Dr. Engelmann
St. Louis

Dear Sir

Your letter reaches me at the time just when the first or second edition was printed and I am sorrow to say a few days after was lost and could not be found anywhere although search was made several times. I therefore now beg you to give me another drawing of those seeds you want to be changed this I may do so before I commence the printing of the house report. Please make the drawing as perfect as possible in the same scale and send it immediately, all

The other plates are nearly done
after the change I will print
your number of impressions
immediately.

Very respectfully yr
