Foster home placements:

There are 48 chn in foster homes - this year - 163 total. 167 placed, 4 registered

Foster parents fill out a blank, usually with minsei in. Form goes to C T & V office whence it is sent to ken CW section. This section refers to CCC which asks jido in to investigate and report. If approved, sent to supt of CCC. JFS visits if there is a financial question, reports to center. If there is further question CCC or CW sect ken sends a worker to investigate. Then CCC supt gives his opinion.

80 o/o had already taken chn & registered later. 128 foster parents previously had chn. 35 were placed by ken. } considered the same

This CCC makes recommendations; placements are made by the prefecture.

The CCC does some field work ~~in the person of~~ special project such as determining where most problems exist. The jido fukushishi and gun welfare officials visit the children in foster homes or following up on guidance, etc. There is no schedule of visits. Jido iin visit most often & request ken visit when necessary.

(Institutional officials, JFS ~~or~~ also do follow up work on chn who have left the institutions.)

The minsei iin ~~and T & V & gun officials~~ & JFS investigate the home situation for case histories. If bg comes from other ken it is difficult because they gave misinformation. Sometimes wire the police & write letter.

DECLASSIFIED E. O. 12065 SECTION 3-402 / NNDG NO. 775013

The center makes a recommendation, then the ken uses a form in governor's name. Usually do not use a written consent from the parents.
