Subject: Partial Distribution of Community Chest Fund

The Community Chest Fund Raising Campaign for Fiscal 1950 is still going on in the hope that the goal of ¥ 14,000,000 will be attained. This makes it imperative for us to postpone until the beginning of next February the distribution of fund collected to the social welfare organizations and agencies. This committee's board of directors on its part, however, is anxious to see an extraordinary distribution of some ¥ 1,300,000 out of ¥ 4,224,000 scheduled for distribution being made within this year to the local social welfare deliberative councils (3 cities, 11 districts) among the above recipients involved. We call upon you to approve the contemplated partial distribution.

To : Mrs. Mealing, Chief, Welfare Section, TCAR

From : Yoshida, Chairman, Miyagi Ken C.C. Campaign Committee

Subject : Postponement of Extraordinary Fund Distribution

We decided yesterday to postpone on the following ground at the Fund Allotting Committee session the proposed extraordinary distribution to the local social welfare deliberative councils, in connection with which we had previously asked for your approval.

The local social welfare deliberative council, consisting of the National Relief Association branch and Welfare Commissioners' Federation chapter, located in each city (3) and district office (11) area, and other social work organizations and persons concerned with social work, is engaged in the following functions:

1. Liaison , coordination and asurvey concerning social work
2. Enlightenment and publicity concerning social welfare work
3. Promotion of and assistance to social welfare work (day nurseries during farmers' busy seasons; relief and consolation for widows, children, invalids, etc; promotion of settlement work, case work assisting work, and other petty social work)
4. Cooperation with community chest fund raising campaign

Following the recent establishment of the Central Social Welfare Deliberative Board, this prefecture has created the Miyagi Prefectural Social Welfare Deliberative Council with each district in the prefecture about to follow suit. This points to the necessity of dissolving the existing local social welfare deliberative councils.

"With the objective situation coming to this pass, due rescrutiny should be made of the character of these organizations prior to the fund distribution." Such is the opinion on the part of the Fund Allotting Committee. Today's Board of Directors meeting also having approved this, it was decided to postpone the proposed distribution.

We hereby extend our deepest apology as well as our heartfelt appreciation to you for your so oft-repeated trouble.

Subject: Appeal in connection with C.C. Campaign

It makes us very happy to think that the wholehearted cooperation by you citizens have enabled the 3-year-old Community Chest Campaign to top its goal, thus alleviating the crisis of private social work which find it difficult to operate.

In line with the Central policy we have decided to carry out the campaign this year also. It has been fixed that Niigata Prefecture as a whole collect ¥ 19,680,420.50 of which Niigata City is supposed to share ¥2.422, 760.

The above figure, after deducting street campaign proceeds leaves a balance tonbe covered by anaverage share per household of ¥50.

Although we do realize your having a hard time in the face of soaring prices andvarious other donations, we hereby appeal for your continued andredoubled support in sympathy with financially hard up private social work.

SUBJECT: Community Chest Campaign, 1950-1951

TO: Eichi Yoshida, Chairman of Miyagi Prefecture Community Chest Committee and the Chairmen of Prefectural Community Chest Committees throughout Tohoku Region

FROM: Chief, Tohoku Civil Affairs Region

In the past the people of Japan and especially of Tohoku Region have responded to the needs of their communities by supporting the Community Chest. With gifts of money they have expressed the sentiment in their hearts by contributing to the well-being of children in institutions and by supporting the agencies and associations which are promoting a healthy and happy Japan. Today the campaign for 1950-1951 is beginning and again we turn our thoughts to the needs of all people in building a secure Japan.

The Community Chest as a private agency appeals to all citizens in every walk of life. To achieve its goal it must have the support of each individual in each community. And this support should be given promptly at the beginning of the drive, without delay in order that the drive may be speedily brought to a successful close.

The people of Tohoku Region have cooperated in the past and have been successful in their efforts. For this they should be complimented. As we look to the future, as the present campaign is begun, we know that these same people will lend their efforts once more and that they will once again support the children in institutions, the day nurseries, and the welfare associations. A bright and happy future awaits those who are thoughtful of the needs of others and those who receive the benefits of their neighbors' consideration. Our good wishes accompany you in the present undertaking.

標記の件につき、十月二十六日現在各支会から報告すみのものの集計別紙のとおりであります。
なお成績不良の仙台市、大崎、近田両地区を調査するに、その直接原因は
一、仙台市は共同募金奉仕者の多数が同勢調査、倉田看護婦の実態調査等に協力していない為、共同募金運動が自おくれにあつたこと

二、大崎、遠田両地方は水害激甚なる、鹿島台村、南郷村、涌谷町其他数個町の共同募金、実績が不良であることと

同下、いづれも奉仕者総動員で募金につとめています。
