TWO STEAMBOATS FOR SALE.

The subscribers are desirous of disposing of, at private sale, the following described light draught steamboat, viz:—

One Boat—Length of keel, 140 feet; on deck, 153 feet, breath of beam, 28 feet; floor, 24, and depth of hold, 4 feet, 10 inches. She has two boilers, 44 inches diameter, 24 feet long; length of cylinder, 6 feet, stroke, 10 inches, and water 2 23 feet wheel and 6½ feet buckets; and drawn when inland, only 31 inches. Her fifteen lengths of State Room, and a large Social Hall, was built in July, 1842, and was running but a very short period.

It will be immediately perceived, upon perusal of the admirable capacities above described, that this boat would be a most advantageous purchase, at the very moderate price we are authorised to dispose of her.

One Boat—4 years old, was hauled out last season and thoroughly repaired; is of the capacity of 1100 bales cotton, will found in every respect and in excellent condition, has a double fired boiler; and an 8 feet stroke engine, all of which were entirely new when placed on board and have never been injured.

This particular boat will be sold cheap, and would prove a desirable concern to an experienced purchaser.

For further particulars and her price and terms of sale, apply to DUTTRICH & SHANNON,

jyl—tf 26 Poydras st.
