NORTH AMERICAN HOTEL

THE subscriber has the honor of informing the public, that this establishment, which will soon be completed, will be opened in few days for the reception of boarders and lodgers. The Hotel is situated at the corner of Bienville and Levee streets, in the middle of the crescent, along which New Orleans is built, and commands a beautiful view of both sides of the city and of Mississippi, which during the business season is crowded with masts, and enlivened by the arrival and departure of hundreds of steamboats. No expense will be spared in fitting up the establishment, and rendering it worthy of the public patronage. There are two stair cases—one for general use, the other or private families. Elegant furniture has been ordered; and every thing necessary to render the Hotel convenient and comfortable, will be prepared.

From its central position, it will be desirable for persons engaged in business; and from the prospect it commands, to every one of taste. Travellers and private families will be accommodated with the greatest care. Tables will be furnished in the best style.

The best wines and liquors, of every denomination, will always be kept on hand for those who may call for them.

The subscriber assures the public that no pains will be wanting on his part to render the establishment comfortable, and to give satisfaction to all: he therefore respectfully solicits a share of their patronage.

CELEBRATED CASTILLON POWDER.

THE widow Cathy of Philadelphia, proprietor of all the receipts of the late doctor Castillon of Cape François, has made our apothecary store a place of deposit for Doctor's Castillon's celebrated anti-scorbutick and restorative powders. The Gentleman was formerly King's Surgeon in St Domingo. We appointed by the proprietor agents for the sale of his receipts in this city.

These specifics have constantly succeeded in all parts of the Island of St. Domingo; they will cure the scurvy of all diseases originated from Scorbutick vices, diarrhea, dyssentery, tenesmus, hooters, colic, intermittent and continual fevers, obstructions of the liver and of the spleen—the diarrhea most inveterate, dyssenterie and tenesmus, originating from the measles and the malignant small pox and those diseases consequent to childbirths and pregnancies.—The powder mixed with milk produces a very pleasant and nutritive pap—destroys all the putrid humors in the stomach and intestines—restores digestion and all secretions by purifying the blood of all scorbutick causes.

The length of the time necessary to get cured varies from 20 to 30 or 40 days, according to the antecedents or malignity of the disease—these specific remedies are to be found constantly at our apothecary shop, where a summary of all the extraordinary cures that were effected by these remedies are published. The public will find it very advantageous to use them as they may cure themselves to the directions given with the remedies.

Opiat Balsamique du docteur Guerrero.

CET opiat, nouvelle découverte, est un remède convenable et infaillible dans la maladie appelée Gonorrhée ou Coulante. Sa réputation est établie dans toute l'Amérique du Sud, et des témoignages des savans fameux de médecine de cette partie du globe attestent les prompts et infaillibles résultats de ce remède dans tous les cas de Gonorrhée.

Cet opiat balsamique est contenu dans des petits pots de plomb, avec une instruction sur la manière d'en faire usage. Il peut être facilement porté dans la poche soit par les personnes en voyage, soit par celles qui ne veulent pas faire connaitre leur situation à un médecin ou à leurs amis.

Comodiement est sous la forme d'une pâte agréable, et se prend d'autant plus aisément qu'on n'y trouve aucun goût, puisqu'il se trouve enveloppé dans une capsée de papier cachetée préparé à cet effet, et dont on délivrera toujours, avec le médicament, une garantie suffisante. Mais ses plus grands avantages sont de produire constamment et en très peu de temps une guérison infaillible, sans attaquer le tempérament le plus délicat, car le remède ne contient pas la moindre portion de mercure.

Avant d'offrir cet opiat au public, l'agent en a fait constater l'efficacité par plusieurs des plus célèbres médecins de New York. Le succès qu'il ont constamment obtenu par son usage les ont engagé à déclarer que c'est le meilleur remède qu'ils aient jamais employé et ils ont généreusement consenti à répondre de la vérité de ces assertions.

PRIX—$1 50 le pot, à vendre chez les soussignés pharmaciens droguistes, seuls agents de ce remède dans l'Etat de la Louisiane.

OPIATA BALSAMICA
DEL DR. GUERRERO.

THIS OPIATA, a recent discovery, is a certain safe and convenient remedy for that species of disease called Gomorrhoea or Gleet. Its reputation has been generally established in South America, and has commanded the written testimonials of the Medical Faculty of that section of the Globe, relative to the speedy and infallible results which have attended its application to all cases of Gomorrhoea.

The OPIATA BALSAMICA is put up in small leaden pots, accompanied with directions, and may be conveniently carried in the pocket, both by persons travelling, and by those who may wish to avoid exposure, either to a physician or to their friends.

It is in the form of an agreeable paste, and is taken in such a manner as to render it "tasteless," by being wrapped up in a wafer prepared for that purpose, a sufficient number of which will be delivered with the medicine. But the greatest advantage which it possesses, is, that it invariably produces a radical cure of the disease in a few days, without affecting the most delicate constitution, owing to its containing the slightest particle of mercury in its composition.

Before the Agent would offer it to the public in this country, he has had its efficacy tested by several of the most respectable physicians in the city of New York. Their success has fully justified the declaration, that it is the best medicine they ever used, and they have in consequence, generously consented to be referred to as to the truth of this statement.

Price—each pot, one dollar and a half. It is sold by the subscribers, chemical druggists, sole agents for the remedy in Louisiana. CUSACH & Co.

NOTICE.

TO LET.—A splendid Hotel, situated in Chartres street, in the vicinity of the Exchange, in a central point of the population and business, about one square only distant from the river and the steamboat landing.

This establishment, lately occupied by Madam Fox, and neglected by the proprietors, will undergo a thorough repair, and receive an addition of several rooms. When completed, it will offer one of the most suitable retreats to respectable families.

Proposals for the renting of the establishment will be received until the 20th October next, but no one need apply unless able to furnish the best securities that they have the necessary capacities to be at the head of a respectable Hotel.

Apply by letter at the office of the Improvements Company, in the said Hotel, at No 151 Chartres street.

sept 18 J. H. RABOTEAU, Secretary.

The Nashville Banner, Louisville Journal, and Cincinnati Gazette, will please insert the above once a week three times, and forward their bills to the Improvement Company, New Orleans.

COAL TAR.—Planters, builders ship and steamboat masters, can now supply themselves with the useful article at 12 1-2 cents per gallon, by application at the Gas Office, Bank Alley.

The many successful experiments of the coal tar have rendered to those acquainted with its valuable properties, an indispensable article for preservation of fence timber, wooden roofs, &c. Mixed with sharp sand and lime, it makes a most excellent cement for tile roofs, covering them from leakage. The extremely low price at which it is now furnished should induce any planter, ship masters and builders, to have a constant supply. oct 2

BANK OF KENTUCKY.—The stockholders of said institution residing in this city are hereby notified that the first instalment of ten dollars per share will be payable on the 1st day of October next, and will be received and receipted for at the Commercial Bank of New Orleans.
