RANAWAY from her master, since the 20th of November last the negro wench name EUPHROSINE, age about 22 years. Over 5 inches in height, she absconded with her child Robert, 3 years old—said wench has a little black spot on one of her hands; she has been selling cakes near the plantation of Theodore Macarty. The above reward will be given to whoever will bring her to a jail in this state.

THE STUDY OF YEARS Reduced to AS MANY HOURS.

TERMS REDUCED TO ONE HALF,

And positively limited to the 28th of April for receiving new pupils!

W. C. DUHERTIS, finishing writing master and teacher of short hand in six lessons, Academy 45 Camp st, corner of Gravier street, New Orleans. Such as you, ladies and gentlemen, who have not hitherto applied, but are desirous of following the good example of many of your talented neighbors, that is, of becoming elegant and finished writers in the short course of six lessons, or six hours—are respectfully invited to make immediate application. Short hand taught in six lessons.

☞ With an express desire of having my terms come within the reach of almost every person who should feel anxious to avail themselves of my instruction, I have for that purpose reduced the usual charge of $17 50 to $8 75 for the remainder of my stay as above specified. Thus, it is presumed, that those who are disposed to become fine writers, will regard this as a most propitious opportunity, because high terms and a repetition of these systems of "Auld Lang Syne," are not to be considered, by any means, as prevailing obstacles in the attainment of splendid penmanship. W. C. D.

Respected Pupils.—The day being now nearly arrived which I have fixed for my departure, I would express the pleasure of appearing among you again but that my intended return to London deprives me of that honor, and thinner shall I carry, and ever cherish in my bosom, the deep sense I at present entertain of the gratitude and popularity given me, and every other testimony of respect by a discerning public. For me to express my feelings now on the occasion, would only tend to imply by an estimate of the manner in which I could describe. In the words of the Psalmist it is said that "out of the fulness of the heart the mouth speaketh," but the fulness of the heart under which I labor, only places a seal upon my lips. Meantime, I pray you, Ladies and gentlemen, to accept the assurances of my most sincere esteem and respect and believe me,

Yours faithful servant,
WM. C. DUHERTIS.

☞ Pupils received day and evening. Ladies on their respective days as usual.

☞ All bills charged to my account, I hereby give notice to have them presented at my office, corner of Camp and Gravier sts. previous to the 28th Ap il, that the same may be discharged accordingly. april 8 W. C. D.
