Married and no children

Law Graduate

Japanese Army Air Corps - 1st Lt. - 5 years

2nd offense - 1st time put in prison about 10 years ago arrested by M.P. for being against war. Sentenced to Himeji Prison for 1 year 2 mo.

Arrested 2nd time 15 Oct 46 at Kagoshima. He gave himself up to police because one of the men under his command as lieutenant stole a car. This man was an Okinawan and had been repatriated to Okinawa, therefore he took the responsibility of taking the "rap" for him.

He stayed in Kagoshima lockup for 1 day. Then he was brought to above and stayed 20 days awaiting trial. His trial took one hour and he was sentenced for 10 months. He had a lawyer and paid for it himself, costing ¥500. He was allowed to see his lawyer once in presence of a guard.

He returned here 9 Nov. 46. He waited about one month and a half before getting a job. He stayed in the cell and did no work. He requested work 4 times. He was given a physical examination and a mental examination consisting of a type of puzzle suitable for 18 year olds with 7 years of schooling. The prisoner does not think the test has any value.

Declassified E.O. 12065 Section 3-402/NNDG NO. 775009

It was given by educational section.

He was assigned as trusty to the saw mill on the 20th of December 46 as 4th class. He was not in 3rd class and made 2nd class 16 Jan. 46. He does not know his wages. He is getting 1st class food, which is not as good quality as the average outsider receives. He is in a cell with 4 others and it is not too crowded nor too cold. He takes a bath twice a week. A week ago they had a stage show and plays baseball about twice a month.

He has not been mistreated but has seen others slapped. Also, one of the favorite punishments is to let a prisoner sit half naked at attention for a period of 12 hours. There are 2 or 3 guards that force this treatment in his cell block. He does not want to reveal their names.

The prisoner feels there is a definite lack of physical training and, also, he can only stay in bath for 1 minute - there is no soap. He feels there should be some chance for further education as practically all are interested in education.

He does not know anything about parole because it is very secret. He thinks that it is possible to be paroled at the end of about half his sentence, but knows it is never done at the end of one-third of sentence. The guard must submit the application for parole, which, in the prisoner's opinion, depends entirely on how friendly you are with guard. Money does not enter into it but he has seen many cases where the prisoner gives part of his rice to the guards. That is more or less an habitual action to make friends with guard. He feels he will be paroled about the end of May.

He would like to see self-government established in Japanese prison.

Declassified E.O. 12065 Section 3-402/NNDG NO. 775009

He expects to go to farming since his prison record will never permit him to practice law.

He feels there is a very definite militaristic atmosphere because all they do is give orders. There is no recognition of personalities. He says the reason it is military is because his military rank was recognized and he was jumped from 4th to 2nd in one month. Most of the guards are ex-soldiers. The most unreasonable guards are ex-enlisted men because they like revenge for the past treatment.

Kagoshima Ken So-gun Iwagawa Cho #6541

7 years of school

Parents and 4 brothers and sisters

Chauffeur

Japanese Infantry for 3 mo. as EM

1st offense

Arrested 16 Aug. 46 at Shibushi and taken to lockup. He was arrested for stealing potatoes from a factory where he worked. The reason for stealing the potatoes was because he didn't have enough food. He was being paid ¥360 per month. He was in lockup for 20 days, then sent to Kanoya Lockup for two weeks where his trial took place. The trial took one week and he appeared twice before the court. He was sentenced to one year. He did not have a lawyer. He asked for one but was refused. He was then sent here after 1 week due to the fact he was not yet 21. He arrived here 31 Sept. 46 and was assigned a job about 1 week later. During that time he received a physical and mental examination. He did not have any conferences with the chaplain or other interested parties.

He is now a foreman of the salt making plant. He started out by basket making and has had the job for 10 days. The reason he got the job was because the foreman requested him. He did not know the foreman. He is now 4th class prisoner and since he has not been here 5 months does not know his wages.

Declassified E.O. 12065 Section 3-402/NNDG NO. 775009

He was mistreated at Shibushi police lockup 3 separate times for talking back. He has never been mistreated here, nor has he seen anyone else being mistreated. The guards and 1st class prisoners treat them well.

He eats 3rd class food which is not sufficient and many times rotten potatoes are mixed in. He takes a bath every day.

He is too busy to get any recreation and has no holidays. They have stage shows but no movies.

His working hours are from 0430-1900, with his only rest period during meal hours. He gets up at 0430 one morning and 0530 the next morning.

He knows about parole and thinks he will be paroled about 11 Feb 47 as he thinks the guard has submitted the request.

Arrested at home on 18 Jan. 46 and taken to Kachiki lockup for fighting amongst some black marketeers. He was drunk at the time and didn't know what he was doing. He stayed in the lockup for 3 days, then brought here awaiting trial for 18 days. His trial took one day and he was sentenced to 2 years. He didn't have a lawyer and didn't ask for one. He arrived back here as a sentenced prisoner 7 Feb 46.

At present he is 3rd class and was a 4th class prisoner from Feb to Oct 46. He is a woodworker and foreman of the shop. He receives 5¥ 80 sen per month. He eats 1st class food and he feels that is sufficient. He is in a cell with 8 others, all different classes. It is crowded but there are sufficient blankets. He takes a bath twice a week. He plays baseball and throws ball during rest period.

He has not been mistreated, nor has he seen any others mistreated. He has no complaints. He knows he is eligible for parole but thinks he is being held due to the fact he was in the army stockade. It is up to the guard entirely to put in the request for parole. He is friendly
