WHOLESALE and RETAIL PRICE LIST,NOVEMBER 1ST 1929.

NEW PRICE LIST with additional varieties and bulblets will be issued Jan.1930, and sent to those requesting it.

RETAIL PRICES are those quoted on bulbs in lots of 1 or 10 and are sent PREPAID.

WHOLESALE PRICES are those quoted in lots of 100 or 1000 and are F.O.B. TOLEDO.

BULBS were all treated with Corrosive Sublimate solution before planting and have been planted on virgin sandy soil each year for the past six years.

GUARANTEE. If any of these bulbs are not satisfactory when received return them at once and we will pay charges both ways.

MINIMUM orders are $1.00

25% will hold your order until Apr.1st,1930,when they will be sent C.O.D. for balance. No orders are sent C.O.D. unless Express charges are advanced or 25% paid.

SUBSTITUTIONS. We do not substitute varieties. Make a few 2nd choice if you wish so that your order may be filled promptly in case we are out of certain varieties. We will substitute the next size to the one you order in case we are out of one ordered unless you request us not to do so. Of course prices are adjusted.

PLEASE list varieties alphabetically in large orders. All orders are filled in rotation and are accepted subject to prior sales at time of filling order.

IMPORTANT. Some Growers are listing bulbs at retail in only 3 sizes. Large (L), Medium(M),and Small(S). Some call size 1 large,while others list size 1 & 2 as large and quite a number this year call 1,2 & 3 large. We will use the STANDARD COMMERCIAL sizes only. If you get a low price on"Large"from a grower listing 3 as large then compare it with our size 3 instead of our size 1. A free hand grader is sent out with each of our orders this year.

REMEMBER 5 bulbs are sold at 10 rate,25 at 100 rate and 250 at 1000 rate. Bulblets are sold in quantities as listed only.
