ODONTALGIC EXTRACT.
B. F. SMITH,
No. 110 St. Charles street,

CONTINUES to relieve the most violent TOOTHACHE in a few moments, and at the same time entirely destroy the nerve in less than 24 hours POSITIVELY without pain. The public should be aware, however, that this remedy is not offered as a UNIVERSAL PANACEA, it being only successful when the pain proceeds from an exposure of the internal membrane of nerve.

For the truth of the above statement, the sceptical are referred to the following highly respectable gentlemen, most of whom can speak from their own experience.

Rev. W. A. Scott,	Dr. W. H. Teagarden
J. W. Stanton,	L. E. Generelly,
C. P. Young,	G. W. Tobin,
E. Morton Quirk,	W. H. Wheaton,
H. Williams,	W. G. Latham,
E. B. Orsborne,	D. Flannery,
H. Page,	L. Morehead,
	W. Pigeon.

By first destroying the nerve with this remedy, the excruciating pain frequently caused by inserting pivot teeth upon the old method, is entirely avoided.
All other operations carefully performed.

SPECIFIC AGAINST YELLOW FEVER.

NO physician doubts at present that there is but one sort of sickness denominated essential fever, from the mild intermittent to the most malignant fever, the yellow fever and the plague; they are inflammations of the mucous membrane of the digestive organs, with all the complications and modifications which for a long time have hidden their real character, and promoted them as a group of particular fevers, which hastened to their graves the seven-eighths of those who had the misfortune of catching the infection; and now that their nature, their causes, their symptoms are better known, numberless is still the catalogue of their victims. I will not attempt a further description of those diseases, but ten years experience constantly crowned with success, has convinced me of the efficacy of the specific against yellow fever, I offer it to the public from the implicit confidence of its superiority over any other sort of medicine.

DOCTOR MARCHAND'S office is in Bourbon street, corner of St. Louis, where he will be from day-light to 9 o'clock, and from 12 to 3. He will also attend to the cure of secret diseases in all their degrees. He treats and cures in two minutes the tooth-ache, considered as a disease of the Periostè, without surgical operation or pain.
