Cotton.—Arrived since the 1st inst. of Louisiana and Mississippi 355 bales. Cleared in the same time, for Marseilles 830 bales, New-York 577, Philadelphia 50, together 1557, making a reduction in stock of 1202, and leaving on hand, inclusive of all on ship board not cleared on the 6th inst. a stock of 12495 bales. Since our last remarks nothing new has transpired—the quantity and quality of that on hand offers no particular inducement to purchasers, and our information as to sales is limited to two parcels of Mississippi, one of 45, the other 90 bales, at 9 cents. Of the new crop little can yet be said; all that has come to market is of inferior quality, and so far has attracted very little attention.

Sugar and Molasses, in the city.—For Sugar we make no alteration in quotations—the demand continues fair. For Molasses we quote the nominal value in town, 18 a 20 cents per gallon; it is very scarce in the city, and we are unable to say what were the last sales on plantation. Cleared this week, for New-York 364 hhds. Sugar, Philadelphia 234 hhds. Sugar, 1 do. Molasse.

Tobacco.—We have not heard of sales since our last report, except an odd hogshead now and then for city consumption. We continue to quote as last week, 2¾, 3 and 4 cents—no arrival. Cleared for London 346 hhds., New-York 81, Philadelphia. Stock on hand 5474 hhds.

Flour.—We notice in particular a sale of 300 bbls. from St. Louis, at $6 25. As a general price we do not however quote it, as the Bakers will not give it to any extent, if at all: the arrivals since the 1st amount to 2995 bbls. For *Sour*, the former rate $3 25 per bbl. continues to rule.

Lard,—No change in price has taken place—the quantity in market is confined to few hands. We quote 11 a 12 cents.

Bagging & Bale Rope.—have not changed in price or demand—we quote them nominal.

Bacon, Pork, Beef,—and the generality of Western produce, remain without change in price, and have very little demand.

Coffee.—For *Havana, green*, there is a very brisk demand, at an improvement in price—we quote now 12½ a 13½ cents per lb. There is no other description in market.
