STATE OF LOUISIANA.
EXECUTIVE OFFICE.
Proclamation.

WHEREAS in conformity with an Act of the Legislature of the State of Louisiana, approved 11th March, 1848, entitled "An Act to authorize the Governor of the State to cancel mortgages and acquittances in certain cases," Louis Favrot, Sheriff in chief of performance and execution of the Parish Judge of the Parish of West Baton Rouge, did mortgage and hypothecate in favor of Louis Favrot now resident, a certain tract of land on which said Louis Favrot now resides, situated in the Parish of West Baton Rouge, containing two arpents front on the Mississippi River, by forty in depth, and act of mortgage being subscribed for the sum of one thousand dollars, the amount of accounts which he has said Louis Favrot was called to give, and which act was accepted by Edward D. White, then Governor of the State of Louisiana as signee, by an Act passed at the city of New Orleans, before Theodore Sellers, Notary Public, on the 29th day of August, 1836, and now recorded in the Recorder's office of West Baton Rouge.

And whereas said Louis Favrot has applied to me for the cancelling of the above recited mortgage.

Notice is therefore given to all persons interested to show cause, in writing, at the office of the Secretary of State, within thirty days from and after the last publication of this notice, why said mortgage should not be cancelled and annulled.

Given under my hand and the seal of the State, at Baton Rouge, on the eighteenth day of July, in the year of our Lord one thousand eight hundred and fifty, and of the Independence of the United States the seventy-fifth.

COUNCIL OF MUNICIPALITY NO. ONE.

RESOLVED, That the Mayor be, and he is hereby authorized and invited to advertise during ninety days in the official paper of the Municipality, in the Bee, Picayune and in three of the Northern Newspapers, that he will adjudicate to the lowest bidder, the contract for the paving with square blocks, of the public road, from Customhouse to Esplanade street—Charles street from Canal to Jefferson street; Conde street, from Madison to Esplanade street, and Royal street from Canal to Esplanade street. Said work to be done according to specifications in the Surveyor's Office, and to be paid for in cash.

(Signed) JH GENOIS, Recorder.
Approved, 25th July, 1850.
(Signed) A. D. CROSSMAN, Mayor.
A true copy. H. BIER, Clerk.

Specifications concerning the square block paving of the Public Road, from Customhouse to Esplanade street; of Charles street, from Canal to Jefferson street; of Conde street, from Madison to Esplanade street, and of Royal street, from Canal to Esplanade street.

Quality and Dimensions of the Materials.

The square blocks shall be of granite of the best quality, hewed and dressed on the top and sides, measuring not less than 6 inches in width, and not more than 10 by 16 inches square, and 10 inches thick. The curb stones shall be of the best quality, hewed and dressed, with the upper edge level in such a manner as to correspond with the grade of the Trottoir of the sidewalks. The curb stones shall be from 18 to 26 inches in width, not less than four feet long, and four inches thick. The gutter stones for the bottom of the bridges shall be of granite, hewed and dressed. They shall be 12 inches in width, not less than three feet long, and four inches thick. The shells shall be sound and clean (take shells). The sand shall be either Lake or Natchez sand, pure and of large grain.

Manner in which the Work shall be done.

The curb stones shall have an inclination towards the side-walks of 6 inches, and be each foot in length, and shall join by the ends. As soon as the old paving shall have been removed from a square, the Contractor shall lay the ground picked and the street graded on a regular surveyor, he shall then cover the stone with 3 inches of gravel or Lake shells and sharp sand. Which shall be well compressed with the roller, and shall begin to lay the paving in the following manner.

The square blocks shall be laid in regular courses, and shall perfectly well join one another from top to bottom. The joints shall be filled up with sharp sand, and the paving shall be well compressed with the roller. Said paving shall warm compressed, present an even surface, and the surface otherwise shall be approved by the Surveyor. The slope of the bridges at the intersections of and the streets shall be of four feet in length, and the whole in width, and 4 inches thick. The bottom shall be hewed in 12 inch gutter stones, 4 inches thick. The whole shall be well compressed. The slope of the bridges shall be at least 45 feet long, and shall be made of hewed and dressed curb stones in 12 inches wide, and four inches thick. The top of the bridges shall be of iron, and shall be fastened in the Masonry.

All the materials shall be furnished by the Contractor.

The old ground at the paving the of both and gutter stones which shall be taken up by the Contractors, and the surplus of earth picked out from the streets, shall be the property of the Municipality No. One, which shall remove the same.

All the lines, heights, grades, &c., shall be given by the Surveyor, who shall superintend the execution of said paving, agreeably to the foregoing specifications.

The work shall be adjudicated, four sections as follows, viz:

Sec. 1. The Public Road from Customhouse to St. Ann street.

Sec. 2. The Public Road from St. Ann to Esplanade street.

Sec. 3. Charles street from Canal to Jefferson street, and Conde street from Madison to Esplanade street.

Sec. 4. Royal street from Canal to Esplanade street.

The contractors for the 1st and 2nd sections shall bind themselves to have the work begun on or before the 1st of January, 1851, and to have the same completed in the first half of the year. The contractors for the 3rd and 4th sections shall bind themselves to have the work begun on the 1st of January, 1852, and to have the same completed in the first half of the year. Each and the right to reject any and all bids, if they shall be low, shall be appointed to have a contract for life, and shall be responsible for the work done at the risk and expense of the contractor.

It is on the understanding of the sections, and of the contractors, that the work shall be done at the contractor's sole risk, and that the contractor shall pay a fine of $500 for each and every day after the time above mentioned.

The contractors shall be bound to have the paving in proper order in the two years after the completion of work.

Each of the contractors shall furnish two good solvent security to the amount of $20,000.

Payment as follows:

The proportion due by the Municipality shall be paid cash after the completion of every three sections and on the presentation of the certificate of the Surveyor, stating that the work has been done according to the foregoing specifications and has been accepted by him, and the proportion due by the property holders to be paid by the contractor.

New-Orleans, July 25th, 1850.

LOUIS H. PILIE, Surveyor, 1st Mpy.

Mayoralty of New Orleans.
29th July, 1850.

NOTICE is hereby given, in accordance with the Resolution adopted by the Council of Municipality No. One, on the 18th day of 4th inst., and in virtue of the sense of the Council of Municipality No. One expressed by their votes on the 26th inst., that the work contemplated in said resolution, must be done by the contractor, and be paid for in cash, on the 25th day of October, 1850, at my office, at 12 o'clock M., the contracts for paving with square blocks, and the furnishing of the curb and gutter stones, in accordance with the specifications on file in the Surveyor's office, and hereunto annexed, as follows:

1st. The contract for paving with square blocks, of the Public Road, from Customhouse to St. Ann street.

2d. Public Road, from St. Ann street to Esplanade street.

3d. Charles street, from Canal street to Jefferson street; Conde street, from Madison to Esplanade street.

4th. Royal street, from Canal to Esplanade street.
