To Members of the Louisiana Bar.

The undersigned has the following works relating to the Laws of Louisiana, which he is prepared to sell for Cash, at a very great reduction from the prices which have heretofore been demanded.

ROBINSON'S REPORTS, 12 volumes.

Embracing the decisions of the Supreme Court of Louisiana, from October 1841 to March, 1846. This valuable work is now offered, either by the volume or the set, at a much lower price than heretofore. Nothing need be said in commendation of a work so well known to every Louisiana lawyer. It is a series which is indispensable to secure the continuity of the decisions of the Supreme Court.

GREINER'S CODE OF PRACTICE, *new edition.*

In this work the Acts of the Legislature, whether amendatory of the Code, or otherwise, relating to the subject of practice, have been incorporated. This, in addition to the very numerous Notes and References to the Decisions of the Supreme Court upon the various articles of the Code, and the points of practice, makes this Code of Practice invaluable to the lawyer.

GREINER'S LOUISIANA DIGEST:

Embracing the Acts of the Legislature from the year 1804 to 1841 inclusive, with an Abstract of the Decisions of the Supreme Court, the whole arranged in the form of articles, and numbered. By this means is secured the greatest possible facility of reference, and the book in addition to the merits of accuracy and simplicity, is rendered compact, concise, and portable.

BENJAMIN & SLIDELL'S DIGEST, *enlarged.*

Here will be found a Digest of all the Decisions of the Supreme Court of Louisiana, down to the 13th volume of Louisiana Reports, arranged with uncommon skill and ability. It has been truly said of this work, that there is in none of the States a Digest of Reports better condensed and collected.

DESLIX'S DIGEST.

This is a continuation of Benjamin & Slidell's Digest, and is brought down to the 34 volume of Robinson's Reports. Its execution is after the same plan as the above, and its usefulness will readily suggest itself to lawyers, to whom reports, without digests, are nearly valueless.

DESLIX'S GENERAL INDEX *from* 1809 *to* '43.

This is a very useful compilation, but one which from some cause, has been inadequately appreciated. No one can doubt the utility of a work comprising, as this does an alphabetically arranged table of all the cases decided during the above mentioned long period, a designation of the numbers of the articles of the several codes of Louisiana which the Supreme Court has been called upon to examine from the date of the promulgation of the said codes, until the year 1843, with the names of the cases so decided and also a Tableau of the Articles of the Louisiana Civil Code, corresponding to the Code Napoleon, et vice versa.

INSURANCE.

Southern Mutual Life Insurance Company of Louisiana.

Life Insurance Exclusively.

EXTRA GUARANTEE FUND $50,000.
ACCUMULATIVE CAPITAL $500,000.

PARENT OFFICE, NO. 46 CAMP ST.,
New Orleans.

THIS COMPANY is now ready to make Insurance on White Persons and Slaves, at their established rates of premium. This being the only company incorporated in the State confined exclusively to Life Insurance, with an extra Guarantee Fund, the Directors feel confident that it affords unusual and much greater inducements to those desirous of effecting an Insurance on their lives than any other.

It is also upon the Mutual principle; each person assured becoming a member thereof and enjoying a portion of its profits, being entirely exempt from any liability beyond the amount of premium accrued.

Insurance companies organized upon the mutual principle are generally successful, more especially those exclusively confined to Life, as they are based upon calculations warranted correct by long experience and close scrutiny; but the stability and success of this Company is placed beyond a contingency, by the advantageous arrangement she has made for an undoubted guarantee fund of 50,000 dollars, not to be used or lessened, as subscriptions to mutual insurance companies always are, by insurance.

This extra guarantee fund of 50,000 dollars remains permanent until the Company has accumulated a sum at amount to take its place.

☞ California permits granted, and extensive travelling privileges allowed.

MEDICAL.

BULL'S SARSAPARILLA

Is put up in full quart bottles, and contains the strength of SIX TIMES as much pure Honduras Sarsaparilla as any similar preparation made in America.

☞ Price $1 per bottle, or six bottles for $5.

IT HAS been a well established fact for years past that Sarsaparilla, when pure and properly prepared, was the only true panacea for all diseases originating from an impure state of the blood, the use of mercury, intoxicating drinks, evil habits in youth, barrenness, &c. We boldly assert that JOHN BULL'S FLUID EXTRACT OF SARSAPARILLA is the only preparation before the public that is prepared on strictly scientific principles and of uniform strength. The Sarsaparilla is purchased without regard to price, and every pound, before being used, is subject to the strictest chemical tests, and its genuineness ascertained before being used.

Bull's Sarsaparilla also contains the virtues of several other valuable medical roots, together forming the best compound and producing the *greatest curative agent in the known world!*

THIS MEDICINE

WHEN USED ACCORDING TO DIRECTIONS,

Will Cure Without Fail!

Scrofula, or King's Evil, Cancers, Tumors, Eruptions of the Skin, Erysipelas, Chronic Sore Eyes, Ringworm, or Tetters, Rheumatism, Scald Head, Pains in the Bones or Joints, Old Sores and Ulcers, Swelling of the Gland, Syphilis, Dyspepsia, Salt Rheum, Diseases of the Kidneys, Diseases arising from the use of Mercury, Loss of Appetite, Pain in the Side and Shoulders, General Debility, Lumbago, Dropsy, Jaundice, Costiveness, Sore Throat, Bronchitis, Coughs, Colds, Weakness of the Chest, Pulmonary Affections, and all other diseases tending to produce CONSUMPTION, Liver Complaint, Female Irregularities and Complaints, Low Spirits, Sick and Nervous Headache, Night Sweats, Exposures or Imprudence in life, Chronic Constitutional Diseases, and is a Spring and Summer drink and general Tonic for the system and a gentle and pleasant purgative; it is superior to Blue Lick or Congress Water, Salts, or Seidlitz Powders.

GOOD TESTIMONY.

The Ohio State Journal, (Columbus, Ohio,) thus speaks of Bull's Sarsaparilla:

IT HAS NO EQUAL!—The unprecedented sale of Bull's Compound Fluid Extract of Sarsaparilla, in this city, where it has been introduced for the past two months only, with the very gratifying effects produced upon all who have tried it, warrant the assertion that as a purifier of the blood IT HAS NO EQUAL! This is a bold assertion, but it can be substantiated by calling on the agent in this city.

☞ Bear with us reader a little longer, and be convinced that BULL'S SARSAPARILLA is the WONDER OF THE WORLD!

And that it will cure you no matter how long you have been suffering.

What Dr. Owen, Druggist and Apothecary of several years standing, says about BULL'S SARSAPARILLA:

LOUISVILLE, May 31, 1848.

Mr. JOHN BULL—Dear Sir: I have been for a number of years afflicted with a Mercurial Headache, and a dull heavy pain in my liver. I used almost all the remedies of the day, especially the Sarsaparilla prepared by different persons, but all to little or no advantage, until I chanced to meet with yours, three bottles of which gave me more relief, than all the others combined.

I therefore take pleasure in recommending your sarsaparilla to the afflicted community as a superior article. Very respectfully,
J. H. OWEN.

RHEUMATISM

Let all those who are suffering under the agonizing tortures of Rheumatism, read the following, and see what may also be done for them, if they will use the infallible remedy.

Mr. JOHN BULL—Dear Sir: For the last three years I have been afflicted with Rheumatism of the severest character. I was at times in the greatest agony of pain—I tried every remedy I could procure for the disease, but found no permanent relief until I was induced to use your preparation of Sarsaparilla, which has entirely cured me of Rheumatism, and greatly improved my general health more than any medicine I have ever used.

I have been free of pain for several months, and have no doubt the cure is permanent, and I confidently recommend it as being the best medicine in use for this complaint.
ISHAM BRIGGS.
Uniontown, Union Co., Ky. May 12, 1848.

From Dr. WM. T. PRENTISS.

Mr. BULL—In regard to your sarsaparilla I will say that I have used it to some extent in Cutaneous Affections of long standing as Tinea Capitis, Lepra, Psoriasis, [illegible] and in all diseases where the indication is to produce a [illegible] change or modification of the fluids of the body, with considerable success [illegible] I think I would prefer it to any preparation of sarsaparilla in use, and any physician will admit its value upon learning the substances that enter into its composition.
Respectfully yours, W. T. PRENTISS, M. D.
Lewisport, Ky., Dec. 4, 1847.

It is perhaps unnecessary to produce any further testimony in favor of this great remedy. [illegible] to be tried and proved to convince the public of its superior efficacy. Let all who are laboring under chronic diseases, general derangement, nervous debility, weakness, the effects of mercury, or any thing of the kind, give it a fair trial. [illegible]

NOTICE TO FEMALES.

John Bull's Sarsaparilla is one of the greatest Female Medicines in existence. [illegible]

A BEAUTIFUL CLEAR SKIN.

How we all admire a clear beautiful white skin, and a rosy colored cheek. [illegible]

BETTER TESTIMONY.

Than was ever offered Mr. [illegible] From Dr. James M. Moore.

Mr. JOHN BULL—I have no hesitation in saying that I believe your Sarsaparilla to be the best article ever manufactured for the cure of Scrofula, Syphilis, and many other cutaneous and Glandular Affections, having used it with entire success in a number of the above cases. JAS. M. MOORE.
Louisville, Dec. 20, 1847.

Moore testimony from Dr. Moore.

Mr. JOHN BULL—I am using your Sarsaparilla in several new cases of Scrofula, and with happy effect. I am now confident it is one of the most efficacious medicines that can be made for this disease.
Yours, JAS. M. MOORE, M. D.
Winchester, Ky., February 1, 1848.

Testimony like the following renders superfluous all further comments upon the efficacy of Bull's Sarsaparilla.

From Dr. L. P. Yandell, Professor of Chemistry in the Louisville Medical College.

"I have looked over the list of ingredients composing of John Bull's Compound Extract of Sarsaparilla, and have no hesitation in saying that they form a safe compound, and one that promises well in Chronic diseases, to which it is applicable.
L. P. YANDELL, M. D.
Louisville, June 6, 1848.

What Dr. Pyles, Physician, by appointment, to the Louisville Marine Hospital, says of Bull's Sarsaparilla:

LOUISVILLE, March 30, 1849.

I have examined the prescription for the preparation of John Bull's Sarsaparilla, and believe the combination to be an excellent one, and well calculated to produce an alterative impression on the system. I have used it both in public and private practice, and think it the best article of Sarsaparilla in use.
M. PYLES, M. D.,
Resident Physician, Louisville Marine Hospital.

[From the People's Journal, Quincy, Ill.]

BULL'S SARSAPARILLA—We have used one bottle of this Sarsaparilla for general debility and lumbago, and believe we have experienced entire relief. We used in time gone by two bottles of S. P. Townsend's Sarsaparilla, for which we paid $2 50, and believe we received injury instead of benefit for its use.

This medicine is daily grappling with disease, through the Western country, restoring to blooming health and youthful vigor, the sick and afflicted—nay, those that are grievously tormented. Certificates are teeming from all directions, from men of truth and high moral standing, placing it, from its intrinsic worth, the very best of all remedies before the public.

Sold wholesale and retail by JOHN BULL, at his principal office, 81 Fourth street, Louisville, Ky., and by the Druggists generally in the city and country.

ST. LOUIS' INSTITUTION.

DIRECTED BY MADAME DERON.

BOARDING AND DAY SCHOOL, FOR YOUNG LADIES.

(Years 1850—'51.)

No. 145 St. Louis st. between Dauphin & Burgundy.

THIS Institution, founded nearly twelve years ago, combines every material, moral, and intellectual advantage. Madame Deron, formerly a pupil and governess in the "Institut de la Legion d'Honneur," (Maison St. Denis,) has founded her Seminary, as much as possible, on the model of that great establishment, as well as on the plan of the first Northern Academies.

The situation of St. Louis' Institution is one of the most agreeable and salubrious in town. The whole locality, including dormitories, class and study rooms, and play grounds, being very spacious and airy, and overlooking several gardens, is in so healthy a position, that not a single pupil has experienced the least serious illness.

The plan of instruction both in French and English embraces all the literary and scientific branches of a finished education.

The study of English is the object of particular attention. Madame Deron is scrupulously careful that the creole Young Ladies should devote more time to the study of the English language and literature than to any other branch. Mr. Orton, a professor well known in New Orleans, continues his course of lessons every day. Two English governesses residing in the establishment, preside over the elementary classes, and contribute to the progress of the pupils by the continual use of that language in all the relations of ordinary life.

With respect to the study of French, besides the lessons of able professors and governesses, M. and Madame Deron themselves instruct in the different branches, and are thus enabled by their personal efforts to insure the solidity and rapidity of the progress of their pupils.

The department of Music, including the piano, harp and singing, is under the direction of Madame Lavillebeuvre, an excellent music mistress, who formerly gave lessons in St. Louis' Institution, and who is now especially attached to the establishment. This young and talented lady, so justly classed at the head of the artistic celebrities of Louisiana, secures to the study of Music in Madame Deron's Academy a marked superiority. No mistress can better join example to precept, and this is often the secret of the scholar's advancement. A musical examination taking place every month is intended to prove the rapid and brilliant progress of Madame Lavillebeuvre's pupils.

Religious and moral instruction, which is the basis of every really good education, has received greater developments than in any other Boarding School in the city. Madame Deron herself superintends the religious exercises of the Catholic pupils, and M. l'Abbe Thokomier prepares them for their first communion, and for confirmation by giving religious instruction several times every week in the Chapel of St. Louis' Institution. o4

New Orleans Female Institute.

OR DAY AND BOARDING SCHOOL FOR YOUNG LADIES.

At No. 252 Camp street.

CONDUCTED BY DR. AND MRS MACAULAY.

THIS Institution is under the personal supervision of Mrs. Macaulay; the advanced classes in the literary and scientific departments are taught by Dr. Macaulay, assisted by another gentleman. To give instruction in the French, Spanish and Italian languages, in Drawing, Painting, Vocal and Instrumental Music, the most accomplished professors are employed.

The school is arranged so as to make it both an English and a French school, and to some of the pupils to conduct their progress through a substantial and systematic course of studies, affording at the same time a progressive knowledge and a progressive discipline of the heart as well as the mind. For the instruction of pupils of every age and grade of intellectual culture, ample arrangements have been made. No efforts will be wanting to promote the improvement of the pupils, and young ladies received into the family will share in the enjoyments, privileges and attentions of daughters.

The play-ground and dormitories are large, dry and secluded from public views, and references, when required, will be made to parents who have had their daughters at the Institution for years.

A course of lectures on History and Biography will be delivered to the advanced classes by Dr. Macaulay during winter and to aid the pupils in understanding the lectures on scientific subjects, the school is furnished with the requisite apparatus.

For further information application may be made personally or by letter.

P. S. To enable DR. MACAULAY to give an undivided attention to the duties of the Institute he will retire from teaching at Madame DESRAYAUX'S. s3 6m
