SUBJECT: Cancellation of Authorization for Construction of Wood Ships

TO: Chief, Kanto Civil Affairs Region, APO 500
Chief, Hokkaido Civil Affairs Region, APO 7
Chief, Tohoku Civil Affairs Region, APO 309

1. Reference is memorandum for the Ministry of Transportation from General Headquarters, Supreme Commander for the Allied Powers, 350.03 (31 Jan 50)ESS/IND, subject as above 3 January 1950.

2. Cancellation of Construction indicated in memorandum referenced in paragraph 1 above, is based upon a study conducted by this headquarters. This study reveals that 164 of the vessels authorized for construction has either not been started, or stopped because original potential owners could not furnish funds to cover construction costs and shipyard owners could not find other buyers. Also changing conditions have eliminated need of these vessels in the Merchant Fleet.

3. In order to have cognizance at all times of the number of vessels actually under construction and thereby be able to plan and maintain a balanced fleet, it is believed advisable to cancel authority for construction of these 164 vessels and consider applications submitted for new authority if and when owners are found who are able to finance such construction.

4. Surveillance will be exercised in accordance with provisions of Operational Directive No. 51, Headquarters, Eighth Army, 27 September 1949.
