared in the same time for Liverpool 3637 bales, Havre 2308, New York 1673, Baltimore 592, and Rotterdam 148 bales; together, 7716 bales; making a reduction in stock of 2872 bales, leaving on hand and shipboard not cleared a stock of 51,496 bales.

The demand is still without animation, though new crop has been in fair request during the past week, and two or three buyers have extended the market for low grades of the old crop, in which the bulk of the business has been done. The sales have embraced some 6400 bales, including 2550 on Saturday; 1000 on Monday, 900 on Tuesday, 350 on Wednesday, 300 yesterday, and 300 to-day, the market closing at about the range of the following quotations, which are for old crop:

BOARDING AND DAY SCHOOL FOR YOUNG LADIES,

Under the Supervision of Madame Ed. LOCQUET,

No. 209 Camp Street,

BETWEEN JULIA AND ST. JOSEPH STREETS.

THIS establishment, founded by Dr. and Mrs. McConlay, whose high reputation has never been questioned, will commence its sixteenth session on the 15th of September.

Mme. ED. LOCQUET, assisted by her sister, Mme. FRANCOIS LOCQUET, with whom she has associated herself, will use her best endeavors to continue to merit the confidence reposed, for so many years, in her predecessors.

Professors of the highest talent are employed in all the branches, both useful and ornamental. Piano, Music, and the study of the Solfege, will be taught exclusively by the Mmes. LOCQUET, whose reputation as professors of music has been so well appreciated by the numerous families who have favored them with their confidence.

The French language, the native tongue of these ladies, and the acquirement of which is now indispensable to a good education, is taught with the utmost care, and is spoken in the Institution. Young ladies will therefore find in their constant intercourse with these teachers every facility possible for perfecting themselves in this language.

This establishment is commodious and well ventilated, and has recently been entirely renovated, with the utmost regard to the comfort and health of the pupils.

Mme. LOCQUET respectfully invites parents and families to call and visit her school, where prospectuses, with all other information which may be desired, can be obtained.

SANITARY GRUEL.

I. X. L. NOURISHING REMEDY

INVENTED AND PREPARED

BY P. MARRAY.

THE inventor of this new and invaluable remedy has taken patents in France, England, Scotland, Ireland, Belgium and the United States.

The most chronic constipation yields to the daily use of the Invigorating Gruel.

It is a precious discovery for sea travelers.

The astringent effects ordinarily resulting from Tonics, Bitters and Vermifuges, so valuable in many cases, are modified by the use of the Invigorating Gruel, which can without fear be given to persons of the most delicate stomachs.

This Invigorating Gruel has been tried by distinguished physicians, and it has been used triumphantly in every disease of the stomach, such as Dyspepsia, Gastritis, Heartburn, Megrims, Sick Headache, Pains in the Stomach, Costiveness, Vomiting, Chronic Diarrhoea, &c., &c.

The Invigorating Gruel is taken in different ways: with a broth—with salt or sweetened milk—with or without the orange flower water. A spoonful of it is sufficient, and should be put in boiling milk and remain 15 or 20 minutes.

☞ To be taken morning and evening.

For further particulars, apply at the General Depot No. 44 Conti street, between Chartres and Royal streets New Orleans.

For sale, wholesale and retail, by A. RENAUD TABER, principal agent in the United States. Depots in all the principal cities of the United States.

For sale by J. Rivet, 64 Customhouse street; James Syme, 134 Canal street, and J. Wright & Co., 21 and 151 Chartres street. nov29 2m law 1y

Important Notice.

Among all other good qualities of the SANITARY GRUEL, which are universally acknowledged, it has been found to be highly useful and beneficial to Women in the state of Pregnancy, and that it facilitates their delivery.

It also improves positively the quality and increases the quantity of Milk of Nurses.

No other kind of Food can be compared to it; it may be administered without fear to the youngest children; it refreshes and strengthens them, and preserves them against a great many diseases peculiar to their age.

We may therefore confidently recommend it to every family.

Every one-pound paper of the SANITARY GRUEL contains thirty-two portions for one person. They are all signed by P. MARRAY, Inventor and Patentee. mh19 1tawmly
