DR. VITAL FONDADOUZE, begs the honor to inform the public, his numerous acquaintances, and particularly those friends who may desire to see him, whether for consultations or to attend to the sick, or any other business, that he is permanently located in this city, at No 340 Bourbon st Between Ursuline and Hospital.

His studies as a physician in the best medical colleges, his practice in the hospitals, his numerous patients in Louisiana and the great cures he has recently performed with many other advantages which he might adduce, should secure him the confidence of the community, who by rewarding his support, will have the opportunity of judging that he has always practised his profession with that prudence which should characterize the observing practitioner of the modern school of philology. may 13
