C } - 16
D } - 6
G } - 76+ (approximately - difficult as yet to determine).
88

feel Mr Matsuo, mayor Gifu city for 25 years (including war years) purged because of city brand chief I RAA - was not very active in these activities - who told he could write in appeal - but very difficult to prove. Furthermore were told that someone has to be held culpable.

Were.

Are ordinances easily available for public inspection? Yes

10. Physical facilities of Screening Office.

Are records carefully filed and protected against fire? Yes

Is Screening Committee Office easily accessible to the general public Yes (City hall)

11 Remarks (Note: Use of extra sheets to supplement and enlarge upon this report is encouraged).

Believe Mr. Matano, mayor of Gifu city for 25 years (including war years) - purged because of fact he was city fire chief I.R.A.A. was not active in these activities - Screening committee told he could appeal but would be difficult to prove his point - also that someone had to be held culpable - so that if not he someone else was guilty

Roster of Persons who Fall under the Purge Directives.
