MEDICAL.

GRINDLE'S
ANCIENT AND CELEBRATED

JAPANESE LIFE PILLS.

NATURE'S OWN REMEDY.

A Positive Cure for Liver Complaint and Billious Disorders, Dyspepsia, Sleeplessness, Scrofula, Cutaneous Diseases, Fever and Ague, Costiveness, Dysentery and Diarrhea, Worms, Suppression of the Menses, Nervous Debility, &c.

For a long time we have been compelled to witness with pain the anxious inquiries of many afflicted and life destroying drugs made into pills and Syrup mixtures, and publishing them without knowing their injurious effects upon the system. The mentioned evil may now be entirely stopped by us only these ANCIENT JAPANESE PILLS and our Magic CORDIAL for many years we have studied hard to find a remedy which, when taken, would destroy the disease, but not mere nerve nose alone; would regulate and strengthen, and not deplete and weaken the system.

We now announce to our sick this so-much-sought for remedy—a compound of mild and pleasant operation, actually purging out the disease and not mere aperients, thoroughly purifying the blood, and immediately strengthening the system—but been found. They will not cost millions, but positively cure every disease for which they are recommended. These Pills have stood the test of the ingenious Japanese Faculty for centuries, and the same kind of ingredients that composed the pills at that ancient time are combined to the present day.

No medicine except our Magic CORDIAL ever met with such unbounded success in so short a time, and the thousands of orders pouring in for them from all parts of the country are wonderful and astonishing! The number of these Pills being used by females alone for their various complaints constitutes in itself an immense trade. They are not the "female pill" so much puffed in public notice, which, instead of curing, produce cruel and dangerous complaints, but are only make or female, old or young, and cure by acting directly on the sick.

The Pills are sent by mail, from the proprietor only, on receipt of the price. The postage is the United States, not over 3,000 miles, is 3 cents each on five boxes, which must be inclosed in money or stamps. We are responsible for all moneys sent us by mail.

For sale by respectable druggists and dealers in medicine throughout the United States, the Canadas, Mexico, South America, &c., at 25 cents a box, or five boxes for $1.

JOSIAH S. GRINDLE, New York, Sole Proprietor, to whom all letters must be addressed. Also Proprietor of the *Wind Cordial, Celestial Magic Compound*, the great remedy for PULMONARY CONSUMPTION.

He has had a large tomb erected in Cemetery No. Two, Bienville street, similar to those in Greenwood Cemetery, New York, and which is destined to prevent temporarily embalmed bodies previous to their being taken for interment in other cemeteries. The bodies may be embalmed within eight or ten days after death. Relatives and friends of the deceased will be admitted to the inspection of the bodies at all time. mar26 1y
