CABINET ORDERS

I hereby promulgate the Cabinet Order for Partial Amendments to the Budget, Settlement of Accounts and Accounts Regulations.

Signed: HIROHITO, Seal of the Emperor

This twentieth day of the ninth month of the twenty-fifth year of Showa (September 20, 1950)

Prime Minister
YOSHIDA Shigeru

Cabinet Order No. 291

Cabinet Order for Partial Amendments to the Budget, Settlement of Accounts and Accounts Regulations

In accordance with the provisions of Article 17 and Article 18 paragraph 1 of the Accounts Law (Law No. 35 of 1947), the Cabinet establishes this Cabinet Order.

The Budget, Settlement of Accounts and Accounts Regulations (Imperial Ordinance No. 165 of 1947) shall be partially amended as follows:

To Article 51, the following one item shall be added:

12. Expenses concerning the National Police Reserve (excluding the Headquarters).

To Article 53, the following one item shall be added:

6. Expenses concerning the National Police Reserve (excluding the Headquarters).

Supplementary Provision:

This Cabinet Order shall come into force as from the day of its promulgation.

Prime Minister
YOSHIDA Shigeru
Minister of Finance
IKEDA Hayato

I hereby promulgate the Cabinet Order for Partial Amendment to the Cabinet Order concerning Exception to Deposit for the Purpose of the Performance of Obligation Due to the Non-Resident Foreigner in Japan.

Singed: HIROHITO, Seal of the Emperor

This twentieth day of the ninth month of the twenty-fifth year of Showa (September 20, 1950)

Prime Minister
YOSHIDA Shigeru

Cabnet Order No. 292

Cabinet Order for Partial Amendment to the Cabinet Order concerning Exception to Deposit for the Purpose of the Performance of Obligation Due to the Non-Resident Foreigner in Japan

In accordance with the Ordinance concerning the Orders to be issued in Consequence of Acceptance of the Potsdam Declaration (Imperial Ordinance No. 542 of 1945), the Cabinet establishes this Cabinet Order.

The Cabinet Order concerning Exception to Deposit for the Purpose of the Performance of Obligation Due to the Non-Resident Foreigner in Japan (Cabinet Order No. 22 of 1950) shall be partially amended as follows:

In Article 4 paragraph 1 "two copies stated in Japanese" and "four in English" shall be amended as "three copies stated in Japanese" and "six in English" respectively.

Article 12 shall be amended as Article 13, and Article 13 as Article 14 respectively, and the following one Article shall be added next to Article 11:

(Relation to Foreign Exchange and Foreign Trade Control Law)

Article 12. The provisions of Article 27, Article 30 and Article 31 of Foreign Exchange and Foreign Trade Control Law (Law No. 228 of 1949) shall not apply to the deposit for performance of the obligation (including the obligation of which confirmation, by the competent Minister mentioned in Article 3 paragraph 1, is construed to have been duly made in accordance with the provisions of Article 6 paragraph 2, and paragraph 8 of the Supplementary Provisions) which is confirmed by the competent Minister as provided for in Article 3 paragraph 1, and to the redemption (except in case of the remittance or forwarding to outside of Japan) of the deposited article pertaining to the said deposit.

Following three paragraphs shall be added next to paragraph 6 of the Supplementary Provisions:

7 The depositor, who has been ordered by the competent Minister to take necessary, measure in accordance with the provision of the preceding paragraph, may, in case the said deposited

article is money, demand to the deposit office which has the custody of the deposited money for transfer of it under the provision of Attorney General's Office and Ministry of Finance Ordinance.

8 In the event of the order being given by the competent Minister in accordance with the provision of paragraph 6, it shall be construed that the confirmation provided for in Article 3 paragraph 1 has been duly made.

9 The person failed, without any justifiable reason, to take necessary measure in violation of the order of the competent Minister as based on the provision of paragraph 6 of the Supplementary Provisions shall be liable to a civil fine not exceeding fifty thousand *yen*.

Supplementary Provision:

This Cabinet Order shall come into force as from the day of its promulgation, provided that the amended provision of Article 12 of the Cabinet Order concerning Exception to Deposit for the Purpose of the Performance of Obligation Due to the Non-Resident Foreigner in Japan shall apply as from June 30, 1950.

Attorney-General
OHASHI Takeo
Minister of Finance
IKEDA Hayato
Prime Minister
YOSHIDA Shigeru

I hereby promulgate the Enforcement Order of the Library Law.

Signed: HIROHITO, Seal of the Emperor

This twentieth day of the ninth month of the twenty-fifth year of Showa (September 20, 1950)

Prime Minister
YOSHIDA Shigeru

Cabinet Order No. 293

Enforcement Order of the Library Law

In accordance with the provision of Article 22 paragraph 2 of the Library Law (Law No. 118 of 1950), the Cabinet establishes this Cabinet Order.

(Scope of Expenses to Set Basis for Granting Subsidies)

Article 1. The scope of expenses to set basis for granting subsidies as stated in Article 22 paragraph 1 of the Library Law (hereinafter referred to as "the Law") shall stand for expenses required for the purchase of library materials as provided for in Article 3 item (1) of the Law, for salaries (excluding allowance such as area, family and special work allowances, etc.) required for the chief and professional staff members of library as stated in Article 13 paragraph 1 of the Law, for expenses required for the maintenance of buildings used for library service, and for expenses required for the depreciation of the buildings concerned.

(Request for Financial Aids for a Library)

Article 2. In case a local public body establishing a library desires to get a subsidy provided for in Article 20 of the Law, the Board of Education of the local public body concerned shall submit to the Minister of Education an application for a library subsidy, according to Form No. 1, indicating the amount of the expenses of the previous fiscal year as mentioned in the preceding Article, by the end of June of the current fiscal year.

2 The application as mentioned in the preceding paragraph shall be accompanied by a list of bases for subsidies according to Form No. 2, indispensable for judgment in deciding grants.

Article 3. In case the Board of Education of a city (including special wards; hereinafter the same), town or village submits an application in accordance with the provision of paragraph 1 of the preceding Article, the mayor of city, town or village concerned, provided that he has received the application from the Board of Education, shall transfer it through the To, Do, Fu or prefectural Board of Education to the Minister of Education.

2 The To, Do, Fu or prefectural Board of Education shall collect the applications mentioned in the preceding paragraph and transfer them to the Minister of Education, attaching to them their own recommendations according to Form No. 3.

Supplementary Provisions:

1. This Cabinet Order shall come into force as from the day of its promulgation.
2. In regard to a city, town or village where a Board of Education is not yet established, application for library subsidy as provided for in Article 2 paragraph 1 shall be submitted by the mayor of city, town or village concerned, pending the establishment of the Board of Education.

OFFICE AND MINISTERIAL ORDINANCE

Attorney-General's Office and Ministry of Finance Ordinance No. 3

September 20, 1950

The Regulations for Enforcement of the Debentures, Etc. Registration Law (The Ministries of Finance and Justice Ordinance No. 1 of 1942) shall be partially amended as follows:

Attorney-General
OHASHI Takeo
Minister of Finance
IKEDA Hayato

The following one Article shall be added next to Article 12:

Article 12-(2). In case a change has taken place in the registration agency, the former registration agency is required to transmit the debenture registration book and documents attached thereto to the new registration agency.

In case a change of the registration agency has taken place in respect of a part of the debentures handled by the former registration agency, the provision in the preceding paragraph shall also apply to debenture registration books and documents attached thereto related to the debentures concerned, provided that the receipt-book is excepted.

Article 13 shall be amended as follows:

Article 13. A duplicate shall be made of each debenture registration book and be kept on file at the place authorized by the competent Minister. A duplicate, however, may be provided in respect of the trust-ledger only, and, as for the others, written applications together with documents annexed thereto and written notifications provided for in Article 65 paragraph 1 or 2 of the Ordinance may be used as substitutes for the duplicates thereof.

In the case of the proviso of the preceding paragraph, written applications or notifications shall have the entry of the registration number and date of registration and, in addition, written applications for registration concerning trust shall have the entry of the number in the trust ledger and written applications for registration concerning security right the entry of the order number or additional number.

In Article 15 paragraph 1, "and when such a duplicate is not provided, remake it in accordance with the documents specified in the proviso of Article 13 paragraph 1" shall be added next to "the debenture registration book", and in paragraph 2 of the same Article, "or that the debenture registration book has been remade in accordance with the documents specified in the proviso of Article 13 paragraph 1" shall be added next to" that the entry has been made by transcribing from the duplicate", and "the date of transcription" shall be amended as "the date of remake".

The following one paragraph shall be added next to Article 17 paragraph 2:

The documents specified in the proviso of Article 13 paragraph 1 shall, notwithstanding the provisions of the two preceding paragraphs, be kept for the whichever longer period of the periods provided for in the two preceding paragraphs.

Article 41-(2) shall be deleted.

Supplementary Provision:

This Ordinance shall come into force as from the day of its promulgation, and apply as from September 9, 1950.

Attorney-General's Office and Ministry of Finance Ordinance No. 4

September 20, 1950

The Ordinance for Partial Amendments to the Enforcement Ordinance of the Cabinet Order concerning Exception for Deposit for the Purpose of the Performance of Obligation Due to the Non-resident Foreigner in Japan shall be established as follows:

Attorney-General
OHASHI Takeo
Minister of Finance
IKEDA Hayato

Ordinance for Partial Amendments to the Enforcement Ordinance of the Cabinet Order concerning Exception to Deposit for the Purpose of the Performance of Obligation Due to the Non-Resident Foreigner in Japan

The Enforcement Ordinance of the Cabinet Order concerning Exception to Deposit for the Purpose of the Performance of Obligation Due to the Non-Resident Foreigner in Japan (Attorney-General's Office and Ministry of Finance Ordinance No. 1 of 1950) shall be partially amended as follows:

In Article 3 paragraph 1 "one copy in Japanese and three copies in English" shall be amended as "two copies in Japanese and five copies in English".

In Article 4 paragraph 2 "Article 3 paragraph 1" and "two copies of the specification in English" shall be amended as "Article 3 paragraph 1 or Article 7" and "one copy of the Specification stated in Japanese and four in English" respectively.

Following three Articles shall be added next to Article 4:

Article 5. The person intending to demand for transfer of custody in accordance with the provision of paragraph 7 of the Supplementary Provisions of the Order shall demand by submitting two copies of the demand letter for transfer of custody of the deposit money as fixed by the Annex No. 3, attached thereto the due deposit instrument, which has been entered the fact of acceptance of the deposit money, and three copies of the specification stated in Japanese and six in English mentioned in Article 4 paragraph 1 of the Order.

Article 6. In case the deposit office recognizes the demand as referred to in the preceding Article as reasonable, it shall enter the effect of its recognition in one copy of the demand letter for transfer of custody of the deposit money and affix its seal thereon, and shall send to another deposit office which is to be transferred with the custody the attached instruments as referred to in the same Article together with the due deposit instrument kept in the deposit office.

2 The provision of Article 11 of Regulations concerning Management of Deposit Money kept in the Deposit Bureau (Ministry of Finance Ordinance No. 6 of 1922) shall apply mutatis mutandis to the procedures to be taken by the deposit office which is demanded of transfer of custody as referred to in the preceding paragraph. In this case the effect that it is the deposit performed on behalf of the non-resident foreigner in Japan in accordance with the provision of the Order shall be entered in the margin of the transfer note of the treasury fund issued by the deposit office.

Article 7. In case the deposit office which is transferred with the custody accepts the instruments as referred to in paragraph 1 of the preceding Article and the notification for transferred from the Bank of Japan, it shall state in the deposit instrument, which has been entered with the fact of acceptance of the deposit money, the effect that the transfer of custody is completed, and deliver it to the said depositor, and shall send two copies of the specification stated in Japanese and five in English as referred to in Article 4 paragraph 1 of the Order to the Bank of Japan without delay.

Following Annex No. 3 shall be added next to Annex No. 2:

Annex No. 3

Demand Letter for Transfer of Custody of the Deposity Money

To: Official in charge of It in Government Organ

Amount:

Date and Number of the Deposit Instrument:

Reason for Transfer of Custody:

New Government Office in charge of It: Tokyo Juridical Affairs Bureau

I hereby demand for transfer of custody as mentioned above.

Date:

Name, Address and Seal of Applicant

.....

To: Tokyo Juridical Affairs Bureau

As the above demand for transfer is recognized by this Bureau, it is desirous that the above amount of money will be managed as the deposit money to be kept in Tokyo Juridical Affairs Bureau.

Date:

Name and Seal of Official in charge of It in Government Organ

Remark: The size of the sheet of the demand letter shall be Japanese standard size, B class 5 (182 mm×257 mm).

Supplementary Provision:

This Ordinance shall come into force as from the day of its promulgation.

MINISTERIAL ORDINANCE

Ministry of Agriculture and Forestry Ordinance No. 105

September 20, 1950

In accordance with the provisions of Article 84 paragraph 2 of the Compensation against Agricultural Loss Law (Law No. 185 of 1947), the Ministerial Ordinance for Partial Amendment to the Regulations concerning the Operation of the Compensation against Agricultural Loss Law shall be established as follows:

Minister of Agriculture and Forestry
HIROKAWA Kozen

Ministerial Ordinance for Partial Amendment to the Regulations concerning the Operation of the Compensation against Agricultural Loss Law

Ministry of Welfare Notification No. 239

September 20, 1950

The Regulations for Medical Care by physicians under Health Insurance in accordance with the provisions of Article 43-(4) of the Health Insurance Law (Law No. 70 of 1922) shall be established as follows:

Minister of Welfare
KUROKAWA Takeo

Regulations for Medical Care by Physicians under Health Insurance

CHAPTER I General Provisions

Article 1. Insurance doctors (excluding dentists; hereinafter the same) shall have function in the examination and treatment of diseases or injuries (other than occupational ones) of insured persons and their dependants under Health Insurance (hereinafter referred to as "the patients") in accordance with the provisions of this regulations, besides health Insurance Law and the regulations.

Article 2. Insurance doctors shall be on duty under guidance of the central and prefectural Social Insurance Medical Care Committees, as provided for in Article 43-(5) of the Health Insurance Law, regarding the medical care in connection with Health Insurance.

2 For giving guidance mentioned in the preceding paragraph, the central and prefectural Social Insurance Medical Care Committees shall seek coordination of the Japan Medical Association and the prefectural or municipal Medical Association.

CHAPTER II The Extent of Medical Care

Article 3. The extent of duties of the insurance doctor as regards giving medical care benefits to the insured and medical care to their dependents shall be as follows:
(1) Making Examination;
(2) Providing proper treatment including medications, operations and supplying necessary therapeutic appliances;
(3) Arranging for patients accommodation in hospitals or clinics.

CHAPTER III Directions of Medical Care

Article 4. Insurance doctors shall provide patients with appropriate and adequate medical care for the maintenance and promotion of their health, and shall examine disease or injury which is deemed as necessary in general.

Article 5. Insurance doctors shall be kind and generous to their patients and shall give guidance necessary for medical care in understandable words to their patients.

Article 6. Insurance doctors shall give proper guidance so as to promote good psychological effects on the patients studying their physical and mental conditions, without blindly accepting their requests.

Article 7. Insurance doctors shall instruct the patients to cultivate hygienic idea, and shall give appropriate guidance to them, if a disease or injury is considered to be caused by their living or circumstances.

Article 8. Insurance doctors shall request a care from other doctor, or obtain an advice of a specialist or adopt other prudential measures, if the disease or injury of the patients is not doctors' speciality or there are doubts about the treatment.

Article 9. Insurance doctors shall not recommend carelessly any curative treatments other than medical treatments to their patients by reason

that diseases or injuries are not under such insurance doctors' specialities.

Article 10. Insurance doctors shall not provide special or new medical treatment, which is not authorized by the central and prefectural Social Insurance Medical Care Committees.

Article 11. Besides the provision of the preceding seven Articles, insurance doctors, shall observe the following directions:

1. Examination:
   (1) Examination shall be performed considering patients' occupational characteristics etc.;
   (2) Health examination shall not be given as a medical care benefit;
   (3) House visiting care shall only be given in case they are absolutely necessary;
   (4) Various tests shall be performed only when they are deemed necessary for the care, and not be done as a purpose of study:
      (a) Insurance doctors shall provide medical examinations to tuberculosis patients according to the following standards:
         (i) The test based upon the speed of erythrocyts sedimentation for the long-term tuberculosis patients may be proper to be made once in three weeks;
         (ii) The bacteriological examination shall be made in the case where a patient is suspected as open tuberculosis;
         (iii) X-ray shall be used for the purposes of determination of internal morbid change, morbid type or measure for cure.
      (b) Insurance doctors shall provide medical examinations to patients of venereal disease according to the following standards:
         (i) Necessary examination shall be made to a suspected case of venereal disease;
         (ii) Necessary examination shall be made at the end of treatment for a patient of venereal desease.
2. Dispensation:
   (1) Drugs shall be dispensed when required. One kind of drug shall be dispensed in case of being sufficient to a care, but several kinds may be dispensed when it is deemed as necessary;
   (2) The same prescription shall not be repeatedly given carelessly without necessary examination. The period of dispensation for the same prescription shall be a period of not more than fourteen days generally;
   (3) Prescriptions shall not be carelessly issued if adequate therapeutic results are expected to be attained by recommending a patient nutrition, rest, exercise, change of his employment and other attention on medical care;
   (4) The quantities of drugs to be prescribed shall be calculated on the basis of the predictable period of treatment, and shall be according to the following standards generally:
      (a) For internal use prescribe enough to last for two days, and for external application prescribe a sufficiant quantity to last for five days;
      (b) In case it is deemed necessary due to special circumstances, such as to receive the treatment after returned one's country, the quantity of prescription, at a time, shall be limited to be enough for 14 days at most, considering the days of travel and other reasons.
3. Injections:
   (1) Injections shall be given only when they are deemed as necessary;
   (2) Patients diagnosed as being definitely syphilitic, or those who are suspected to be syphilitic and are positive in serologic reactions shall receive anti-syphilits treatment;
   (3) Mixed injections shall be given only when they are considered reasonable;
   (4) The following injections shall be given only when it is deemed as necessary depending upon each indication for disease and when the oral administration is impossible:
      (a) Vitamines;
      (b) Sulfamines;
      (c) Glucase;
      (d) Calciums;
      (e) Specific stimulants.
   (5) The direction and method of usage, in case the injections mentioned below are deemed as necessary, shall be based upon the following:
      (a) Penicillin (Refer to the extent of the usage of penicillin and its standard or limitation prescribed by Japan Medical Association);
      (b) Anti-syphilis (Refer to the "Outline of medical examination on veneral disease". Yo-Hatsu 1, 615. December 10, 1948. Instruction of Disease Prevention Bureau, Ministry of Welfare: "Manual for the care of veneral disease", Yo-Hatsu 24, January 26, 1948 of the same instruction.).
4. Operation and Treatment:
   (1) Operations shall be performed when they are deemed as necessary;
   (2) Post-operative care or change of bandage shall be given in degree of necessity.
5. Physical Therapy:
   Physical therapy may be used when it is difficult to obtain successful effect by means of medications, treatments, or operations, and when this is most appropriate, or when it is necessary to combining such method with medical care.

6. Accommodation of Patients into Hospitals or Clinics:

(1) Patients shall be accommodated into hospitals or clinics when it is deemed as necessary for the care.

(2) Simple fatique, usual delivery or inconvenience to attend hospital etc. shall not be the reason of hospitalization for patients.

CHAPTER IV Procedures for Handling Patients for Treatments

Article 12. Insurance doctors shall not only treat the patients in regular office hours, but also shall provide convenient hours for the patients, if necessary.

Article 13. Insurance doctors shall before giving the care ascertain the qualification of the patient upon presentation of his insurance certificate.

2 When the patients who is clearly identified to have the qualification, fail to present their insurance certificates due to some unavoidable reasons insurance doctors shall give the patient a necessary care. In this case, however, an insurance doctor shall demand the patient to present the certificate as soon as possible afterward.

Article 14. Insurance doctors, or their employers shall receive the amount of partial liability from insured patients according to the provision of Article 43-(2) paragraph 2 of the Health Insurance Law, and, the amount equivalent to five-tenth of the expenses required for treatment from dependents of the insured patients according to the provision of Article 59-(2) of the same Law.

Article 15. Insurance doctors shall give necessary assistance, without delay, to the enable patients to receive the following insurance benefits when it is deemed as necessary:

(a) Nursing;

(b) Transportation.

Article 16. Insurance doctors shall deliver free of charge the necessary certificate or written statement etc. for insurance benefits, upon request of the patients.

Article 17. Insurance doctors shall prepare the medical treatment records of the patients separate from other records, in accordance with Form No. 1, and fill in with the necessary information.

Article 18. Insurance doctors shall keep the books and documents concerning the medical treatment for a period of five years from the date of completion of filling.

Article 19. Insurance doctors shall notify the fact with the opinion, without delay, to the of To, Do, Fu or prefecture or to the proper health insurance association in the case the fact comes under any one of the following items:

(a) In case the accident recognized to be caused by fighting, drunk or evident misconduct;

(b) In case the patient failed to follow the instructions for the medical care by the doctor without proper reasons;

(c) In case the patient received or attempted to receive medical treatment with fraudulent intent or false pretence.

Article 20. Insurance doctors shall report, without delay, to the governor of To, Do, Fu or prefecture under which jurisdiction they reside, or the concerned, health insurance association on the following items in case the patient was accommodated into the hospital or clinic, or on the affect in case the patient released from such institution:

(a) Identification mark and number of the insurance certificate;

(b) The patient's name and date of birth;

(c) The kind of disease or injury and an explanation why the patient should be sent to hospital;

(d) The date accommodated and the number of days expected to be accommodated.

2 The above provisions shall be applied correspondingly to dependents of the insured patient, in case they are accommodated into hospital or clinic by the insurance doctors. In this case the dependent's name, the date of birth and the relationship to insured persons shall be filled in the report.

CHAPTER V Request for Medical Care Fees

Article 21. In making requests for payment for medical care fees, insurance doctors or their employers shall submit the written request for medical care fees according to Form No. 2 together with the specification on request for medical care fees according to Form No. 3, to the governor of To, Do, Fu or prefecture under which jurisdiction they reside, or the health insurance association concerned, through the prefectural Social Insurance Medical Care Fee Payment Fund (hereinafter referred to as "the Fund") where the hospital or clinic is located.

2 The written request for medical care fees mentioned in the preceding paragraph shall be presented to the Fund for each month till the 5th of the next month.

Supplementary Provisions:

1. This Regulations shall come into force as from April 1, 1949.

2. The Regulations for Medical Care by physicians under Health Insurance, Ministry of Welfare Notification No. 105 of March, 1943 shall be abolished.

(For the dependent (family), the red printed form)

Ministry of Welfare Notification No. 240

September 20, 1950

The Regulations for Dental care by Dentists under Health Insurance in accordance with the provisions of Article 43-(4) of the Health Insurance Law (Law No. 70 of 1921) shall be established as follows:

Minister of Welfare
KUROKAWA Takeo

Regulations for Dental Care by Dentists under Health Insurance

CHAPTER I General Provisions

Article 1. Insurance dentists (excluding insurance doctors; hereinafter the same) shall have function in the examination and treatment of diseases or injuries (excluding their diseases or injuries of insured persons and their dependants (hereinafter referred to as "the patient") under Health Insurance caused by accidents arising out of and in the course of their employment) in accordance with the provision of this regulations, besides the Health Insurance Law and the regulations.

Article 2. Insurance dentists shall be on duty under guidance of the central and prefectural Social Insurance Medical Care Committees as provided for in Article 43-(5) of the Health Insurance Law, regarding the dental care in connection with health insurance.

2 For giving guidance mentioned in the preceding paragraph 1 the central and prefectural Social Insurance Medical Care Committees shall seek coordination of the Japan Dental Association and the prefectural or municipal Dental Association.

CHAPTER II The Extent of Dental Care

Article 3. The extent of duties of the insurance dentist as regards guiding dental care benefits to the insured and dental care to their dependants shall be as follows:

(a) Making Examination;
(b) Providing proper treatment including dispensations, operations and supplying necessary therapeutic appliances;
(c) Arranging for patients accommodation is hospitals or clinics.

CHAPTER III Directions of Dental Care

Article 4. Insurance dentists shall provide patients with appropriate and adequate dental case for the maintenance and promotion of their health, and shall examine disease or injury which is deemed as necessary in general.

Article 5. Insurance dentists shall be kind and generous to their patients, and shall give guidance necessary for medical care in understandable words to their patients.

Article 6. Insurance dentists shall give proper guidance so as to promote good psychological effects on the patients studying their physical and mental conditions, without blindly accepting their requests.

Article 7. Insurance dentists shall instruct the patients to cultivate the idea on dental hygiene, and shall give appropriate guidance to them, if a disease or injury is considered to be caused by their living or circumstances.

Article 8. If there are some doubts about dental care to be provided to patients, insurance dentists shall request a care from other doctor or ask the opinion of a specialist or adopt other prudential measures.

Article 9. Insurance dentists shall not provide special or new medical treatment, which is not authorized by the central and prefectural Social Insurance Medical Care Committees to their patients.

Article 10. Besides the provisions of the preceding six Articles, insurance dentists shall observe the following directions:

1. Examination:
   (1) Examination shall be performed considering patients' occupational characteristics, etc.;
   (2) Dental examinations shall not be given as a dental care benefit;
   (3) House visiting care shall only be given in case they are absolutely necessary;
   (4) Various tests shall be performed only when they are deemed as necessary for the care, and not be done as a purpose of study.
2. Dispensation:
   (1) Drugs shall be dispensed when required. One kind of drug shall be dispensed in case of being sufficient to a care but several kinds may be dispensed when it is deemed as necessary;
   (2) Prescriptions shall not be carelessly issued if adequate therapeutic results are expected to be attained by recommending a patient nutrition, rest, exercise, change of his employment and other attention on medical care;
   (3) The quantities of drugs to be prescribed shall be calculated on the basis of the predictable period of treatment, and shall be according to the following standards generally:
      (a) In general, the quantity of prescription for internal medicine, at a time, shall be enough to last two days as a rule, and for external medicine it shall be, at a time, limited to last five days;
      (b) In case it is deemed necessary due to special circumstances, such as to receive the treatment after returned one's country, the quantity of prescription, at a time, shall be limited to be enough for 14 days at most, considering the days of travel and other reasons.
3. Injections:
   (1) Injections shall be given only when they are deemed as necessary;
   (2) Mixed injections shall be given only when they are considered reasonable;
   (3) The following injections shall be given only when it is deemed as necessary depending upon each indication for disease and when the oral administration is impossible:
      (a) Vitamines;
      (b) Sulfamines;
      (c) Specific Stimulauts.
   (4) The direction and method of usage, in case the injections mentioned below are deemed as necessary, shall be based upon the following. However, this must not be used recklessly. Penicillin (Refer to the extent of the usage of Penicillin and its standard or limitation prescribed by Japan Medical Association).
4. Operation and Treatment:
   (1) Operations shall be performed when they are deemed as necessary;
   (2) Post-operative care or change of bandage shall be given in degree of necessary.
5. Filling and Inlays:
   Filling shall be performed for the decayed teeth which are impossible to restore or hopeless to conserve.
   The inlays shall be limited to the complex cavities, and must use silver alloy which are designated by the central Social Insurance Medical Care Committee after approved by the Minister of Welfare.
6. Prosthetic Operations:
   In prosthetic operations, full dentures, partial dentures, bridges, continuation of pivot, palate obturators and appliances for restoring defects of the laws are included. These prosthetic apparatuses shall be limited to the restoration of last teeth and to the decayed teeth which are impossible to restore with fillings or inlays.
   The detailed regulations on the prosthetic apparatus shall be as follows:
   a. Do not make the prosthetic appliances of the third molars;
   b. The bridges may be used only when the plate dentures cannot be made technically;
   c. The metallic crowns of the third molars and the pivot crowns may be made only when the teeth are impossible to restore with filling method:
      (1) In case more than two third of the crowns is decayed;
      (2) In case the outside layer of dentine is not decyedd.
   d. The materials of prosthetic appliances shall be as follows:
      (1) The artificial teeth of the suffer or synthetic resin plate denture must be used on the same level with the alloy pin porcelain teeth;
      (2) The band of the gold crown must be more than thickness of No. 30-gauge and 22 carat gold;
      (3) The clasps may be made with gold, or substitute metal for gold which designated by the central Social Insurance Medical Care Committee after approved by the Minister of Welfare. If the gold is used, it must be more than 18 carat gold;
      (4) In alloy metal crowns, the metal must be the substitute metal for gold which designated by the Central Social Insurance Medical Care Committee after approved by the Minister of Welfare. It must be more than thickness of No. 30 gauge;
      (5) The Synthetic resin must be the one which designated by by the Central Social Insurance Medical Care Committee after approved by the Minister of Welfare.
7. Physical Therapy:
   Physical therapy may be used when it is difficult to obtain successful offect treat by means of dental medications, treatments, or operations, and when this is most appropriate, or when it is necessary to combine such method with dental treatment, and shall be given by the qualified specialist who has proper equipments, specific knowledge and technique.
8. Accommodation of Patients into Hospitals or Clinics:
   (1) Patients shall be accommodated into hospitals or clinics when it is deemed as necessary for the care;
   (2) Inconvenience to attend hospital, etc, shall not be the reason of hospitalization for patients.
9. Others:
   The following treatments or operations shall be prohibited:
   (1) The extraction of the sound supernumerary or malposed teeth (excluding those whith distinctive defects);
   (2) The retainer after treatment of pyorrhed teeth;
   (3) Orthodontic operation.

CHAPTER IV Procadures for Handling Patients for Treatment

Article 11. Insurance dentists shall not only treat the patients in regular office hours, but

also shall provide convenient hours for the patients, if necessary.

Article 12. Insurance dentist shall, before giving the care, ascertain the qualification of the patient upon presentation of his insurance certificate.

2 When patients, who is clearly identified to have the qualification, fail to present their insurance certificates due to some unavoidable reasons insurance dentists shall give them necessary dental care. In this case, however, insurance dentists shall demand patients to present the certificate as soon as possible afterward.

Article 13. Insurance dentists, or their employers shall receive the amount of partial liability from insured persons according to the provision of Article 43-(2) paragraph 2 of the Health Insurance Law; and, the amount equivalent to five-tenths of the expenses required for treatment from dependents of the insured according to the provision of Article 29-(2) of the same Law.

Article 14. Insurance dentists shall give necessary assistance, without delay, to the enable patients to receive the following insurance benefits when it is deemed as necessary:

(1) Nursing;

(2) Transportation.

Article 15. Insurance dentists shall deliver free of charge the necessary certificate or written statement etc. for insurance benefits, upon request of the patients.

Article 16. Insurance dentists shall prepare the medical treatment records of the patients separate from other records, in accordance with Form No. 1, and fill in with the necessary information.

Article 17. Insurance dentists shall keep the books and records concerning the medical treatment for a period of five years from the date of completion of filling.

Article 18. Insurance dentists shall notify the fact with the opinion, without delay, to the governor of To, Do, Fu or prefecture concerned or to the proper health insurance association in the case it comes under any one of the following items:

(a) In case the accident recognized to be caused by fighting, drunk or evident misconducts;

(b) In case the patient fails to follow the instructions for the dental care by the dentist without proper reasons;

(c) In case the patient received or attempted to receive dental treatment with fraudulent intent or false pretense.

Article 19. Insurance dentists shall report, without delay, to the governor of To, Do, Fu or prefecture under which jurisdiction they reside or to the health insurance association concerned on the following items when the patient was accommodated into the hospital or clinic, or on the effect in case the patient released from such institution:

(a) Identification mark and number of the insurance certificate;

(b) The patient's name and date of birth;

(c) The kind of disease or injury and an explanation why the patient should be sent to hospital;

(d) The date accommodated and the number of days expected to be accormmodated.

2 The above provisions shall be applied correspondingly to dependents of the insured pacients, in case they are accommodated into hospital or clinic by the insurance dentists. In this case the dependent's name, the date of birth and the relationship to insured persons shall be filled in the report.

CHAPTER V Request for Dental Care Fees

Article 20. In making requests for payment for Dental Care Fees, insurance dentists or their employers shall submit the written request for dental care fees according to Form No. 2 together with the specification on request for dental care fees according to Form No. 3 to the governor of To, Do, Fu or prefecture under which jurisdiction they reside, or the health insurance association concerned, through the prefectural Social Insurance Medical Care Fee Payment Fund (hereinafter referred to as "the Fund") where the hospital or clinic is located.

2 The written request for dental care fees mentioned in the preceding paragraph shall be presented to the Fund for each month till the 5th of the next month.

X-ray-diagnosis:

The following one note shall be added next to the paragraph of "Roentgenography with contrast medium":

Note: In case iodil oil is used, the purchase price shall be multiplied by 1•1, and then divided by unit price of one points; the quotient shall be added.

The note in the paragraph of "The Foto-diagnosis (including photographic fee)" shall be amended as follows:

Notes:

1. In case the film of six cm. long and six cm. broad size is used, the points shall be 10.
2. In case paper-film is used, the points shall be reduced by 30%.

In the end of the paragraph of "The special Roentgenographic examination (including photographic fee)", the following note shall be added:

Note: In case more than two films are used, the price of one film for each additional film shall be divided by unit price of one point; and the quotient (all the decimal points and the still smaller fractions shall be counted over) shall be added.

Fee for injection:

In the paragraph of "For hypodermic, intramuscular and intravenous injections", "Note 2" shall be amended as follows:

2. The price of internal medicine used shall be based on the purchase price.

The paragraph of "Injection of arsenic (including the solution)" shall be amended as follows:

Injection of arsenic (including solution)

1. Neoarseno-benzol, Arseno-benzol-natrium and strong Neoarseno-benzol:
   - a. No. 1 and No. 2 — 16 points
   - b. No. 3 and No. 4 — 18 "
   - c. No. 5 and No. 6 — 20 "
2. Mapharsol:
   - No. 1 and No. 2 — 10 points
3. Mioarseno-benzol:
   - No. 1, No. 2, No. 3 and No. 4 — 8 points

In the paragraph of "Injection of penicillin", "a", "b" and "c" shall be amended as follows:

a. Amorphous Penicillin (including solution)

100,000 units	16 points
200,000 "	28 "

b. Crystallized Penicillin and Crystallized Penicillin G (including solution)

100,000 units	18 points
200,000 "	32 "

c. Procain Penicillin in Oil, Procain Penicillin for Aqueous Injection and Liquid-wax Penicillin

200,000 units	32 points
300,000 "	42 "

Note: In case the units are more than 300,000, 10 points shall be added for every 100,000 units or its fractions.

Fee for special treatment in psychiatry:

Next to the paragraph of "Convulsive therapy by injections", the following one paragraph shall be added:

Fever therapy by injections (per one) — 5 points

Regarding the injections used for this therapy, the points of such injections may be demanded by adding the above points.

The note in the paragraph of "Insulin shock therapy" shall be amended as follows:

Regarding the injection of Insulin used for this therapy, the price of drug per day dosage shall be multiplied by 1•1, and then divided by unit price of one point; the quotient may be demanded by adding the above points.

The List of Points for Dental Treatment Fees in the Annexed Table:

Fees for injection:

In the paragraph of "For pypodermic, intramuscular and intravenous injections", "Note 2" shall be amended as follows:

2. The price of internal medicine used shall be based on the purchase price.

In the paragraph of "Injection of penicillin", "a", "b" and "c" shall be amended as follows:

a. Amorphous Penicillin (including solution)

100,000 units	16 points
200,000 "	28 "

b. Crystallized Penicillin and Crystallized Penicillin G (including solution)

100,000 units	18 points
200,000 "	32 "

c. Procain Penicillin in Oil, Procain Penicillin for Aqueous Injection and Liquid-wax Penicillin

200,000 units	82 points
300,000 "	42 "

Note: In case the units are more than 300,000, 10 points shall be added for every 100,000 units or its fractions.

Fee of medical treatment:

"Note 2" shall be amended as follows:

2. The prices of internal medicine used and external medicine used shall be based on the purchase price.

Ministry of Welfare Notification No. 242

September 20, 1950

With regard to the 9th Medical Practitioners' National Examination under the Enforcement Regulations of Medical Practitioners Law, the places, date, and, time-limit and place for submitting the application thereof shall be fixed as follows:

Minister of Welfare
KUROKAWA Takeo

1. Place:
   Sapporo, Sendai, Tokyo, Kanazawa, Nagoya, Osaka, Okayama and Fukuoka
2. Date:
   October 31 (Tuesday), November 1 (Wednesday) and 2 (Thursday), 1950
   From 9 a.m. everyday
3. Time-limit and place for submitting the application:
   From: October 1, 1950
   To: October 15, 1950
   The application shall be submitted to the respective Interim Office for Medical Practitioners' National Examination (refer to the separate note) under the jurisdiction of the places where the candidates want to take the examination, during the abovementioned period without fail.
   Anyone who wants to ascertain whether or not the written application is duly filed, shall submit the application together with a blank postcard addressed to himself.
4. The examinee shall receive the examination card at the respective Interim Office for Medical Practitioners' National Examination to which he has submitted his written application, at any time from 9 a.m. to 5 p.m., during the period from October 28, 1950 till the day before the examination (except Sunday), and he shall ascertain the examination hall etc.
   However, the date and place for issuing the examination card shall be informed directly to persons who are to take the examination at Kanazawa, from the respective Interim Office for Medical Practitioners' National Examination at which the application has been filed.
5. Examination fee shall be paid with a revenue stamp of ¥800, without fail, which shall be affixed to the written application.
6. Written form of the application shall be referred to the provision of Article 13 of the Enforcement Regulations of Medical Practitioners Law, Provided that, the photo-mount-paper shall be used such as fixed by the Ministry of Welfare and prepared in the respective Interim Office for Medical Practitioners' National Examination and the National Examination Unit, Medical Affairs Section, Medical Affairs Bureau, Ministry of Welfare.
7. Furigana (Japanese phonetic signs) shall be attached to the present address and name of the examinee described on the application.
   Anyone, who has changed his address after submitted the application, shall report it to the office where he submitted the application.
8. The examinee shall enter the desirable place for the examination on the application without fail. Provided that, after the time-limit for submitting the application, no alteration of the examination place shall be permitted, regardless of any circumstances.
