(4) Group consists of 6 persons and 1 leader.

(5) Female Group consists of 1 member, 23 years old, and other members under the age of 20.

(6) Each group sends 2 persons to each of the committees.

3 Relations between Village Seinen Dan and Buraku Seinen Dan.

5. Salient points stated by Mr. SEMBA.

(1) Group

(a) If membership is increased, the present number of group members may be increased up to 10, not more than that.

(b) There were only 6 female members, so they were grouped together to form 1 group. If female members increased, additional female group may be created.

(c) Reason for having female group is ~~that~~ the female groups can go on activities fitted to the female members such as Home improvement, Food preparations, Flower arrangement, Dress making, Tea Ceremony, etc and will be instrumental in inviting the laige number of young women into membership.

(d) I won't make a mixed group of both sexes.

(2) Fund

(a) annual budget for NISHIOKA BUNDAN is ¥40,000.

(b) This Buraku Seinen Dan has a field of its own. It engages in the culture of fish in pond.

(3) Ambition

Experiment on the new organization is too month old now and I want to make it a model of the youth organization of Ehime Ken after a year's experiment.

(4) Leadership Training Course.

(a) If I send older members, they come back as wise men. It is a pity that they have to quit membership soon.

(b) If I send younger members, they come back, saying that they could not learn anything for the course given was too difficult.

(5) Time needed for Business Meeting.

(a) We are having 2 meetings a month.

(b) Business meeting usually takes 3 hours and takes up 7 topics on average.

MEMORANDUM TO ASSIST CE OFFICER

Subject: Report on situation of youth work in Ehime Prefecture.

1. The writer saw Miss Kondo, SCAR Youth Specialist in Ehime, and Mr. Yamada, clerk of Y/S office, at their office 20 Feb 1951. In the afternoon of same day, the writer saw Mr. Miyamoto, assist Kencho Social Ed. Youth Advisor, at the Social Ed. Section Office. A great regret was Mr.Kutsuna's absent, on account of sick and being confined to his bed since ten days ago. In the evening of same day, the writer saw officers of Federation of Seinen Dan in Yasaka-cho area, Matsuyama City, for the purpose of inspecting situation of running GHQ's recreation projects.

2. Situation of activities of SCAR Youth Specialist

a. problems connected with office, furniture, salaries, etc?

(1) Miss Kondo wants to buy a small table to be used for guests.
(2) She hopes increasement of Mr Yamada's salary which will be realized by means of recommending the same to Liaison Section, Kencho, by Assist. CE Officer, SCAR. The reason is this --- Mr. Yamada is more trained and capable in youth work than other clerks of Y/S Office in Prefectures on Shikoku.
(3) She wants to know for what articles the money approprieted and cumulated should be spent before the dead line of the fiscal year comes.

b. Is office easy to find? Are there plenty of signs to show the way to the office?

Not so good. Then, Miss Kondo is planning to set a sign-pole along carriage-way of the street in the front of her office, in order to show the location of the office more advertisingly.

c. Is the secretary being trained to do youth work in addition to clerical work?

yes. Mr. Yamada is No.1 secretary for Y/S Office, SCAR, on Shikoku --- in his capability to do youth work in addition to clerical work. Therefore, more than ¥1,000 should be increased in salary --- this is considered reasonable.

d. Has the Y/S advertised well?

yes. It seems to be well advertised among staffs of each local Seinen Dan throughout the prefecture. She has sent out a letter to in-

dividual Seinen Dan that described her appointment and the location of her office. Furthermore, she attempted to advertise the establishment of Y/S Office in every possible opportunity she had --- through Radio-broadcast and ~~at the~~ meetings among Seinen Dan staffs.

e. Relationship with Kencho Social Ed. personnel?

Good. It can be said that the relationship became more favorable since the Kencho Youth Advisors conference was held in Takamatsu Jan 1951.

Note: At the conference, subject on relationship with SCAR Youth Specialist was promoted and discussed among Kencho Youth Advisors. The conclusion reached that they should keep close contact with SCAR Youth Specialist in operation of youth work. And Mr. Kutsuna heard that Miss Kondo is ever so much capable woman among SCAR Youth Specialists on Shikoku. Then, he came to respect her capability --- this is supposed to be the reason why he came to keep more close contact with her thenceforth.

f. What % of Y/S time is spent out of the office with youth groups? The clerk?

60% --- Y/S 60% x 1/3 ---The clerk

g. The chief problem of youth organizations? How does she solve these?

(1) How to change structure of youth organization?
(2) How to form interest groups in youth organization?
(3) How to establish committees?

youth organization improvement projects which was published by Kagawa Kencho Social Ed Section is being used to solve these problems. She is planning to print out the same material with cooperation of Kencho Social Ed Section.

h. Situation in Seinen Dan Ken and Gun Federations? How does she help them?

Ken Federation ---- was comparatively active last year. But, the staffs were interested in conducting exaggerated events than assisting local Seinen Dan to develop. Since the new staffs were installed, way of running the Federation inclines to assist local Seinen Dan to develop individually well. A plan is going to be realized that is to establish Leadership Division and instal paid-officer. However, financial problem has not yet been settled away so as to be able to cover expenses for paying salary to the professional leader.

Gun Federation --- is apart from memberwhip Seinen Dan in its connection, except Ochi-Gun Federation of Seinen Dan, she said. The staffs are interested in conducting exaggerated events in the name of the Federation.

Developing local Seinen Dan in democratic way --- is the only remedy

which seems to be successful.

i. How are the special subjects ( sent by Mr. Niblo ) coming along?

Mural is left untouched in most organizations which are designated to be try-out organization. The reason of it seems to be caused by misunderstanding of the way of drawing the mural. Most of organization think it as serious as historical mural ( Hekiga ) in Horyuji Buddhist Temple. Mural should be interpreted as "Kabe-kazari" --- not "Hekiga".

j. What type of work does she find most effective?

(1) To visit local Seinen Dan, and talk with Seinen Dan members.
(2) To furnish plenty of useful materials to local Seinen Dan.

3. Situation of activities of Kencho Social Ed. Youth Advisor

a. Does he have any additional duties? If so. what % of his time is spent on youth work only?

Has no additional duties, except helping very few events connected to social education which are required all Section personnel participation.

Youth work --- 99% the else --- 1%

b. Does he have any assistants? What are their duties?

Yes. Mr. Miyamoto is Mr. Kutsuna's assistant. His main job is booking finance of Social Ed. Section, and making Monthly Report of Social Ed Section Activity which is sent for SCAR. ( Youth work --- 5 % the else --- 95 % )

c. Relationship with SCAR Y/S?

Good. Mr. Miyamoto mentioned that the relationship was improved since the All Shikoku SCAR Y/S conference was held in Takamatsu Jan 1951.

Note; Same thing is expressed by SCAR Y/S. These two persons are affected samely to keep close contact each other by the respective conference that they had in Takamatsu. The conferences were very effective even on this point.

d. what % of his time is spent out of the office with youth groups?

This matter was impossible to know, on account of Mr. Kutsuna's absent. He will report it later on, when he got well from sick.

e. Chief problems of youth organization?

(1) Scarcity of capable youth leaders.
(2) Financial problems.
(3) How to be the structure and operation of youth organization?

(4) difference of members --- in age, schooling and sex, etc.
(5) Lack of facilities to meet.

f. Situation of Ken and Gun Federation?

Three Gun and four City out of 18 Gun and City in all throughout the Prefecture have no Federation of Seinen Dan organized in the respective district. New staffs of Ken Federation of Seinen Dan who were installed in the position last September are comparatively enthusiastic, faithful and well-trained persons. Accordingly, they are expected to run the Federation in sound way.

g. What type of work do you find most effective?

Leadership training course is the best type.

h. IFEL graduates.

(1) 20 men and women have graduated from IFEL youth affairs.
(2) 9 persons can be used now for youth work.
(3) 7 out of 9 persons are School Board personnel who are working in the field of youth work. 2 persons are local youth leaders, and are helpful to be assistant-trainer when Leadership Training Conference is held in their respective Gun area.

i. Budget situation for youth work in 1951-52 fiscal year?

¥ 460,000 ( except budget for youth class which is included in community class. Compare to ¥430,000 in 1950-51 fiscal year ) This is still plan.

J. Situation relative to Communism in youth groups?

No vigorous move of Commies is observed among youth groups. However, young left-wing Socialist hold hegemony in the community sometimes in Towns and Villages in Umagun area. These youngmen are liable to attempt showing their political power in the field of welfare problems in the community --- Dozan river case, etc. Niihama factory area have a great influence into thinking of young people in these districts.

Youth division of Gun-wide Federation of Farmer's Union or Teacher's Union is ever so much animated. Recently, they held a Gun-wide "Youth Conference" with participation of Seinen Dans in the district. An observer to the conference mentioned that Seinen Dan members were not well-trained in parliamentary procedure, so that they were as obedient as lambs before wolves. However, these atmosphere will be helpful to foster radical thinking among youths in Seinen Dan based on "Heroism". Therefore, attention should be called on the move of these youths hereafter which is apt to change into Commies.

Peninsula which is extending out to Kyushu like spear --- this is Misaki Peninsula --- is wellknown place as many young Commies moved among Seinen Dan members. Mitsukue and Kanmatsuna Village is the representative area. But, no vigorous move of them is reported by Social Ed Section personnel in these days.

4. Situation of running GHQ's special projects in Federation of Seinen Dan in Yasaka-cho area, Matsuyama City.

a) Group sing — This is said --- not so good.

(1) Quite hard to select suitable songs in order to have young people amused.
(2) No music instrument is provided in the Yasaka CPH which is the meeting place of group singers.
(3) Quite hard to get good song instructer without reward.
(4) Needs a longtime in order to make individual member of the group read music note well enough.

b) Rope jumping — This is said --- very good and successful.

This Seinen Dan Federation is sponsoring a Boy Scout Troop. Then, it uses the rope jumping in scouting boys. They say that the scouts are very much interested in this games.

c) Mural — This is no good.

Mural work is left untouched in this Seinen Dan Federation. No positive intention is observed to finish it up in a hurry up to the dead line of the project scheduled. It seems that they think it as serious as historical mural in Horyuji Buddhist Temple.

Note: The writer suggested them that even 1st grade pupils of Primary School have mural painted in their class-room which was drawn by these little ones. "Don't think it serious" --- the writer suggested.

d) Folk Dance — This is said --- very good.

This Seinen Dan Federation is getting gramophone records from Matsuyama Broadcast Station in borrowing --- this is the main cause why makes the Seinen Dan Federation successful in this project. Staffs of the Federation disclosed their desire that is to borrow gramophone records from CIE Library. Miss Kondo undertook to propose the same to the Chief of Matsuyama CIE Library.

5. Re Aikyo Doshi Kai ( Community Love Companion Association )

The association is the one that is organized with ex-officers of Ken Federation of Seinen Dan in Ehime Prefecture. Then, it is false that the association is consisted of the existing officers of the Ken Federation. The writer heard that the staffs of the Ken Federation are much troubled by this false information.

6. As to the case that Mr. Soga, the President of Federation of Seinen Dan in Matsuyama City, was nominated by the Federation to run for the coming election for City Assembly members, no definit materials the writer obtained whether it is true or not.

It might be supposed that he was encouraged to run for the election by the staffs of the Federation unofficially.

7. Remarks

a) Miss Kondo as well as Mr Yamada, SCAP Y/S Office in Ehime, is very much agreeable to spread out information of Kagawa's Youth Organization Improvement Projects with adjusting a few points to fit for the situation of the Prefecture. The writer heard that Mr. Kutsuna as well as Mr. Miyamoto, Social Ed Section youth advisor, is also agreeable to do so. Then, the Social Ed Section will print it out necessary copies to distribute all Seinen Dan throughout the Prefecture, if disbursement is possible for the purpose.

b) Ken-wide Leadership Training Conference

The conference will be held 22 Feb 1951 and the following 2 days in Matsuyama City with participation of youth leader in each local Seinen Dan. Educational workshop method will be adopted in the conference. Details of it will be reported by Miss Kondo later on.

（資料）　レクリエーション

一、レクリエーションの理論

ノ、レクリエーションとは何か

A.レクリエーションの概念

レクリエーションとは仕事と共にする遊び活動である。それは何等其の肉的高度な熟練を必要としないものであって疲れを通じて友交を助け長し親和の精神を発揮させ緊張ふりくつろぐ社会をあたえ　そして各人の中に快適と幸福をとり戻させるよう意図されたものである

B.レクリエーションの語義

厚生運動　気分転換　慰安娯楽　あくせくと仕き倦んだ身心に与える静養という意味で　帯に生活を明るく楽しく美しくしかも建設的に送るためにするのであって　いつでも　だれにでも　どこでも出来なければならない

C.レクリエーションの種類

○知的　読書　研究　探険　蒐集
○芸術的　絵画　音楽　劇　彫刻
○身体的　スポーツ　体操　ハイキング　登山　乗馬　ゴルフ　ダンス　ゲーム
○社会的　会話　座談　旅行

註　上は分類の単なる形式である

2.レクリエーションをするには

○レクリエーションはプログラムとマッチしなければならない
○リイダーは自己の個性を知ること　長所は短所に転ずるものである
○雰囲気を考慮しその上にのって行くこと　予定通りの進行は時により興味を失う
○常に材を見るに敏なること　静かな中にも慰安はある
○大騒ぎをするのみがレクリエーションでない　帯に材の出来ないように注意する
○全部の人が楽しむよう一人でも仲間はずれの出来ないように注意する
○興味を失うまえに中止する　もし一人でもあきはじめたことがわかったら次

に移るか中止すること
○笑顔で話し 内に鋭い観察を備え 相手の心理状態に即してゆくこと
○○自分が花形となることを厳につつしみ人を引立てることにつとめること
○興味のあるもわかりやすしもないレクリエーションではない その内容の価値を検討して実施すること

二、キャンプファイヤー（営火）
山野森林の中で火を囲んでの団欒が営火である
ハ、キャンプファイヤーの特殊性
室内と異つて営火の代りに 中央に焚火がありの暗幕でつゝまれ 天には月が雲かゞあり 周囲は樹木か山はだか非常火は太古のまゝにもえ 暗に劣えまたさかり 参加者の心は眼と共に集中されすべては火一点に集中する（ルールはない）

2、営火のだしもの
イ、諸注意 萬象はすべて唯半面のみ照らされ
ロ、歌 簡潔で印象深いもの
ハ、劇 優雅な音唱 輪唱 合唱 暗に独唱 独奏 合奏
キャンプファイヤーのみにやれる性質のもの 弱いしかも半面しか照らさぬ光と 暗黒の背景に注意レ あり合せの材料で紛装をこらす
技巧ぶりは最分を重んずる原始人を思わせるようなもの

三、師
3、営火の役割
イ、営火長（あさ）Fire chief
ロ、司会者（つかさ）master of ceremonies
ハ、火係（火守り）Fire keeper

4、営火の注意
○火はすべての出しものの伴奏であるべき
○○プログラム全体にリズムのあることを
○独り舞台をつゝしみ全員が参加するようにすること

○一つの出しものに時間を長くとらぬこと
○失敗や出来を笑わぬこと
○学火も修養の一部であり無礼講にならぬこと
○全体に長すぎぬこと
○昂奮がいつまでも残らぬようすること

三、フォークダンス
1、フォークダンスの起源と発達
わが国に民族踊りとして伝統をつよもが

四、スクエアダンス

イ、スクエアダンスの起源と発達

スクエアダンスはアメリカの西部開拓時代の牧場・農業地帯が発祥地であるといわれている。この地方の農牧民が牧穫感謝祭（復活祭、降誕祭など）におもしろく楽しく踊っていたものであるが、たまたまこれを視察した米国の教育家達がこれを米国の社交ダンスとして改良を加えたものが、今日行われているスクエアダンスといわれている。

ロ、アパのダンス、メキシコなどは西南米のダンスの中間に位するようなもので、その他も男各地のダンスの長所がつぎつぎとり入れられている。わが国における盆踊り以上に大衆化されているものである。

2、スクエアダンスの特徴

イ、ごく簡単に覚えられること

ロ、男でも女でも、年とった人でも若い人でも誰にも適すること　そして男女の交ダンスを親しくし、

3、スクエアダンスの構造

イ、形態　男一人女一人が一対となり、四対の男女が一組となる

女子の形態、男子は自分の右側に女子を同伴する

頭取りの合図により歩く歩調により踊る一種の円陣ダンスである

ロ、音楽　まとしてスクエアダンスには一定した音楽がない

のでもない　速さも変化させてよい。

ハーモニカ何でも良い　楽器がなければ口笛　手拍子で歌をうたいながらでもよい。

ニ、拍子、四拍子ならどんなものでもよい　楽器はピアノ、オルガン、蓄音機、エッコーデオン、

c) A good thing of this Seinen-dan is getting out Shrine Festival celebration services from Seinen-dan activities.

Remarks:

a) This Seinen-dan has 2 President , 2 Vice-President and 2 Chief for each Bu (Section) except Homemaking Bu. The reason is realizing equal right and responsibility among men and women. Then, a man and a woman instal in the same office. However, this is very strange thing that is undesirable.

b) Mayor of this village wittnessed of the change of Seinen-dan in the village to-day in comparison to the former days, like this --- (a) Young people got back brightness of their own by recreational activities. (b) They came to respect their own individual. (c) They are enlightend in political sense. He added, (a) Increasing number of radio recievers in the village, (b) Encouraging physical training of young people, and (c) Encouraging 4-H Club movement in the village, these things are his great concern. He said, Seinen-dan must be separated into 2 groups along age range --- that is, from 16 to 20, and from 21 to 25 years old. Way of 4-H Club is very helpful to improve Seinen-dan in rural district, he revealed.

7. Remarks

a) Holding leadership training course along the line of IFEL course should be conducted in each island as soon as possible. Then, each Seinen-dan should conduct the same course with participation of whole members. This must be done during this Winter, so as to be able to start Seinen-dan activities in improved features from next Spring.

Miss Kondo, youth technical advisor, will be helpful in doing this project.

b) The writer informed the situation of Seinen-dans in islands to Mr. Ochi, President of Ochigun Federation of Seinen-dan at the meeting of Gun Representatives of Ehime-ken Federation of Seinen-dan. He will plan some measures that will be useful to improve these Seinen-dans.

MEMORANDUM TO ASSISTANCE OFFICER (YA)

Subject: Report of Leadership Training Conference for Seinen-dan in Ochi-Gun area, Ehime Prefecture.

1. The said training conference was opened 16 Sept. at the Tenri-kyo shrine hall in Noma-mura, Ochi-Gun, Ehime Prefecture which was continued to 18 Sept. '50. The conference was promoted by Ochi-Gun Federation of Seinen-dan. Social Education Section, Ehime School Board and Local Office of the Board in Ochi-gun sponsored the scheme.

2. Participants to the conference were 68 ( 45 men and 23 women ) young people. Besides, 19 young people of the staffs of the Federation including several people who have participated in Prefecture-wide IFEL follow-up conference in Matsuyama were there working as advisers for them. Mr. Kutsuna, Social Education Section, School Board, was helpful to these advisers in conducting the conference.

3. Schedule was selected by participants in almost the same contents as was reported to us previously, except a few change that is:
a) In a period for lecture,(2000 - 2200, 16 Sept.,)the speaker and the subject was changed to Mr. Takahashi, teacher of Ehime University, on the subject " On Capitalism, Socialism and Communism ".
b) In a period for discussion, ( 1300 - 1530, 17 Sept. ), the theme of the discussion was changed to " How a leader should be ? ".

4. Special pictures in this conference were as follows:

a) A part of curriculum for training leaders in the conference has been built up by the staffs of the Federation previously and was approved by the participants to make the basis of the conference. ( See Inclosure No.2 )

b) Number of women participants to the conference was comparatively many. In comparison to the same conference in another Prefecture, there were so many young women participated in the conference, who were pretty modernized in their manner and conduct. In a period for introducing participants, many jokes were presented by young women as well as youngmen. The writer have never experienced such a bright and comfortable attitude of Japanese Musume in a conference among strangers. The very comfortable atmosphere that was produced by participants themselves induced the conference to a big success.

c) Mr. Takahashi's lecture,"On Capitalism, Socialism and Communism " was useful to the participants. Mr. Kutsuna recommended to the promoter of the conference to take a talk on "Principle of Capitalism, Socialism and Communism " in the program of it. Because, young people to-day have no

thorough understanding on these ideologies, and liable to follow to agitators blindly. Mr. Takahashi, teacher of Ehime University, was selected as the speaker. He attempted to comment three types of ideology about 2 hours plainly and interestingly, so that even low-educated participants was able to understand the outline of them well enough.

He illustrated well-known novel " Sin and Penalty ", written by a Russian novelist, Doftoefski, in his talk that the hero and heroin is quite resemble to young people in Japan to-day. Then, he was asked by participants what he thinks best among these ideologies. He mentioned that neither Capitalism nor Communism he likes, but the harmonized and improved ideology that is Social-Democracy.

d) The writer talked to the participants on the subject " Some problems on youth work ". The content was "Things which hinder the development of youth work in Japan after the War", "Criticism to Seinen-dan in Japan " and " What a ideal Seinen-dan should be ? ".

5. The other things was no difference from Prefecture-wide IFEL follow-up conference in Matsuyama that was conducted as a pattern.

6. Ochi-Gun is one of well-known district in Ehime Prefecture as the youth work is being carried on very active. Mr. Kondo, graduate from IFEL in Fukuoka, is serving very helpful to leaders and organizations which seems to be one of the reason why these young people in the Gun maintain and extend the good fame of them in youth movement.

In conclusion, the writer will not to hesitate to give a good mark to the conference in evaluation of it. However, the problem is how the ideas of the conference will be brought in each general member of Seinen-dan by the participants.
