THE New Orleans press have frequently mentioned the wonderful cures of Mme. Alluard. The Courier, Crescent, Delta, True Delta, National and Bee published, in 1855 and 1856, letters from distinguished citizens stating her unexpected success. The same papers have also spoken in high terms of surprising exhibitions of magnetic vision, in spite of the perfect exclusion of light by blindfolding. See the Courier of December 17th, 1855, the Bee of November 27th, 1855, and the Crescent of May 29th, 1856.
