Such as

Costiveness, Flatulence,

Dullness of Blood to the
Head, Acidity of the Stomach,
Nausea, Heartburn, Disgust for food,
Fulness or Weight in the Stomach, Sour Eructations, Sinking of or Pain at the Pit of the Stomach,

Chills and Fevers, Dim Vision, Dots or Webs before the Eyes, Fever and Dull Pain in the Head, Deficiency of Perspiration, Yellowness of the Skin and Eyes, Pain in the Side, Back, Chest, Limbs, &c, Sudden Flushes of Heat, Burning in the Flesh, Constant Imaginings of Evil, and great Depression of Spirits, can be effectually cured by a proper application of these remedies. In the use of these Bitters no change of diet is necessary, as they are entirely vegetable and perfectly harmless, and adapted to the most delicate constitution, which is recommended to the care of the sick and suffering invalid, but one that has stood the test of a ten years' trial before the American people, and the reputation and sale is unrivalled by any other medicine of the same class. The testimony of many given by the most prominent and wide known men of this and other countries, in all parts of the country, numerous, and a careful perusal of the Almanac, published annually by the proprietor, and to be had gratis of all his agents, cannot but satisfy the most skeptical that this remedy is really deserving the great celebrity it has obtained.
