Additional Statement Concerning the Reason of

Petition for Recognition of Non-Zaibatsu Official

February 5, 1948

To: Mr. KATAYAMA Tetsu
Prime Minister

While the reason of petition required in Article 7 of the Law for Termination of the Zaibatsu Family Control is clear in the corresponding item in my petition, I would further testify fully regarding the circumstances under which I was appointed, the item required in Article 6 of the said Law, so as to make the proof more certain that I have no relation whatsoever with the Zaibatsu, stating (1) The circumstances of my entering The Mitsui Trust Co., Ltd. and my appointment as an official and (2) My convictions.

(1) The circumstances of my entering The Mitsui Trust Co., Ltd. and my appointment as an official.

I participated in the establishment of the company when Mr. Umekichi Yonerama, the first president of The Mitsui Trust Co., Ltd. returned from America and established The Mitsui Trust Co., Ltd. modeling the same after the trust companies in America.

As it was immediately after the great earthquake in the Kwanto district, the people joined in the establishment of the Company, exerted every effort to commence the business undergoing great trouble and inconvenience.

I have endevoured to develop the trust business in the first line of the business and paid scant attention to the mistaken policy of the Mitsui Honsha Ltd. and met with the dissolution of the Zaibatsu.

I served successively in six departments and branches and after

becoming director, I continued to be manager of the Investment Department serving always as an employee, in fact, in the first line of the business.

It was a great pleasure to me that I participated in the establishment of the company as an employee and was appointed an official of the Company.

That the above took place on the dissolution of the Zaibatsu was due to the fact that we needed specific knowledge for rehabilitation of the trust business at the end of war and we wanted to pay our employees well, I was convinced.

(2) My conviction

Being privately educated by Mr. Umekichi Yoneyama who had deep understanding in democracy, I devoted myself to the trust business, finding pleasure in helping women, children and others ignorant in economic knowledge and being appreciated by many people. This was a great honour to me apart from my assumption as an official. I have an earnest desire to continue to develop the public utilities of the trust company for the help of unfortunate person in society.

Hon. Tetsu Katayama,

Prime Minister,
Japanese Government,
Tokyo.

NAME OF ORGANIZATION to which I belong:-

The Nissan Fire & Marine Insurance Co., Ltd.
No.2, Itchome, Shiba-Tamura-cho, Minato-ku, Tokyo.

Sir:

Re: Submitting application concerning the Law for Termination of the Zaibatsu Family Control

In connection with the enforcement of the Law for Termination of the Zaibatsu Family Control, I hereby submit my statement of application and my report of personal investigation under the provisions of clause 1 or article 7 of the same law as per attached papers.

Yours cordially,

T. Ueda

Attached papers:

1) Statement of application.
   2 - Japanese copies, 2 - English copies.
2) Report of personal investigation.
   3 - Japanese copies, 3 - English copies.
3) Subordinate papers.
   a) Article of association.
   b) Office regulations.
   c) Copy of census register.

STATMENT OF APPLICATION

1) I assert that I am not a member of the Zaibatsu (Nissan), nor the spouse of its family members, nor their parent, son, daughter, brother nor sister, nor their spouse.

2) The controlling power of the Nissan Industrial Corporation (Nissan) was transfered to the Manchuria Industrial Corporation (Mangyo) which had been established in Manchuria in 1937. Consequently the Nissan Co., Ltd. have been operated on the basis of the club system and they have no control over the movements of officials of the Nissan Fire and Marine Insurance Co., Ltd.

Therefore the Nissan Fire & Marine Insurance Co., Ltd. have never got the approval from the Nissan Co., Ltd. regarding the appointment of the staff to be officials, as there is no arrangement between the two companies for doing so. The details of my assumption of the office as official are mentioned correctly in the attached report of my personal investigation.

3) On December 16th, 1942, I was elected and appointed the director of the Nissan Fire and Marine Insurance Co., Ltd. from among the employes and then the managing director on April, 1st, 1945 and has held the office to this date. The representative officials of the company during the period of time were the chariman, the president ~~and~~ and/or the senior managing director. While I held the office of director, I only managed the marine insurance business as the manager of the department. After I was appointed the managing director, I only served along the line of the affairs of the personnel section and the the business of the marine and the marine loss adjusting insurance departments as the immediate director.

The Articles of Association ~~clearly~~ stipulate in the Articles 28 and 30, respectively, as follows:

"The Chairman of the Board of Directors shall convene, and shall preside over the Meeting of the Board of Directors" and

"The President shall execute all the resolutions passed by the Board of Directors, and shall supervise all the affairs of the Company. The Vice-Presidents, the Senior Managing Directors and/or Managing Directors shall assist the President in execution of the Company's business."

And also the office Regulations stipulate in the Articles 2 and 7, respectively, as follows:

"The management of important matters, not stipulated in the regulations, shall be carried out with the approval of the president and/or the chairman", and

"The managers of departments shall get instructions from the immediate directors for supervising and transacting the business of their respective departments."

For this reason, my power was not equal to that of the chairman, the president and the senior managing directors.

4) I have never held concurrently the office of official of any other company affiliated to the Nissan Zaibatsu.

In connection with the enforcement of the Zaibatsu Families' Controlling Power Decentralization Law, I hereby submit my statement of application and my report of personal investigation under the provisions of clause 1 of article 7 of the same law as per attached papers.

Yours cordially,

T. Tomikaga.

Attached papers:

   2 - Japanese copies, 2 - English copies.
2) Report of personal investigation.
   3 - Japanese copies, 3 - English copies.
3) Subordinate papers.
   a) Article of association.
   b) Office regulations.
   c) Copy of census register.

STATMENT OF APPLICATION

1) I assert that I am not a member of the Zaibatsu (Nissan), nor the spouse of its family members, nor their parent, son, daughter, brother nor sister, nor their spouse.

2) The controlling power of the Nissan Industrial Corporation (Nissan) was transferred to the Manchuria Industrial Corporation (Mangyo) which had been established in Manchuria in 1937. Consequently the Nissan Co., Ltd. have been operated on the basis of the club system and they have no control over the movements of officials of the Nissan Fire and Marine Insurance Co., Ltd.

Therefore the Nissan Fire & Marine Insurance Co., Ltd. have never got the approval from the Nissan Co., Ltd. regarding the appointment of the staff to be officials, as there is no arrangement between the two companies for doing so. The details of my assumption of the office as official are mentioned conrrectly in the attached report of my personal investigation.

3) On December 16th, 1942, I was elected and appointed the director of the Nissan Fire and Marine Insurance Co., Ltd. from among the employes and then the managing director on April 25th, 1944, and the auditor on June 27th, 1945, and has held the office to this date. The representative officials of the company during the period of time were the chairman, the president and/or the senior managing directors. While I held the office of director, I attended the miscellaneous insurance department as the manager . While I was the managing director I served the same department.

The Articles of Association stipulate in the Articles 28 and 30, respectively, as follows:

"The Chairman of the Board of Directors shall convene, and shall preside over the Meeting of the Board of Directors," and

"The President shall execute all the resolutions passed by the Board of Directors, and shall supervise all the affairs of the Company. The Vice-Presidents, the Senior Managing Directors and/or Managing Directors

shall assist the President in execution of the Company's business."

And also the Office Regulations stipulate in the Articles 2 and 7, respectively, as foolows:

"The management of important matters, not stipulated in the regulations, shall be carried out with the approval of the president and/or the chairman;" and

"The managers of departments shall get instructions from the immediate directors for supervising and transacting the business of their respective departments."

For this reason, my power was not equal to that of the chairman, the president and/or the senior managing directors.

4) I have never held concurrently the office of official of any other company affiliated to the Nissan Zaibatsu.

STATMENT OF APPLICATION

1) I assert that I am not a member of the Zaibatsu (Nissan), nor the spouse of i.s family members, not their parent, son, daughter, brother not sister, nor their spouse.

2) The controlling power of the Nissan Industrial Corporation (Nissan) was transfered to the Manchuria Industrial Corporation (Mangyo) which had been established in Manchuria in 1937. Consequently the Nissan Co., Ltd. have been operated on the basis of the club system and they have no control over the movements of officials of the Nissan Fire and Marine Insurance Co., Ltd.

Therefore the Nissan Fire & Marine Insurance Co., Ltd have never got the approval from the Nissan Co., Ltd. regarding the appoineme of the staff to be officials as there is no arrangement between the two companies for doing so. The details of my assumption of the office as official are mentioned correctly in the attached report of my personal investigation.

3) On December 16th, 1942, I was elected and appointed the director of the Nissan Fire and Marine Insurance Co., Ltd. from among the employes and then the managing director on April 1st, 1945 and has held the office to this date. The representative officials of the company during the period of time were the chairman, the president and the senior managing director. While I held the office of director, I only managed the business of the account and the general affairs as the manager of the department. After I was appointed the managing director, I only served along the line of the business of the account, the liaison and the general affairs departments as the immediate director.

The Articles of Association clearly stipulate in the Articles 28 and 30, respectively, as follows:

"The Chairman of the Board of Directors shall convene, and shall preside over the Meeting of the Board of Directors" and

"The President shall execute all the resolutions passed by the Board of Directors, and shall supervise all the affairs of the Company. The Vice-Presidents, the Senior Managing Directors and/or Managing Directors shall assist the President in execution of the Compahy's business."
