MAYORALTY OF NEW ORLEANS.
CITY COUNCIL.
Sitting of Friday October 2d 1835.

An ordinance concerning the construction of a New Levee in the seventh ward and for othe purposes.

Whereas the encroachments that have been made for several years and are still making on the batture in front of the 7th ward, have already caused the greatest injury and threaten with a complete ruin, the port in front of the sixth and first wards of the city; whereas it is the first duty and the greatest desire of the City Council to preserve the harbour from distruction;

Therefore, in virtue of the powers vested in the Mayor and City Council of New Orleans, by an act of the Legislature entitled, "An act to explain the extent of the powers vested in the mayor and city council of New Orleans," approved March the 9th 1834.

The city council ordain as follows:

Art 1. After ten days advertisement in the Corporation Gazette, the mayor will cause to be adjudged to the lowest bidder the construction of the levee in front of the seventh ward, as ordained in 1830, and in case the adjudication does not take place, then the mayor will cause the work to be executed under the direction of the city surveyor, in any manner he may think advisable.

Art 2. It shall not be lawful for any person or persons to obstruct or encumber the batture, in front of any incorporated, or unincorporated, or unincorporated suburbs or liberties, either by sinking barges, flat boats, steam boats or other crafts, or making any work which might turn the natural course of the river, or making piles of wood, planks, lumber, pickets, or other articles, under penalty of having said works destroyed and said encroachments and encumbrances displaced and carried away at his or their expense, and being fined in a sum not less than twenty five dollars and not exceeding one hundred dollars, for each contravention; provided that it shall be lawful for the owner of any raft of lumber, pickets, wood, planks and other articles, to unload their cargoes, and cut up their raftin front of the unincorporated suburbs or liberties, provided said cargoes shall not be suffered to remain on the batture more than eight days, under penalty of a fine of twenty dollars for each day they shall lay thereon.

Art 3. Immediately after the execution of the works mentioned in the first article, it is expressly forbidden to demolish, break or cut up any flat boat, barge, keel boat, steamboat, raft or other craft, in all that part of the port extending from Lacourse to Piété street, under penalty of a fine of twenty five dollars for each contravention.

Art 4. It is expressly forbidden to land any raft of logs, wood, planks, lumber or pickets within the limits of the port, extending from lacourse to Piété street, under penalty of a fine of twenty five dollars for each contravention, and it will be the duty of the wharfinger to put adrift all rafts of any kind, empty flat boats, keel boats, or barges, or abandoned steam boats, that will have been moored more than forty eight hours, within said limits and any wharfinger neglecting the duty herein assigned to him, on conviction of it shall be removed from office.

Art 5. After seven days notice in the official gazette, the mayor will cause to be adjudged to the lowest bidder, the widening of the levee in front of suburb St Mary, said widening to be made with dirt only, from the edge of the river, and be made on an inclined plane, so as to afford an easy passage to carts driving on the batture, said widening will extend to a line drawn from the outer edge of the actual levee opposite Gravier street, to a point at one hundred and twenty feet from the outer edge of the actual levee, opposite Delor street.

Art 6. If the adjudication cannot be effected, the mayor will cause the work mentioned in the preceding article to be done under the direction of the city surveyor, in any manner he may think proper.

Art 7. The levee of that part of the lower suburb which extends from Enghien street to the upper part of the wharf in front of the lower cotton press, will be widened sixteen feet in its whole extent.

Art 8. For the widening mentioned in the preceding article, the mayor will conform with the dispositions of the first article of this ordinance and in all cases, the work shall be done under the direction of the city surveyor.

Art 9. The construction of the levee in front of the seventh ward, and the widening to be done this year, to the levee of suburb St Mary and that of the lower suburbs, shall be adjudged seperately and must be completed, at furthest, on the first day of February next.

Art 10. The contractor of any of the works mentioned above shall give a bond for five thousand dollars, with one or more good and solvent securities, to the satisfaction of the mayor, for the faithful execution of his contract.

Art 11. The payment of any of the above named works, if made by contract, shall be one fourth of the price, when one half of the work in the opinion of the city surveyor will be done, and the balance when the whole will be completed and approved by the city surveyor.

Art 12. The mayor is authorized to purchase the quantity of gravel and shells necessary to cover all the levees in the incorporated parts of the city, and to have them so covered.

Art 13. It is expressly forbidden to establish on the levee or public ways, any work, either for cutting wood, framing lumber, or preparing slates or other articles, under penalty of a fine of twenty five dollars for each contravention.

Art 14. It is expressly forbidden to encumber or obstruct the levee and the public road with logs of any kind of wood, or with lumber, planks, wood, pickets, or any other articles or with sheds or huts, in the whole extent of the city suburbs or liberties; and any person so encumbering or obstructing the levee or public road in the above mentioned limits, shall be condemned to pay a fine not less then twenty five dollars, and not exceeding one hundred dollars for each contravention.

Art 15. The mayor will cause one lamp post to be placed on the levee at the head of each wharf in all that part of the port extending from Lacourse to Piété streets, and in all that part where there exists no wharf in the above limits, he will cause to be placed under the direction of the city surveyor, as many lamps as will be necessary to light it properly.

Art 16. The batture, levee and road in front of all the streets perpendicular to the river, in all the unincorporated suburbs or liberties, shall always be kept clear of any encumbrance or obstruction and any person encumbering or obstructing said batture, levee or road, shall be liable to a fine of twenty five dollars for each day that he will so encumber or obstruct the batture, levee or road. That this provision shall apply to the Bayou Bridge and other bridges of the city.

Art 17. Immediately after the promulgation of this ordinance, no flat boat or other craft as stands for selling fruits, flowers, beer or other liquors, or as dwellings, shall be suffered to lay at the levee, in front of the incorporated parts of the city, under penalty of a fine of fifteen dollars for each day that said flat boat or other craft shall lay at the levee, in the limits above described, and it will be the duty of the wharfinger of the Levee to have this provision of the ordinance strictly executed, under penalty of being removed from office; provided that it shall be lawful for the river coast traders to have and keep places of deposit in that part of the port assigned to them by the second article of an ordinance concerning the port and levee of New Orleans, approved February 23d 1829.

Art 18. From and after the passing of this ordinance the following places are exclusively assigned for the landing of planks, lumber, pickets, wood and bricks, that is all the space comprised between the middle of Esplanade street to the east side of Champs Elysées, and a space of three hundred feet from and above Julia street, and any person landing planks, lumber, pickets, wood or bricks in any other places shall be condemned to pay a fine of twenty five dollars for each contravention.

Art 19. The mayor will cause the prolongation of Lacourse street to the river, to be filled up with dirt, on an inclined plane so as to afford an easy passage to carts driving on the batture, the work to be done under the the direction of the city surveyor.

Art 20. All ordinance contrary to this are repealed.

(Signed) JN. CULBERTSON, Recorder.

Sitting of Friday Oct. 9th 1835.

$75 REWARD.

Runaway from the possession of a M Ranlston, superintendant of public works on Bayou Bœuf, parish of Rapides, on Sunday; 26th July last, the following described slaves, viz:

THOMAS BROWN, a mulatto, aged about 28 or 30 years, 5 feet 10 or 11 inches high, stout made, heavy eye brows, prominent cheek bones, smart and quick spoken; he has been some time at sea as a sailor and may try to get on a vessel.

GEORGE FISHER, a black man, about 28 years of age, 5 feet 10 inches high, stout made, round full face, when spoken to holds his head a little down.

LEWIS HAIR, a black man, about 28 years of age, 5 feet 8 or 9 inches high, round full face, easy spoken and has a small scar on the left side of his neck.

The above negroes have with them a double barrelled shot gun and a cutting axe. Each one had when they left, a pair of striped cotton and Russia duck pantaloons, one Russia duck and cotton white shirts, black fur hats half worn, new brogan shoes; they may have a pass procured from one of them who can write a fair hand. It is probable they will have made for New
