MEMORANDUM FOR: The Board of Trade (Boeki Cho),
Ministry of Commerce and Industry, Tokyo

SUBJECT: Release of Raw Cotton for Production of Cotton Fabrics Samples for Export.

1. Pursuant to paragraph 6 of Memorandum for the Japanese Government, from General Headquarters, Supreme Commander for the Allied Powers, AG 334 (3 Apr 46) ESS/IE (SCAPIN 854) dated 3 April 1946, subject: Board of Trade (Boeki Cho), the Board of Trade is directed to release the following quantities and marks of cotton for the production of piece goods for making samples for export:

Egyptian cotton ex - S/S G. Westinghouse	
Giza 7 FG 1/4 -	5 bales
Upland cotton ex - S/S Richard Randall	
SLM 15/16"-	1
SLM 7/8"-	2
LM 13/16"-	2
BMsp 13/16"-	1
Total	11 bales

2. Reference is made to the application dated 11 June 1947 submitted for the release of this cotton. Previously released cotton for export use will be used to mix with these 11 bales to obtain a desirable blend so as to facilitate yarn spinning.

3. The production schedule dated 11 June 1947, will be carried out, and samples will be presented for approval of General Headquarters, Supreme Commander for the Allied Powers upon partial accomplishment of this schedule.

4. Control over the distribution of this raw cotton will be exercised by the Textile Bureau of the Ministry of Commerce and Industry. All controls, regulations and limitations applicable to the processing of CCC Group I cotton for export production, are in effect covering this lot of released cotton.

Pursuant to paragraph 6 of Memorandum for the Japanese Government from General Headquarters, Supreme Commander for the Allied Powers, AG 334 (3 Apr 46) FSS/IF (SCAPIN 854), dated 3 April 1946, subject: Board of Trade (Boeki Cho), Boeki Cho is directed to take delivery or cause delivery to be taken in its name and for its account of approximately 89 long tons of crude rubber from on board the SS Maron, estimated date of arrival 15 June 1947, at the port of Kobe.

2. Quantitative receipts in quintuplicate (5 copies) showing the total quantity of crude rubber manifested and received from the above vessel will be signed and sealed by the officially designated agency of Boeki Cho in the proper space provided in the receipt. A survey report of quality will be prepared in quintuplicate (5 copies) by a competent agency appointed by Boeki Cho. This survey report will contain a complete qualitative description of the crude rubber listing quantities and grades received and stating any additional information relating to the quality description of the cargo.

3. These receipts will be submitted for each shipment to the Commanding Officer, Local Military Government Unit, at port of discharge.

4. Boeki Cho will transfer by sale to such agency, agencies or individuals as may be designated by the appropriate Bureau of the Ministry of Commerce and Industry, the crude rubber imported in accordance with these instructions.

5. A monthly report of the allocation and consumption of imported rubber will be made to the Supreme Commander for the Allied Powers on the fifteenth day of each month. This report will contain information as to quantities by grades allocated, stating the rubber products manufactured.

6. These instructions shall be in effect with respect to all deliveries of crude rubber taken by Boeki Cho until further notice.

MEMORANDUM FOR: The Board of Trade (Boeki Cho), Ministry of Commerce and Industry.

SUBJECT: Raw Cotton Imports.

1. The Board of Trade (Boeki Cho) will take delivery, or cause delivery to be taken in its name and for its account of one shipload of raw cotton from on board the undermentioned vessel.

VESSEL	NO. OF BALES	WEIGHT	PORT	ETA
THOMAS U. WALTER	13,396	6,972,832	Kobe	19 Jun 47

2. Delivery will be taken in accordance with Memorandum for the Imperial Japanese Government from General Headquarters, Supreme Commander for the Allied Powers, AG 334 (3 April 46) ESS/IE, dated 3 April 1946, subject: Board of Trade, (Boeki Cho).

3. Upon delivery by the Supreme Commander for the Allied Powers to the Board of Trade (Boeki Cho) of the duly endorsed bill of lading for the cargo, a formal receipt in quintuplicate (5 copies) for the raw cotton covered by each bill of lading, prepared in the prescribed form, will be signed and sealed by the Board of Trade (Boeki Cho) and its representative and submitted to the Supreme Commander for the Allied Powers. Properly endorsed ocean bills of lading will be surrendered to the U. S. Maritime Commission at port of arrival in exchange for appropriate delivery orders for the cargo.

4. Receipts in quintuplicate (5 copies), showing the total number of bales of cotton actually discharged and delivered from the above mentioned vessel will be signed and sealed by an authorized representative of the Board of Trade (Boeki Cho).

5. The Board of Trade (Boeki Cho) will provide for the handling, protection and insurance of this cotton against all insurable losses from time of taking delivery until further notice.

6. This cotton is to be moved immediately from the port of arrival and stored wherever suitable, as the property of the Board of Trade (Boeki Cho). No further disposition is to be made without specific authorization.

7. The Board of Trade (Boeki Cho) will submit as soon as possible, a complete statement of the points of storage of this cotton, showing quantities and marks of the cotton at each point, as well as the name of the custodian thereof.
