List of machines required for civilian production.

9th May 1946

Tōyō Kōhan Kaisha Ltd., Kudamatsu Plant.

Name of machines	Number of machines	Remarks
Lathes (medium type)	4	These machines will be used to produce tricycle motor car, engines for agriculture and fishery, parts of railway stock, implements of agriculture, and domestic hardwares.
" (small type)	3	
Gear shaper	1	
Bevel gear shaper	1	
Gear hobbing machine	1	
Shapers	2	
Vertical milling machines	3	
Milling machines	2	
Bench slotters	2	
Drilling machines	2	
Boring machine	1	
Universal grinding machines	4	
Cylindrical grinding machine	1	
Universal tool grinding machines	4	
Thread grinding machine	1	

Gear shaper	1	motor car, engines for agriculture and fishery, parts of railway stock, implements of agriculture, and domestic hardwares.
