COMMANDER NAVAL FORCES, FAR EAST
NAVY No. 1165
F.P.O. SAN FRANCISCO, CALIF.

80-1e

3 August 1950

From: Commander Naval Forces, Far East
To: Maritime Safety Agency, Fairway Safety Office
Via: Ministry of Foreign Affairs
(Attn: Liaison Bureau)

Subj: Disposal of explosives and explosive ordnance resulting from wartime operations

Ref: (a) SCAPIN 2077 of 6 Feb 1950 to Japanese Government
(b) MSA ltr FSO/E2 ser 40 of 20 July 1950 to ComNav FE
(c) SCAPIN 687-A of 12 Sept 1949 to Japanese Government
(d) SCAPIN 7163 of 6 May 1950 to Japanese Government
(e) CG 8th Army ltr AGGM 400.93 of 20 July 1949 to Japanese Government

1. In accordance with provisions of reference (a), the Maritime Safety Agency, Fairway Safety Office submitted a plan in which demolition and/or salvage operations are to be conducted on explosives and explosive ordnance resulted from wartime operations and located at sea, in harbors, channels, and on beaches below the high water-mark within the territorial waters of Japan.

2. The plan contained in reference (b) is hereby approved with the provisions as specified in the following paragraphs.

3. The Maritime Safety Agency, Fairway Safety Office will be responsible for disposal of subject explosives, such as mines and topedoes, presenting and immediate danger to the safety of the public and property, or a menace to navigation. This function will be classified as follows:

a. Emergency disposal of subject explosives.
In case the presence of mines and torpedoes will produce an imminent danger, the Maritime Safety Agency, Fairway Safety Office is authorized to destroy such explosive without prior approval from Commander Naval Forces, Far East. When such emergency action is taken, the Maritime Safety Agency, Fairway Safety Office is directed to report immediately to Commander Naval Forces, Far East, stating full particulars of the demolition operations.

b. Ordinary disposal of subject explosives.
In case the present condition of mines and toppedoes does not produce an immediate hazard, the Maritime Safety Agency, Fairway Safety Office is directed to submit to Commander Naval Forces, Far East for approval of a demolition plan, stating type, description, location, condition, and origin of such explosives.

4. As specified in reference (a), and in order to accelerate disposal of such explosives mentioned in paragraph (3) above, the Maritime Safety Agency,

DECLASSIFIED E.O. 12065 SECTION 3-402/NNDG NO. 175013

Fairway Safety Office may include in the above application an adequate request for technical and material assistance from Commander Naval Forces, Far East.

5. It is directed that, in execution of demolition operations mentioned in paragraph (3) above, safety precautions as specified by the Japanese Regulations will be steictly observed.

6. The Maritime Safety Agency, Fairway Safety Office shall exercise a surveillance over enforcement of safety regulations and precautions during the commercial salvage of critical materials from the dumped ammunitions at sea.

7. In the case of above commercial salvage, the Maritime Safety Agency, Fairway Safety Office is directed to submit an application to Commander Naval Forces, Far East for approval, containing the following information:

a. Location and amount of ammunitions to be salvaged.

b. Type and complete description of ammunitions.

c. Name of Salvage operator.

d. Name, tonnage, and port of registry of salvage boat.

e. Estimated duration of salvage operations.

f. Estimated amount of critical material to be salvaged.

8. In conducting the above commercial salvage of ammunitions the following provisions shall be strictly adhered to:

a. Japanese Government Safety Regulations in handling explosives will be observed, and safety precautions as specified in paragraph (9) below will apply.

b. Under no circumstances shall any explosive elements be brought ashore.

c. Critical materials salvaged are to be diposed of in accordance with Japanese Government regulations.

d. As directed by references (c) and (d), when salvage operations are completed, a report will be submitted to Supreme Commander for the Allied Powers, with copy to Commander Naval Forces, Far East, showing the quantity and kind of materials salvaged, the cost of salvage operations and the value received for the sale of items.

9. Safety precautions for the commercial salvage of ammunitions will include the following provisions:

DECLASSIFIED E.O. 12065 SECTION 3-402/NNDG NO. 175813

a. Salvage operations will be conducted during the day time only, under direct supervisions of a qualified authority licensed by the Japanese Government.

b. All explosives elements will be removed in the bay, and destroyed by dumping at sea in deep water.

c. A safety area will be established of approximately 3/4 mile in all directions from slavage operations to warn all traffic of the hazard.

10. The Maritime Safety Agency, Fairway Safety Office is further directed to investigate and report wihout delay to Commander Naval Forces, Far East on the present activities of all commercial salvage of ammunitions which were formerly authorized by references (c), (d) and (e) in order to assure that safety regulations and precautions are complied with.

11. The Maritime Safety Agency, Fairway Safety Office is directed to submit to Commander Naval Forces, Far East a monthly report showing progress of demolition or commercial salvage operations of the subject explosives and explosive ordnance. The monthly report will be submitted by the 8th day of the following month.

07072

27 July 1950

SUBJECT : Report of police arrest of unlawful possessor of pistol

TO : Chief of Legal & Government Section,
Chugoku Civil Affairs Region/ Kure

The undermentioned case of unlawful possession of pistol has been revealed in the area of Ushimadocho MP of this prefecture:-

1. Crime-suspect:-
KINOSHITA Jiro, 28 years of age, water-transportation business, of No.2810 Ushimadocho, Okugun, Okayama Prefecture.

2. Date of arrest:-
10 July 1950

3. Type and number of pistol and ammunition involving:-
1 revolver &
37 rounds of pistol ammunition

4. Clue to discovery of the crime:-

While secret police surveillance was being conducted on the ground of a rumour that the said KINOSHITA Jiro had possessed a pistol, a statement was made by YABUSHITA Seiji of the same town ~~before the arrest warrants of YABUSHITA witnessed~~, arrest and search full investigations and search were carried out, which revealed the crime.

5. Synopsis of the criem:-
In about May 1947, the said KINOSHITA Jiro had purchased
one revolver and
37 rounds of pistol ammunition
from a name-unknown person of Kyushu (address unknown) whom he became an acqueitnance when he was in the oversea's area as a "civilian attache to military forces" and KINOSHITA had unlawfully possessed the same.

6. Police handling of the case:-
On 17 July 1950, the said person has been submitted to the Okayama District Procurator's Office on a charge of violation of the "Prohibition Regulation of possession of firearms etc."
