Sec. 4. *Be it further enacted*, That the owners of real estate situated in the State of Louisiana, and who are citizens thereof, shall be the only persons entitled to subscribe, and shares so subscribed, shall be transferable only to such owners until after four years, when they shall be transferable to any owner of real estate in this state, whether citizen or not, provided, however, that to secure the capital or interest of said bank, mortgage shall be given to the amount of four millions of dollars on property situated in the city of New Orleans and its suburbs.

Sec. 8. *Be it further enacted, &c.* That to secure the payment of the capital and interest of said bonds, the subscribers shall be bound to give mortgage to the satisfaction of the directors on property to be in all cases at least equal to the amount of their respective stock which mortgages may bear on cultivated lands and slaves, on lots with houses or other edifices yielding a revenue. That the said mortgages may also be created on lands not cultivated but susceptible of cultivation, and on vacant lots; Provided, that no more than one fifth of the stock of each stockholder may be offered by mortgage on unimproved lands not included in any plantation, and on vacant lots in the city and suburbs of New Orleans. No mortgage on slaves alone shall be received. That when a mortgage shall be offered on lands and slaves the value of the land shall be equal to least two thirds of the stock for which the mortgage shall be given. That houses and other buildings mortgaged to the bank, shall always be insured against the risk of fire, and the policy of insurance transferred to the said institution, but it shall not be necessary to insure buildings on plantations.

That property already mortgaged may be received as guarantee; Provided, that the direction shall first deduct from the whole value of the property at least twice the amount of said mortgages, and then grant such only on the excess remaining after such deduction; Provided, however, the mortgage existing on said property shall not prevent the bank of said bank from receiving them as security for stock when the sum to be loaned is to be employed in the extinguishment of said mortgages.

SALES AT AUCTION.

BY ISAAC L. McCOY.

ON Saturday, the 5th of May, at 12 o'clock, at the Exchange coffee house, will be sold, 71 LOTS OF GROUND, situated in Elkinsburgh, on the borders of Lake Ponchartrain, and nearly adjoining the site of Fort St. John on the one side, and the entrance of the new Canal into Lake Ponchartrain on the other. They measure each from 50 to 60 feet front and are of various depths, some equal to about 270 feet, as will more fully appear from the plan thereof, now exhibited at the Exchange coffee house; 47 of said Lots front on Lake Ponchartrain, and will be sold with a right to the purchaser of all the additional ground, which may be made or accumulate in front. Their situation renders them particularly desirable for gardens and country seats, bordering as they do on the Lake, they possess a salubrity of air not to be found in any other section of the state. The Lake itself affords a beautiful and constant supply of fish of every description; add to which the great and expensive improvements lately made on the Bayou road; the facility of constant and easy communication with the city, and their proximity to the entrance of the New Canal into Lake Pontchartrain, cannot but add greatly to their value, and render them a desirable object of investment for small capitalists, as well as for the more wealthy, who may wish to live at their ease in retirement, and at the same time enjoy all the advantages, without any of the inconveniencies of a city life. Terms, one sixth cash, and the balance in one year, secured by mortgage without endorsement. ap 30
