Genuine LE ROY,

DRUG STORE OF COTTIN, HIS SON-IN-LAW,

SEINE STREET, 51, PARIS.

LE ROY'S CURATIVE METHOD is founded on the principle that all diseases are brought about by change in the HUMORS of the system, and that the expulsion of the cause is followed by a cure. In order to accomplish this object, PURGATIVES must be frequently resorted to as the best means of success, and experience has proved that among all purgatives, those known as Le Roy's are the most efficacious; their immense reputation therefore, has awakened the CUPIDITY of numerous COUNTERFEITERS, who do not hesitate to offer to the public, either at retail or in bottles imitating ours, FALSIFIED and dangerous preparations. Patients must consequently be on their guard, and their particular attention is called to the following notice:

These PILLS are a GENUINE which contain about a quarter of a pint, from COTTIN'S DRUG STORE, with a NOTICE giving directions and representing 1st. The words PHARMACIE COTTIN, [illegible] on yellow paper with the signature of Le Roy, and 2d. A printed label on yellow paper with the signature of Le Roy, bearing my written signature and Le Roy's stamp. 3d. Lastly and 4th. All the bottles must bear, between the cork and the paper bearing my seal, a label printed in yellow with the stamps of LE ROY, COTTIN and SIMONET, and on Cottin's the IMPERIAL PRINT of the French Government.

NOTICE. The genuine surgeon LE ROY'S PILLS and BOLUSES, which are to be found also at COTTIN'S DRUG STORE, only, must bear the same labels.

N.B.—Persons for whom the informations contained in the NOTICES accompanying the vials are not sufficient, will find at the establishments of our Depositaries the CURATIVE METHOD of surgeon LE ROY, 1 volume in 8vo, price 1 francs. The work has reached its 18th edition.
