THE greatest remedy in the world. This Cordial is distilled from a Barry known only to myself, and chemically combined with some of the most valuable medicinal roots, herbs and barks known to the mind of man, viz: blood root, black root, wild cherry bark, yellow dock, dandelion, sarsaparilla, elder flower with others, producing the most infallible remedy for the restoration of health ever known.

IT IS NATURE'S OWN REMEDY,

Curing diseases by natural laws. When taken, its healing influences are felt coursing through every vein of the body, purifying and accelerating the circulation of the blood. It neutralizes any bilious matter in the stomach, and strengthens the whole organization. McLean's Strengthening Cordial will effectually cure Liver Complaints, Dyspepsia, Jaundice.

Chronic or Nervous Debility, Diseases of the Kidneys, and all Diseases arising from a Disordered Liver or Stomach.

Dyspepsia, Heartburn, Inward Piles, Acidity or Sickness of the Stomach, Fullness of Blood to the Head, Dull Pain or Swimming in the Head, Palpitation of the Heart, Fullness or Weight in the Stomach, Sour Eructations, Choking or Suffocating Feeling when lying down, Dryness or Yellowness of the Skin and Eyes, Night Sweats, Inward Fevers, Pain in the Small of the Back, Chest or Side, Sudden Flushes of Heat, Depression of Spirits, Frightful Dreams, Languor, Despondency or any Nervous Disease, Sores or Blotches on the Skin, and Fever and Ague, (or Chills and Fever). It will also cure diseases of the Bladder and Womb, such as Seminal Weakness, Incontinence of Urine, Strangury, Inflammation or Weakness of the Womb or Bladder, whites &c.

THERE IS NO MISTAKE ABOUT IT.

This Cordial will never fail to cure any of the above diseases, if taken as per directions on each bottle, in German, English and French.

OVER HALF A MILLION OF BOTTLES

Have been sold during the past six months, and in no instance has it failed in giving entire satisfaction. Who, then, will suffer from weakness or debility when McLean's Strengthening Cordial will cure you.

TO THE LADIES.

Do you wish to be healthy and strong? Then go at once and get some of McLean's Cordial. It will strengthen and invigorate your blood to flow through every vein, and the rich, rosy bloom of health to mount to your cheek again. Every bottle warranted to give satisfaction.

FOR CHILDREN.

We say to parents, if your children are sickly, puny or afflicted with complaints prevalent among children give them a small quantity of McLean's Cordial, and it will make them healthy, fat and robust. Delay not a moment, try it and you will be convinced.

IT IS DELICIOUS TO TAKE.

EVERY COUNTRY MERCHANT

Should not leave the city until he had procured a supply of McLean's Strengthening Cordial. It sells rapidly, because it invigorates. All merchants will be made wholesale agents.

CAUTION. – Beware of druggists or dealers who may try to palm upon you some Bitter or Sarsaparilla trash which they can buy cheap, by saying it is just as good. Avoid such men. Ask for McLean's Strengthening Cordial, and take nothing else. It is the only remedy that will purify the blood thoroughly, and at the same time strengthen the system.

One table spoonful taken every morning fasting, is a certain preventive for Cholera, Chills and Fever, Yellow Fever, or any prevalent disease.

Price only $1 per bottle, or six bottles for $5.

J. H. McLEAN,
Sole proprietor of the Cordial.

Also, McLean's Volcanic Oil Liniment.

McLEAN'S VOLCANIC OIL LINIMENT

The best Liniment in the world.

ANOTHER REMARKABLE CURE

Performed by McLean's Volcanic Oil Liniment.

For yourselves.

Thomas Ford, a blacksmith, living near Cassavaune, in Vanthstreet, had a horrible running sore on his foot. He tried various liniments, Salves, &c., but could do it no good. He despaired of ever being able to work at his trade again, because he could not bear any weight on it; and by one small bottle of McLean's Volcanic Oil Liniment, he is now entirely cured.

Rheumatism, paralysis, neuralgia, bruises, sprains, stiffness in the joints or muscles, swellings, sore throat, earache or toothache, wounds, fresh cuts, sores, burns, old ulcers, [illegible], yield to the "magic" influence of this wonderful Liniment.

For Horses and Cattle it is an infallible remedy for galls, poll evil, sprains, cracked heels, ringbone, spavins, [illegible], splints, bruises, swellings, wounds, [illegible], and various other diseases which an animal is liable to from injuries or accidents.

Every Country Merchant should obtain a supply of McLean's Volcanic Oil Liniment. It sells rapidly, because it always cures.

A liberal discount will be made to merchants who buy to sell again.

For sale by J. H. McLEAN, proprietor, corner Third and Pine streets, St. Louis, Mo.; also for sale above. For sale by

To Cotton Planters.

I TAKE pleasure in announcing that Messrs. MANDEVILLE & McILHENNY are my authorized agents in this city to make contracts for the use of

MY INVENTION

FOR SPINNING UP THE SEED COTTON ON PLANTATIONS INTO YARNS, AND ALL NUMBERS IN RELATION TO IT.

I will only say here that I make the same capital, the same location, the same steam power, the same expense very nearly that now raises, gins and bales the cotton, to spin it, that, with the addition of machinery costing about half what the increased value of the yarns the first year will be, and which is attended by surplus labor of the plantation, in little girls of 8 to 10, women, and old men inefficient as field-hands. I DOUBLE, OR MORE THAN DOUBLE, THE PLANTER'S NET INCOME.

We spin the best yarns in the world. The danger from fire of the gin-house is immensely reduced, with many other advantages of great value. And what is of great importance is, that all this is fully demonstrated by its successful daily operation on the plantation of Col. Geo. S. Yerger, near Yazoo City.

Planters desiring more full particulars are referred to my agents, as above.

Applicants for agencies will please address them, inclosing testimonials.

FREIGHT will be received at the Company's Depot, foot of Calliope street, up to 3:30 P. M., daily, Sundays excepted.

All freight intended for transportation must be distinctly marked with the name or initials of consignee and place of destination; and no freight will be received unless consigned to established stations on the line of the road or its connections.

Blank receipts for freight may be obtained at the depot, or at Messrs. Couper & Armstrong's, Camp street, by those who wish to use them.

The Company holds itself responsible for the value of all cotton shipped by the road – which may be lost by fire – from the time it is received by them. But no claims on the line will be entertained unless notice is given [illegible] of its arrival at the depot in this city.

The Company and all the Railroad Companies constituting the "Great South-western" line between New Orleans and New York, having made arrangements with the Adams Express Company to run a regular daily through Express between the two cities, the Express business heretofore carried on by the Railroad Company for the same purpose is discontinued, and all express matter will be carried by the Adams's Express. Information can be obtained on this subject from J. J. McKeever, Esq., 26 Camp street.

Agents of the Railroad Company are not permitted to receive or receipt for bank notes, specie, jewelry or other express matter. They will be received by the Adams's Express, 26 Camp street.

House Furnishing Goods.

D. DURAND

HAS erected, on the lot where his old house lately stood, at the CORNER OF ROYAL AND ST. PETER STREETS, a large and splendid store, fully equal to any in this city.

His present fresh and complete stock, to which new goods from Europe and the North are daily added, enable him to offer to his customers, to housekeepers and to the trade, every rich or necessary article, from the drawing-room down to the kitchen. His assortment comprises in part –

FOR THE PARLOR.

Chandeliers; China and biscuit vases, figures, &c.; mantel ornaments; rich moderateur and other lamps; bronzes.

FOR BEDROOMS.

Verres d'eau, or Venetian, and other glasses; China tete-a-tete; work-boxes; jardinieres; gilt China toilet sets.

FOR THE DINING-ROOM.

Glassware and crystals; complete table sets, either China with gilt filets or plain, or granite and fine and common crockery; English, French and American table cutlery, fine and common, &c. &c.

FOR THE KITCHEN.

Broilers, sauce-pans, kettles, kilns, fire dogs, shovels and tongs, pastry moulds, buckets, a full assortment of tinware, tea-kettles, &c.

Restaurant keepers will find in his store every thing in their line, in crystal, glassware and Chinaware, tin and copper kitchen utensils, &c.

To planters, inducements are offered which, if not greater, are at least as great as those held out by any establishment of the kind in New Orleans. They are invited to call and judge for themselves. Special attention is given to the packing of goods.

The stock will be disposed of, at all times, at prices beyond competition, Mr. Durand's only object being to satisfy the public that it is to their interest, in every respect, to favor him with the same kind patronage as heretofore.

His selection of silver-plated ware is as complete as can be desired. dec1 tf

AYA PANA BITTERS.

MANUFACTURED BY J. CHAUVET.

THESE BITTERS, which are now readily superior to any hitherto prepared, constitute an admirable beverage when taken moderately, before or after meals. It purifies the alimentary canal, and facilitates digestion.

These BITTERS are composed exclusively of the extracts of aromatic plants, and possess the most incontestable medical qualities. Their tonic and stimulating properties render them particularly useful in cases of debility of the stomach, which, especially with women, and in warm climates, produce dizziness, fainting, sickness, [illegible] and a general and frequent feeling of indisposition. They are likewise a Febrifuge, and are proved by experience to neutralize the effect of miasma on the constitution.

We might publish a host of certificates to substantiate our assertions, but this method is so commonly employed by charlatans that we deem it more advisable to refer to the numerous persons who daily make use of the AYA PANA BITTERS.

SALES BY J. B. WALTON.

ESTATE OF THE LATE JOHN McDONOGH.

Credit Sale of Lands in the Parishes of Orleans, St. Bernard, Plaquemines, Jefferson, St. Charles, St. James, Livingston, Lafourche Interior, East Baton Rouge, St. Tammany, Assumption, St. Landry and Calcasieu, on long credit, by order and for account of the McDonogh School Fund, city of New Orleans.

BY J. B. WALTON,
City Auctioneer,
Office 10 Bank Place.

MONDAY, January 23, 1860, beginning at 12 o'clock, M., at the St. Charles Exchange, and on the following day, if requisite –

By order and for account of the city of New Orleans, will be sold at public auction, without reserve, and without any warranty whatever, the following lands acquired by the city of New Orleans from the estate of John McDonogh, deceased, to wit:

Lands in the Parish of Orleans.

A TRACT OF LAND lying partly in the parish of Orleans and partly in the parishes of Jefferson and Plaquemines, on the right bank of the river Mississippi, and forming part of the plantation formerly belonging to Pierre Caudier, situated at a distance of about three miles from the city of New Orleans, bounded on the upper side by the plantation formerly belonging to Hugh Marigny, and on the lower side by the plantation formerly of Ben Brothers, which tract of land is composed of three different portions, designated and described on a plan drawn by Louis H. Pilié, City Surveyor, the dimensions being taken from a plan by Wm. J. McCullough, United States Surveyor General, as follows, to wit:

A CERTAIN SPACE OF GROUND lying in the parish of Orleans, figured on the above cited plan as a lake for the cultivation of two back tracts or portions of land, Nos 34 and 35 delineated on said plan, measuring twenty feet front (American measure) on the river Mississippi, and lying between lots Nos 36 and 37, at the distance of seven arpents from the plantation now or formerly belonging to Ben Brothers, by a depth of forty arpents, whereof joins lot No 38.

And TWO TRACTS OR PORTIONS OF LAND lying partly in the parishes of Orleans, Jefferson and Plaquemines, designated on the said plan by the numbers 34 and 35, beginning at 40 arpents from the river, and lying immediately in the rear of all the lots numbered on said plan, from No 1 to 33, with the full width of the plantation formerly belonging to Pierre Caudier, which extends from the upper line of the Ben plantation to the lower line of the Marigny plantation. All that portion in the said tract No 34 lying immediately in the rear of the lots from No 1 to No 33, has a depth only of 30 arpents, while the remaining portion in the rear of lots from No 1 to 33, extends as far back as the Bayou Ouachita or Barataria. All, by parallel lines, embracing an area of 3395 12 100 acres.

SIX LOTS OR PARCELS OF LAND in the parish of Orleans, on the right bank of the river Mississippi, forming part of the "Caudier Plantation," and designated by the Nos 9, 10, 11, 12, 13 and 14, on a plan drawn by Louis H. Pilié, City Surveyor, the dimensions being taken from a plan by Wm J. McCullough, United States Surveyor-General, and measuring each, according to said plan, one arpent front on the river Mississippi, by 40 arpents in depth.

The said tract and lots lying contiguous to each other, and forming one connected body, bounded on the upper side by lot No 8, and on the lower side by lot No 15 on the said plan. These lands are high, the soil very fertile and are admirably suited for country residences or for the purposes of gardening.

AYER'S AGUE CURE,

FOR THE SPEEDY CURE OF Intermittent Fever, or Fever and Ague, Remittent Fever, Chill Fever, Dumb Ague, Periodical Headache, or Bilious Headache, and Bilious Fevers, indeed for the whole class of diseases originating in biliary derangement, caused by the malaria of miasmatic countries.

No one remedy is louder called for by the necessities of the American people than a sure and safe cure for Fever and Ague. Such we are now enabled to offer, with a perfect certainty that it will eradicate the disease, and with assurance, founded on proof, that no harm can arise from its use in any quantity.

That which protects from or prevents this disorder must be of immense service in the communities where it prevails. Prevention is better than cure, for the patient escapes the risk which he must run in violent attacks of this baleful distemper. This "Cure" expels the miasmatic poison of Fever and Ague from the system and prevents the development of the disease, if taken on the first approach of its premonitory symptoms. It is not only the best remedy ever yet discovered for this class of complaints, but also the cheapest. The large quantity we supply for a dollar brings it within the reach of every body; and in bilious districts, where Fever and Ague prevails, every body should have it and use it freely both for cure and protection. It is hoped this price will place it within the reach of all – the poor as well as the rich. A great superiority of this remedy over any other ever discovered for the speedy and certain cure of Intermittents is, that it contains no quinine or mineral, consequently it produces no quinism or other injurious effects whatever upon the constitution. Those cured by it are left as healthy as if they had never had the disease.

Fever and Ague is not alone the consequence of the miasmatic poison. A great variety of disorders arise from its irritation, among which are Neuralgia, Rheumatism, Gout, Headache, Blindness, Toothache, Earache, Catarrh, Asthma, Palpitation, Painful Affection of the Spleen, Hysterics, Pain in the Bowels, Colic, Paralysis, and Derangement of the Stomach, all of which, when originating in this cause, put on the intermittent type, or become periodical. This "Cure" expels the poison from the blood, and consequently cures them all alike. It is an invaluable protection to immigrants and persons traveling or temporarily residing in the malarious districts. If taken occasionally or daily while exposed to the infection, that will be excreted from the system, and cannot accumulate in sufficient quantity to ripen into disease. Hence it is even more valuable for protection than cure, and few will ever suffer from Intermittents if they avail themselves of the protection this remedy affords.

Ayer's Cathartic Pills,

FOR ALL THE PURPOSES OF A FAMILY PHYSIC,

are so composed that disease within the range of their action can rarely withstand or evade them. Their penetrating properties search, and cleanse, and invigorate every portion of the human organism, correcting its diseased action, and restoring its healthy vitalities. As a consequence of these properties, the invalid who is bowed down with pain or physical debility is astonished to find his health or energy restored by a remedy at once so simple and inviting.

Not only do they cure the every-day complaints of every body, but also many formidable and dangerous diseases. The agent below named is pleased to furnish gratis my American Almanac, containing certificates of their cures and directions for their use in the following complaints: Costiveness, Heartburn, Headache arising from disordered Stomach, Nausea, Indigestion, Pain in and Morbid Inaction of the Bowels, Flatulency, Loss of Appetite, Jaundice, and other kindred complaints arising from a low state of the body or obstruction of its functions. They are an excellent purifier of the blood, and the stimulation of the system, and the restoration of health and strength to the [illegible].

Ayer's Cherry Pectoral,

FOR THE RAPID CURE OF

Coughs, Colds, Influenza, Hoarseness, Croup, Bronchitis, Incipient Consumption, and for the relief of Consumptive Patients in advanced stages of the disease.

So wide is the field of its usefulness, and so numerous are the cases of its cures, that almost every section of country abounds in persons, publicly known, who have been restored from alarming and even desperate diseases of the lungs by its use. When once tried, its superiority over every other medicine of its kind is too apparent to escape observation, and where its virtues are known, the public no longer hesitate what antidote to employ for the distressing and dangerous affections of the pulmonary organs, which are incident to our climate. While many inferior remedies thrust upon the community have failed and been discarded, this has gained friends by every trial, conferred benefits on the afflicted they can never forget, and produced cures too numerous and too remarkable to be forgotten.
