HEAD QUARTERS.

STATE OF LOUISIANA.
EXECUTIVE OFFICE.
Proclamation.

WHEREAS, in conformity with an Act of the Legislature of the State of Louisiana, approved 16th March, 1846, entitled "An Act to authorize the Governor of the State to cancel mortgages and accept new securities in certain cases," Louis Favrot, has done and performed the duties and executed the bond required by law, as Parish Judge of the Parish of West Baton Rouge, for a mortgage and hypothecate in favor of the Governor of the State of Louisiana, a certain tract of land situated in said Louis Favrot now resides, situated in the Parish of West Baton Rouge, containing two arpents front on the Mississippi River, by forty in depth, for the sum of mortgage being subscribed for ninety thousand dollars, the amount of mortgage, on which law said Louis Favrot was called to offer his bond, which act was accepted by Edward D. White, then Governor of the State of Louisiana, as appears by an Act passed at the city of New Orleans, before Theodore Sachers, Notary Public, on the 20th day of August, 1846, and duly recorded in the Recorder's office of West Baton Rouge.

And, whereas, said Louis Favrot has applied to me for the cancelling of the above recited mortgage.

Notice is therefore given to all persons interested to show cause, in writing, at the office of the Secretary of State within ninety days from and after the last publication of this notice, why said mortgage should not be cancelled and annulled.

Given under my hand and the seal of the State, at Baton Rouge, on the eighteenth day of July, in the year of our Lord one thousand eight hundred and fifty, and of the Independence of the United States the seventy-fifth.

By the Governor JOSEPH WALKER.
CHARLES CLARK, Secretary of State.

N. B. To be published at the expense of the sheriff.

# OFFICIAL NOTICES.

Mayoralty of New Orleans,
27th September, 1850.

IN accordance with a resolution of the Council of Municipality No. One, adopted on the 14th October, 1846, notice is hereby given, that the privilege of collecting the tax on Cypher Boats arriving within the limits of Municipality No. One, for one year from and after the 5th day of November, 1850, will be adjudicated to the highest bidder, at my office, on MONDAY, the 21st day of October next, at 12 o'clock, M. The terms and conditions will be stated at the time of sale.

s28 A. D. CROSSMAN.

Mayoralty of New Orleans,
September 24, 1850.

GENERAL COUNCIL,
Extra Sitting of Wednesday, September 18th, 1850.

RESOLVED that the Mayor be requested to advertise in the official journal of this Council, and in one paper in the 2d and 3d Municipality for the proposals for supply of coal for the use of the Court House for one year from 1st October next—specifying in said advertisements the quantity and description of coal required. The coal to be delivered from time to time, as required, and payment to be made by warrants drawn on the Municipal Councils in proportion of their several quotas of contribution towards the general expenses of the city.

Proposals to be received up to the 1st Monday in October, at 10 o'clock noon, and that those of the lowest bidder (supposing good security) be accepted.—The proposals to be opened by the Mayor in his office at any time named by him.

Signed, NATHAN JARVIS, President.
A true copy, H. Bina, Clerk.

Mayoralty of New Orleans,
24th September, 1850.

IN virtue of the above resolution passed by the General Council of the city of New Orleans at their sitting of this date, notice is hereby given that proposals for furnishing the coal required by said resolution will be received at my office, until Monday, the 7th of October next, at 12 o'clock, M., from persons offering proposals to deliver state the description and quality of coal to be furnished.

A. D. CROSSMAN, Mayor.

Mayoralty of New Orleans,
29th July, 1850.

Extra Sitting of Wednesday, July 17th, 1850.

RESOLVED, That the Mayor be, and he is hereby authorized and required to advertise one thousand dollars in the official paper of the Municipalities, for the Public Payments, and in three of the Northern Newspapers, that he will receive sealed proposals for the contract for the paving with square Euphonde stone—Chartres street, from Conti street to Jackson street; Condé street, from Madison to Espalanade street, and Royal street, from Canal to Esplanade street. And work to be done according to specifications in the Surveyor's office, and to be paid for in cash.

(Signed) JH GENOIS, Recorder.
Approved, 25th July, 1850.
(Signed) A. D. CROSSMAN, Mayor.
A true copy. H. BIER, Clerk.

Specifications concerning the square block paving of the Public Road, from Contombourse to Esplanade street; of Chartres street, from Canal to Jefferson street; of Condé street, from Madison to Esplanade street, and of Royal street, from Canal to Esplanade street.

*Quality and Dimensions of the Materials.*

The square blocks shall be of granite of the best quality, hewed and gunpoint on the top and sides, measuring not less than 8 by 10 inches square, and not more than 10 by 12 inches square, and 10 inches thick. The curb stones shall be of granite of the best quality, hewed and dressed, with the upper edge bevelled in a manner as to correspond with the crate of the Public Road, from Contombourse to Esplanade street. The curb stones shall be from 12 to 20 inches in width, and 4 feet in length, and four inches thick. The gutter stones for the bottom of the gutter shall be of the same quality, hewed and dressed, and shall be 12 inches in width, and not less than three feet in length, and four inches thick. The block stones shall be sound and clean (take shells). The sand shall be either Lake or Natchez sand, and free from dirt.

*Manner in which the Work shall be done.*

The curb stones shall have an inclination towards the side walks of 3½ inches for each foot in height, and shall join by the ends. As soon as the old paving shall have been removed from a square, the Contractor shall have the ground picked and the street graded on a regular curve; he shall then cover the same with 6 inches of gravel or Lake shells (coral stamp sand), which shall be well compressed with the roller, and shall begin to lay the paving in the following manner:

The square blocks shall be laid in regular courses, and shall perfectly well fit one another from top to bottom, the joints only be filled up with sand, and the paving shall be well compressed with the roller. The curb stones shall be laid in a solid manner on and perfect curved surface, otherwise the bringers at the commencement of the paving shall be of hewed and dressed granite, 20 inches in width, and 4 feet in length, 8 inches thick. The whole shall be a bed of lake shells, gravel, or Natchez sand, well compressed. The wings to the bridges shall be of not less than 25 feet, and be made of hewed and dressed curb stones from 20 to 24 inches in length, 12 inches in depth, and four inches thick. The whole shall be finished in a neat and substantial manner, and the surplus of earth, gravel and filling, shall be the property of Municipality No. One, which shall remove the same.

All the lines, heights, grades, &c., shall be given by the Surveyor, who shall supersede the execution of said paving, generally by the foregoing specifications.

The work shall be adjudicated in four sections as follows, viz:

Sec. 1. The Public Road from Contombourse to St. Ann street.

Sec. 2. Chartres street from Canal to Jefferson street, and Condé street from Madison to Esplanade street.

Sec. 3. Royal street from Canal to Esplanade street.

The contractor for the 1st and 2nd sections, shall bind himself to have the work begun on or before the 1st of January, 1851, and to have the same completed on or before the 31st of December, 1851. The contractor for the 3d and 4th sections shall bind himself to have the work begun on or before the 1st of January, 1852, and to have the same completed on or before the 31st of December, 1852. The contractor shall be required to have the work done at the rate and amount of one hundred dollars per day, for each and every day he shall be behind the time specified for the completion of the work, as aforesaid.

The contractor shall furnish good and solvent security for the faithful performance of his engagements, as aforesaid.

The proposals of the Municipality shall be paid each month, in the proportion of two thirds of the amount of the work performed, on the Surveyor's certificate, and the balance on the completion of the work, and the acceptance of the same by the Municipality.

Proposals will be received up to the 1st of October, 1850, at noon, at the office of the Secretary of State, at Baton Rouge, on the eighteenth day of October, 1850, at noon, at 12 o'clock, M., the contracts for paving with square stones, and the furnishing of the curb and gutter stones, to be in conference with the specifications on file in the Surveyor's office, and hereunto annexed, as follows:

1st. The contract for paving with square blocks, of the Public Road, from Contombourse to St. Ann street.

2d. Public Road, from St. Ann street to Esplanade street.

3d. Chartres street, from Canal street to Jefferson street, Condé street, from Madison to Esplanade street.

4th. Royal street, from Canal to Esplanade street.

A. D. CROSSMAN, Mayor.

# DR. P. BLANCHARD
DENTIST,

RESPECTFULLY informs the public that he has just received from France, he has opened his new office, 94 Royal street, between Conti and St. Louis, up stairs, between Conti and St. Louis, opposite the Louisiana State Bank.

s29 6w

# DR. L. DUPERRON DENTIST

NO. 198 BOURBON STREET,
*Between Orleans and St. Peter Streets.*

DR. L. DUPERRON continues to perform every description of dental, chemical and mechanical operations at his office. During his long practice he has made a study of the means of preserving the teeth; consequently persons desirous of preserving, or who are unwilling to have their teeth extracted, may be confident that his curative mode is infallible, if applied in time. Thousands of names would be found to certify the above fact, if it was thought necessary.

The office is opened from 8 o'clock A. M., till 4 o'clock P. M. Prices moderate. s9-1y 13
