J. R. PUTNAM, DENTIST,
RESPECTFULLY informs the public that he has removed to the house recently occupied by Dr. Ker, at the corner of Canal and Royal streets, over the Post Office, (entrance No. 6, Royal street,) where he may be found from 9 o'clock, A. M. until 5 P. M., ready to attend to the duties of his profession, and where he invites those who wish to employ or consult him to call, as it is impossible for him to leave his rooms during these hours, except in cases of indisposition. He has rooms for the accommodation of his visitors, separate and distinct from his family apartments, where they can be entirely private during the performance of an operation, or while waiting for his services, should he be at the time engaged. His charges will be such as are sanctioned by the usages of his profession and will not be deviated from except for persons of limited means, or where families are to be attended to, then a reasonable deduction will be made. As he has no assistant in his business, and as it is expected that he will be found always in his rooms, it must be obvious to all, that it is impossible for him to keep books and attend personally to the collection of his bills; he therefore respectfully solicits those who receive his services to make settlement at the time, or attend to it as soon as convenient to themselves, as he has given offence to some by presenting his accounts through another person employed for that purpose. It is expected that punctuality will be strictly observed where positive engagements are made, or an excuse furnished in time, as a neglect to do this may subject others who have made engagements to disappointment and him to loss and inconvenience. Those indebted for services rendered during the last season, will oblige him by calling and paying their bills. nov 29
