INVENTORY

OF

LOOTED MACHINERY

(1 JULY 1948)

This inventory was compiled from Japanese Government records of looted machinery.

Table of Contents

Section A	Reported by the Japanese Government as having been looted from	China
Section B	" " " " "	Hong Kong
Section C	" " " " "	French Indo-China
Section D	" " " " "	Unknown area

Column one contains the CPC No. assigned to the machine

" two " " former reparations code No. assigned to the machine

" three " " name of the machine

" four " " manufacturer, manufacturers' agent or serial No. of machine, if known

" five " " condition of the machine, if known
Class (1) usable condition with major servicing; Class (2) needs repairs; Class (3) needs major repairs and parts; Class (4) scrap

" six " " physical location of the machinery

" seven is for remarks of any nature

* or # indicates that only the part of the machine listed is looted
