(B). Now, I am going to discribe the actual condition of the meeting whereupon I was appointed the director of our company, as follows;

As the ex-president, Masanori Komatsu, under a certain reason, dismissed the president as well as the director of our company, a vacancy remained within the quorum of the directors. On June 18, 1946, at the Regular General Meeting of the Share-Holders , it was one of the subjects to decide the new director.

There was not any attendant from the Sumitomo Honsha Co.,Ltd., and from those families who have relationship with the Zaibatsu, who were the main shareholders, adhering closely the sense of the dissolution of the Zaibatsu. The letters of the attorny were submitted by them and the voting rights were practised into effect, as the behalf of them by Masanori Komatsu, Junichi Kano, Masanosuke Hirai, Masamiki Hirabayashi, Taizo Fujioka, Kenjiro Natsume and Setsuro Murakami(All those are the officials of our company) who were the attendants of the meeting.

With regard to the appointment of the director for a vacancy, they were not controlled by the Sumitomo Zaibatsu and by the Sumitomo Honsha Company Ltd. They decided it absolutely without such Zaibatsu' influence.

Under the above circumstances, I was appointed as a director of our company. Therefore, I am not the appointee of the Sumitomo Zaibatsu.

(Please, refer attachment; No. 4)

(C). The following paragraphs are the explanations for which I was not the appointee of the Sumitomo Zaibatsu.

Hitherto, by the custom, the Sumitomo Honsha Co., Ltd., had been issued a document in which many confidencial rules about the officials were contained, to the officials of the affiliated companies who were the appointees of the Sumitomo Honsha Co.,Ltd. But, I was not given such a document, at all.

(D). Up to this time, it is recognized the fact apparently that the officials of our company were almost transferred here from the Sumitomo Honsha Co., Ltd., but my nature is different from them, because I have been servicing in this company from the very beginning till up to the present date.

(E). By the regulation of the company, controlled by Sumitomo, the representing rights of the company rest only upon the high class directors, namely the managing directors and not the common directors.

So that, until up to the present date, I have no representing right of our company.

(f) It is proper saying that though I am being the director of our company, in fact, the level of my position is as same as a chief of the department in the head office rather than a director of our company, according to the kind of the business which are given.

When I was appointed as a director of our company, I was the chief of the Contract department of the head office as well as the chief of the Actuarial department, in additional charge, but I was not released from the said positions. Consequently, I was obliged to hold the same positions, in addition.

(The decision for the insurance contract and the payment of the claims belong to the Contract department)

(Caluculation of the premiums and reserve funds, handling the insurance mathematical and statistical works belong to Actuarial dept.)

After that, I was obliged to take the position of the chief of General Affairs department, after I dismissed the chief of Contract department, out, it was a exceedingly short period and soon I proceeded to the post of the manager of Tokyo branch office.

(Such kind of business belongs to General Affairs deprrtment; as handle the general business of the company, except the personnel affairs, because at that time, Personnel Affairs deprrtment was existing in our company.)

My staying period in Tokyo, as a manager of the branch office was six months and returned to the head office again. After that, though I was being a director I have been holding the position of the chief of General Affairs department.

(G) During my staying in Tokyo branch office I could not attend upon the regular meetings of the officials of our company which were held once in a month regulary, with exception of every other month, by the order of our president. So, I did not attend upon the meetings which were held in January, in March, In May and in July 1947.

(Please, refer the attachment; No.5)

(H). In our company, the common directors are not given " Right of Charging the Others". That is to say that the common directors are not given any right of the supervision over the chiefs of the any department of the head office.

So that, although I was appointed as a director, I was obliged to do the business of the chief of Contract department under the supervision of Masamiki Hirabayashi, the managing director. As a chief of Actuarial dept., as well as the chief of General Affairs dept., I did my works under the supervision of Taizo Fujioka, the managing director.

When I was in Tokyo, as a manager of Tokyo branch office I have done my work under the supervision of Masanosuke Hirai, the managing director who was stationed in Tokyo.

From the point of these facts, we well understand the value of the common director that is only the honorary name for the senior person whose rank is the chief of the department class in our company.

(3). My qualification does not fall under the Law for the Termination of Zaibatsu Family Controll.

(4). I had no experience of taking more than four positions of official in the Zaibatsu company, affiliated with Sumitomo, at the same time.

Although, I am a director of our company I have no experience of any kind of the executives in the other affiliated company of Sumitomo Zaibatsu ever before and of cause, at present, I am not in the position to accept the offering position of the other company.

(As my Curriculum Vitae shows, I am a managing director of Kokumin Mutual Life Insurance Co., the none-influenced company of Zaibatsu.)

REMARKS

Among these seven officials of our company(the quorum is seven)the six officials will dismiss from their present positions under the effect of this law.

Junichi Kano, the president, Masanosuke Hirai, the managing director, Masamiki Hirabayashi, the managing director, Taizo Fujioka, the managing director and Setsuro Murakami, the auditor will give up their present positions as they fall under this law.

Kenji Natsumem the standing auditor and I are now in the position to apply our qualifications for the examination. But Natsume, the standing auditor is going to give up this chance and intending to resign from his post under the certain reason.

Consequently, I am only one in our company who apply the qualification for the examination.

私は永年住友銀行に勤務していましたが、昭和二十一年三月當時住友信託社長福山善治郎氏から私に對し「同社重役陣は戰時中の人々が大部分引退したので現在は自分の外常務取締役能瀬茂人、同白尾豐策の兩氏のみだが能瀬氏は近く停年で引退の豫定であり白尾氏は病弱で永く重責に堪えない然るに一方社内の俊續者は年齒未だ若く二、三年後でなければ物にならぬと言ふ狀態であるので入つて一つ働いてくれ」との懇請を受けましたので同月二十三日銀行を圓滿退職の上當社に職員として入社本店支配人を命ぜられました、後間もなく同年四月二十七日能瀬常務取締役辭任に伴ひ常務取締役に選任せられ又同年十月白尾常務取締役辭任につき專務取締役に任ぜられましたが續いて廿二年一月四日附勅令第一號に基き一月十三日福山社長が辭任せられたので其の後をおそい今日に至りました。住友においては住友本社が獨り人事の統轄權を握つていました、その住友本社は昭和二十年十月二十四日を以て住友財閥の事實上の解體により既に傘下各社に對する統制を完全に停止して居りました又當社の大株主たる住友銀行は單に投資として株式を所有していたもので住友信託株式會社の人事は固より業務についても從來共何等關與して居りません、從つて私の就任については何等住友本社並びに住友銀行と關連はなく全く住友信託株式會社獨自の立場において決つたものであります。銀行出身者が信託會社に這入るのは我國における信託業の後進性に基くもので從來有力信託會社の幹部が悉く銀行出身者であることは世間衆知の事柄であります。

11. At the time of your assumption of office as official, whether or not the arrangement that the previous approval be obtained from the Zaibatsu or the direct Zaibatsu affiliate regarding assumption of the position of official existed between the Zaibatsu company where you served and the Zaibatsu or the direct Zaibatsu affiliates.

a. Whether or not the arrangemeut existed in writing.

None

b. Details of circumstances under which you assumed the position of official; particularly whether or not the Zaibatsu or the direct Zaibatsu affiliate was concerned in approving your assumption of office.

Circumstances under which I assumed the present post:

Prior to joining Sumitomo Trust Co., Ltd. at the earnest desire of Mr.Zenjiro Fukuyama, then President of the company, in March, 1946, I had been employed by Sumitomo Bank, Ltd. for some considerable time. Mr.Fukuyama confided to me at that time by telling that the members of his board of directors, most of whom were elected during the war, had retired one after another, leaving only Messrs. Nose and Shirao and himself on the board, and Mr.Nose was expected to retire shortly of the age limit, while Mr. Shirao was not expected to stay much longer owing to the reason of health. Mr.Fukuyama further said that, on the other hand, the prospective successors among the rank of the company were still young and would not be capable to assume the directorate for another few years. Under these circumstances, he asked me to join the company and help him.

I therefore resigned from Sumitomo Bank, Ltd. in good faith and joined Sumitomo Trust Co.'s staff, on March 23, 1946. My first appointment was Manager of the Head Office. Shortly afterward, on April 27th, I was elected a Standing Director to succeed Mr.Nose who resigned, and then in October the same year, following Mr. Shirao's resignation, I was elected Managing Director. Again on January 13, 1947, when Mr.Fukuyama resigned in accordance with the Ordinance No. 1 of January 4, 1947, I succeeded him and became President of the company which position I continue to hold at present.

In the past the authority of exercising personnel control of all Sumitomo companies had been exclusively in the hands of Sumitomo Honsha, Ltd., which however was liquidated for all practical purposes as of October 24, 1945, when it ceases to possess any further authority over all the companies affiliated with Sumitomo. Furthermore, Sumitomo Bank, Ltd.

one of the largest shareholders of this company, has had our stock simply for an investment purpose, and at no time had any interest in our company's personnel administration, nor intervened in our business.

Consequently, my appointment had been made purely from the standpoint of Sumitomo Trust Co., Ltd., without recourse to Sumitomo Honsha, Ltd. or Sumitomo Bank, Ltd.

I may mention that the fact that former bank employees working for a trust company is due to the simple reason of the trust business having been developed after the banking business in this country, and also that it is a well known fact that all the executive member of most of the major trust companies have had banking experience in their previous career.

Mr. T. Katayama,
Prime Minister.

Sir,

In accordance with para. 1 of Article 6 and para. 1 of Article 7 of the Law for Termination of the Zaibatsu Family Control, dated January 7, 1948, Law No. 2, I hereby apply for your acknowledgement of the fact that the undersigned does not come under the category of the Zaibatsu designated officer as stipulated in the said law.

The following papers are attached hereto for your study:-

a. Reasons for submitting application

b. Supplementary documents

c. Personal questionnaire

REASONS FOR SUBMITTING APPLICATION

(Eiji Kumagai)

I, the undersigned, had assumed the post of officer (Standing Director) of Sumitomo Trust Co., Ltd. on April 27, 1946. (Please refer to No. 1 of Supplementary Documents attached.)

This date of my assumption of the post being prior to the date when the first transfer of the voting power of the stock of Sumitomo Trust Co. was made to the Holding Company Liquidation Commission subsequent to Sept. 3, 1945, my case might come under the scope of No. 2, para. 2, Art. 3 of the Law for Termination of the Zaibatsu Family Control. Nevertheless, as you will note in the below-mentioned chapters with reference to No. 2, para. 1 of Art. 6 and Nos.1, 2 and 4, para. 1 of Art. 7 of the same law, I believe I have enough ground to justify my submitting this application and request to be exempt from being classed as an officer designated by the Zaibatsu family specified in the said law.

I wish to enumerate below the reasons why I shall not be classed as a Zaibatsu designated officer:-

I. Relation with Sumitomo family.(No. 1,para.1,Art.7 of the Law)

I have no family relationship with any of the Sumitomos, nor with anyone who is on the same family register with the Sumitomos.

II. Circumstances under which I assumed the position of officer, how I execute the present duties, and the relation between Sumitomo Honsha Ltd. and Sumitomo Trust Co. (No.2, para.1 of Art.7, and No.2, para.1 of Art.6 of the Law.)

(1) Prior to joining Sumitomo Trust Co. at the earnest desire of Mr. Zenjiro Fukuyama, then President of the company, in March, 1946, I had been employed by Sumitomo Bank for some considerable time. Mr. Fukuyama confided to me at that time by telling me that the members of his board of directors, most of whom were elected during the war, had retired one after another, leaving only Messrs. Nose and Shirao and himself on the board, and Mr. Nose was expected to retire shortly of the age limit, while Mr. Shirao was not expected to stay much longer owing to the reasons of health. Mr. Fukuyama further said that, on the other hand, the prospective successors among the rank of the company were still young and would not be capable of assuming the directorate for another few years. Under these circumstances, he asked me to join the company and help him.

I therefore resigned from Sumitomo Bank in good faith and joined Sumitomo Trust Co.'s staff, on March 23, 1946. My first appointment was Manager of the Head Office. (Refer to No.5 of Supplementary Documents attached.)

Shortly afterward, on April 27, I was elected a Standing Director to succeed Mr. Shigeto Nose who resigned, and then in October the same year, following Mr. Toyosaku Shirao's resignation, I was elected Managing Director. Again, on January 13, 1947, when Mr. Zenjiro Fukuyama resigned in accordance with the Ordinance No. 1 of January 4, 1947, I succeeded him and became President of the company, which position I continue to hold at present.

Thus, my appointment to the officer of Sumitomo Trust Co. was made independently on the company's own decision, and in no way was influenced by the wishes or desire of Sumitomo Bank or Sumitomo Honsha Ltd.

(2) In the case of Sumitomo Zaibatsu, Sumitomo Honsha Ltd. has had the controling power over all affiliated companies, and no one direct affiliate had any say in the affairs of personnel or business of another direct affiliate.

In line with this policy, Sumitomo Bank, one of the largest shareholders of Sumitomo Trust Co. has held the stock only for an investment purpose, and neither in the past nor currently there exists any arrangement between Sumitomo Bank and Sumitomo Trust Co. relative to the business and personnel affairs of the latter. Neither has the bank intervened in the business or personnel questions of the trust company in any way. (Please refer to No. 2 of the Supplementary Documents attached.)

Moreover, Sumitomo Honsha Ltd. has ceased to exercise its controling power over business and personnel affairs of all affiliates after October, 1945, and inasmuch as the Sumitomo Zaibatsu has been practically liquidated by going through the following procedures, since then Sumitomo Trust Co. has become an independent and self-managed unit.

(a) It has been decided at its Directors' meeting held on Oct. 19, 1945 that Sumitomo Honsha Ltd. shall be liquidated and entirely stop all control it has been exercising over its direct affiliates. (Refer to No.3-A of Supplementary Documents attached.)

(b) The above decision has been informed to the supervisory representative of each of the affiliated companies on Oct. 24, 1945. (Refer to No.3-B & C of Supplementary Documents attached.)

(c) The decision reached in the paragraph (a) above has been announced to each affiliated company by letter under the date of Nov. 7, 1945 (refer to No.3-D & E of Supplementary Documents attached), and the public announcement of the same was made through newspaper dated Nov. 8, 1945 (refer to No.4 of Supplementary Documents).

(3) As clarified in the foregoing, there existed no arrangement whatsoever between Sumitomo Trust Co. and Sumitomo Bank, nor with Sumitomo Honsha Ltd., necessitating prior agreement in appointing an officer. Consequently, there was not the slightest evidence of any approval or agreement having been obtained from either Sumitomo Honsha Ltd. or Sumitomo Bank when I was made an officer of the company on April 27, 1946.

The same holds true when I subsequently assumed the post of Managing Director and then the Presidency.

(4) Inasmuch as the circumstances under which I assumed the post of an officer of Sumitomo Trust Co. are as above, it is also a true fact that I have and am carrying out the duties assigned to me solely from an independent stand without being directed or intervened by Sumitomo Honsha Ltd. or Sumitomo Bank.

III. Other than the present position with Sumitomo Trust Co., I have never assumed an officer's post with any other Sumitomo affiliates. (No.4, para.1 of Art.7 of the Law).

Nishinomiya, Feb. 3rd, 1948.

To whom it may concern,

This is to certify that Mr. Eiji Kumagai was ~~was~~ made a director of Sumitomo Trust Co., Ltd., under the following circumstances:-

Following the war's end, most of the members of the board of directors of Sumitomo Trust Co., who were on the board during the war, had resigned one after another, and it was expected Messrs. Shirao and Nose, former Standing Directors, and the undersigned were also to tender resignation shortly. It was therefore inevitable that the vacancies must be filled just as soon as possible.

To pick a candidate at that time from among the members of the Company's staff was rather difficult, on account of few prospects were available, due to the low average age of the staff for the reason of the Company itself being not comparatively an old establishment. The only alternative was to pick a right man from another organization to fill the immediate vacancy.

Under such circumstances, I felt Mr. Eiji Kumagai, whose personality and vision I have known and regarded highly, was the most suitable candidate for the board, and after obtaining the wholehearted approval and support from the executive staff members, I talked to him and to Sumitomo Bank where he was employed. They agreed, and Mr. Kumagai came to Sumitomo Trust Co. on March 23, 1946, in a capacity of Manager of the Head Office. Then, at the general shareholders' meeting of April 27, 1946, he was unanimously elected a Director of the Company.

The above is the true circumstances under which Mr. Kumagai had resigned from Sumitomo Bank, without prejudice, and came to Sumitomo Trust Co. to assume the post of an officer, and it had not been arranged by the intention of Sumitomo Honsha Limited or of Sumitomo Bank.

Yours truly,

Sir,

In connection with the Law for Termination of the Zaibatsu Family Control which we understand has been put into effect recently, we would like to plead for your special consideration in the case of Mr. Saburo Sawano, so that he could remain as Standing Director of Sumitomo Trust Co.

Mr. Sawano had been promoted to the board from a rank of office staff only after the Sumitomo Zaibatsu was liquidated following the war's end. Consequently he is not of the former Sumitomo Zaibatsu, nor does he come under the category of a Zaibatsu designated officer as outlined in the subject law.

Moreover, he is a man of highly respectable personality and possesses abundant business experience, clear vision and all-around managerial ability. He is exerting daily efforts in administering the Company's business on as democratic a principle as possible, along in the same line as the desires of the employees.

Reviewing from every angle, we believe he is indispensable for the future operation of the Company. The Company is at present in the most critical period of reconstruction, and at the time when we are expected to demonstrate what we are worth to the fullest extent in the rehabilitation of the democratized Japanese economy, should we, by any chance, lose Mr. Sawano from the Company, it would mean not only a loss of the main-stay of our Company, but also would give an immeasurable shock to the employees.

We therefore sincerely ask you on behalf of every member of the Employees' Association to give this matter your due considration so that Mr. Sawano may remain with the Company.

Yours truly

S. Okudaira.

Senichi Okudaira

Federation of Employees
Associations, Sumitomo

Personal Statement.

I was a director as well as the Tamashima Mill Manager of the Taiyo Rayon Co. Ltd. amalgamated by this company on September 15th 1941 . In accordance with the agreement of the amalgamation,,I continued the services as a director as before with all employees. Therefore, my appointment did not result from recommendation by the Yasuda Zaibatsu. It was said that there was the agreement as to the appointment of the director between Yasuda Hozensha and this company, but my case was exceptional. In accordance with the agreement of the amalgamation, I was appointed as the director (kindly refer to the attached certification), and so I had had nothing to be relative to the Yasuda Zaibatsu at all . I have no family relation with any of the Yasuda Zaibatsu Family, nor have I any relative among that family, at any time I had not any additional position related to the Yasuda Zaibatsu.

As explained in the above, I was not an executive personel related to the Zaibatsu.

Attached documents:-

1. Certification, regarding my appointment ~~of~~ to the executive position according to the amalgamation of the Taiyo Rayon Co. Ltd..
2. Statement relating to the executive personel matters of the Teikoku Sen-I Kaisha Ltd.

Cerification

This is to certify that when the Teikoku Seima Kaisha Ltd. made the amalgamation with the Taiyo Rayon Kaisha Ltd. on the august 1st 1941 and the former was renamed as the Teikoku Sen-I Kaisha Ltd. At the time of amalgamation Mr. Jiro Nagano who was the director of the Taiyo Rayon Kaisha Ltd., had to be appointed as the director of the Teikoku Sen-I Kaisha Ltd. with five other members. The appointment of those persons were one of the stipulations during negotiation for the amalgamation.

Herewith I certify as the responsible negotiator that the above fact is correct.

The actual facts for the appointment of the executive personels.

I firmly believe that the appointment of the executive personels were conducted under the conditions and circumstance as explained in the following:-

1. This company had the arrangement as to obtaining sanction about certain business matters from the Yasuda Hozensha by presenting a memorandum, but this company, by its business nature, had been under the control of the military authority during the war, the matter for obtaining the Hozensha's sanction became the matter of formality. This practice had been applied also in event of appointment of an executive personel. Except Zengoro Yasuda, Torazo Kawaji and Seiichi Iwamura who were recommended and appointed by the Yasuda Hozensha, all other executive personels were selected and appointed on the sole reason from the business nature of the comapny itself or the technical nature, and most of whom were promoted or joined as the result of the negotiations for the amalgamations, consequently the appointment of executive personels had become the matter to be decided by the company itself in the late years, and the Hozensha's sanction had been given without any interferance, whatsoever from their side.

Since the year of 1941, the Hozensha's control over us became extinct not only in the monetary but also personal matters, and it isn't erroneous statement to say that the Yasuda Hozensha had not power of control over the appointment of executive personels during the war time and post-war years.

On the 1st of the November 1945, the Yasuda Hozensha had cancelled the regulation regarding the obtaining sanction by presenting the memorandum from the subsidiary companies under their control. This cancellation was the result of the alteration of the article of the association passed at the general meeting held on Oct. 23rd 1945, by the members of the Yasuda Hozensha and the result had made clear regarding the abandonment of the control over the subsidiary companies, thus even in the formality for obtaining the sanction from the Yasuda Hozensha became unnecessary.

2. The regulation and principle for the appointment of the executive personels.

This company had no written regulation and principle for the appointment of the executive personels, but during the pre-war years the executive personels were selected and appointed by the Yasuda Hozensha. However, from the years(1940-1941), the general opinion having become prevalent for appointing the employees to the directors and responsible positions, and moreover having been essential to appoint to the directors, the technicians with long service, and perosnels with characteristic experience, because of such a reason that there was almost no adequate personels as our executive officer in the linen industry of Japan, owing to the fact that the industry was almost operated by our company. Such appointment became in the recent years the unwritten regulation and principles.

Since the year of 1931 there were 42 executive personels, of whom:-

appointment by affiliation, or transfer, 10 personels

appointment by promotion from the employees, 12 personels

and for those above mentioned, it was not necessary to obtain the sanction by memorandum from the Yasuda Hozensha prior to the appointment.

3. During the war, the business of this company was under the military control and the appointment of executive personels was of consultative nature with the military authority, seeking their advice and sanction as the customary practice.

4. Most of the present executive personels of thos company are those who were requested to take office by the unanimous resolutions, passed at the meetings of the chieves(of the sections and departments) and also of the representatives of the employees' trade union, when the president and other five directors had resigned in February of 1947 in accordance with the Purge Law.

They were as follows:-

Chairman	Okajiro Tsukagoshi
President	Yoshihiko Sasaki
Senior Managing Director	Torizo Yamada
Junior Managing Director	Hisao Hara
" " "	Ziro Nagano
Director	Susumu Suwa(promoted from staff)
"	Shigeyo Imura (")
"	Fuku Kubo (")

At the time of appointment, Hara and Nagano were requested to become Junior Managing Director by the employee's resolutions,

however, Yamada alone was made Junior Manafing Director, and on the 20th August at the board of the directors' meeting it was decided that Yamada was appointed to Senior Managing Director, Hara, Takahashi, Nagano and Takagi to Junior Managing Director.

Petition: Relating to the Article 7 of the Law for Termination of Zaibatsu Family Control.

Respectfully state that I have been notifed by the publication that I would be classed as the excutive personal related to the Zaibatsu under the clause II, No. 1 of the Article 3 by the Law of Termination of Zaibatsu Family Control however I present this petition for your kind re-consideration, with the attached personal statement, proving that I have not been related to the said Zaibatsu.

Jiro Nagano, Junior Managing Director,
The Teikoku Sen-I Kaisha Ltd.
I, 1-Chome, Nihonbashi, Muromachi,
Chuo-Ku, Tokyo.

Personal Statement.

As I come under the regal interpretation within Clause I, from No. 1 to No. 4 of the Article 7 of the Law for Termination of Zaibatsu Family Control, as explained in the following, I do not come within the meaning of Zaibatsu excutive.

1. I have not related in blood to any of the Yasuda Zaibatsu Family nor have I any relative among that family.
2. There was the agreement regarding to the appointment of directors between the Yasuda Hozensha and this company, but in my case the appointment was exception. When the Taiyo Rayon Co. Ltd. was amalgamated by this company on the Sept. 15th 1941, I was the director of the fomer company and as well as the chief of the Tamashima Mill and by the said amalgamation I have joined the board of directors of the Teikoku Sen-I Kaisha Ltd. (kindly refer to the attached certification) and I did not become the director of this company through the recommemdation by the Yasuda Hozensha.
3. On the 20th Aug. 1947 I was appointed to the present junior managing director and until that time I was just the director acting as chief supervisor of the mills and the powers in the management were less than those I hold at present.
4. At any time I have not any additional position, related to the Yasuda Zaibatsu.

Cerification

This is to certify that when the Teikoku Seima Kaisha Ltd. made the amalgamation with the Taiyo Rayon Kaisha Ltd. on the August 1st 1941 and the former was renamed as the Teikoku Sen-I Kaisha Ltd. At the time of amalgamation Mr. Jiro Nagano who was the director of the Taiyo Rayon Kaisha Ltd., had to be appointed as the directors of the Teikoku Sen-I Kaisha Ltd. with five other members. The appointment of those persons were one of the stipulations during negotiation for the amalgamation.

Herewith I certify as the responsible negotiator that the above fact is correct.

The actual facts for the appointment of the executive personels.

I firmly believe that the appointment of the executive personels were conducted under the conditions and circumstance as explained in the following:-

1. This company had the arrangement as to obtaining sanction about certain business matters from the Yasuda Hozensha by presenting a memorandum, but this company, by its business nature, had been under the control of the military authority during the war, the matter for obtaining the Hozensha's sanction became the matter of formality. This practice had been applied also in event of appointment of an executive personel. Except Zengoro Yasuda, Torazo Kawaji and Seiichi Iwamura who were recommended and appointed by the Yasuda Hozensha, all other executive personels were selected and appointed on the sole reason from the business nature of the company itself or the technical nature, and most of whom were promoted or joined as the result of the negotiations for the amalgamations, consequently the appointment of executive personels had become the matter to be decided by the company itself in the late years, and the Hozensha's sanction had been given without any interferance, whatsoever from their side.

Since the year of 1941, the Hozensha's control over us became extinct not only in the monetary but also personal matters, and it isn't errorneous statement to say that the Yasuda Hozensha had not power of control over the appointment of executive personels during the war time and post-war years.

On the 1st of the November 1945, the Yasuda Hozensha had cancelled the regulation regarding the obtaining sanction by presenting the memorandum from the subsidiary companies under their control. This cancellation was the result of the alteration of the article of the association passed at the general meeting held on Oct. 23rd 1945, by the members of the Yasuda Hozensha and the result had made clear regarding the abandonment of the control over the subsidiary companies, thus even in the formality for obtaining the sanction from the Yasuda Hozensha became unnecessary.

2. The regulation and principle for the appointment of the executive personels.

This company had no written regulation and principle for the appointment of the executive personels, but during the pre-war years the executive personels were selected and appointed by the Yasuda Hozensha. However, from the years (1940-1941), the general opinion having become prevalent for appointing the employees to the directors and responsible positions, and moreover having been essential to appoint to the directors, the technicians with long service, and personels with characteristic experience, because of such a reason that there was almost no adequate personels as our executive officer in the linen industry of Japan, owing to the fact that the industry was almost operated by our company. Such appointment became in the recent years the unwritten regulation and principles.

Since the year of 1931 there were 42 executive personels, of whom:-

appointment by affiliation, or transfer, 10 personels

appointment by promotion from the employees, 12 personels and for those above mentioned appointment , it was not necessary to obtain the sanction by memorandum from the Yausda Hozensha prior to the appointment.

3. During the war, the business of this company was under the military control and the appointment of executive personels was of consultative nature with the military authority, seeking their advice and sanction as the customary practice.

4. Most of the present executive personels of this company are those who were requested to take office by the unanimous regulations, passed at the meetings of the chieves(of the sections and departments) and also of the representatives of the employees' trade union, when the president and other five directors had resigned in February of 1947 in accordance with the Purge Law.

They were as follows:-

Chairman	Okajiro Tsukagoshi
President	Yoshihikon Sasaki
Senior Managing Director	Torizo Yamada
Junior Managing Director	Hisao Hara
" " "	Ziro Nagano
Director	Susumu Suwa (promoted from staff)
"	Shigeyo Imura (")
"	Fuku Kubo (")

At the time of appointment, Hara and Nagano were requested to become Junior Managing Director by the employees resolutions,

however, Yamada alone was made Junior Managing Director, and on the 20th August at the board of the directors' meeting it was decided that Yamada was appointed to Senior Managing Director, Hara, Takahashi, Nagano and Takagi to Junior Managing Director.

11. At the time of your assnmption of office as official, whether or not the arrangement that the previous approval be obtained from the Zaibatsu or the direct Zaibatsu affiliate regarding assumption of the position of official existed between the Zaibatsu company where you served and the Zaibatsu or the direct Zaibatsu affiliates.

a. Whether or not the arrangemeut existed in writing.

None

b. Details of circumstances under whicn you assumed the position of official; particularly whether or not the Zaibatsu or the direct Zaibatsu affiliate was concerned in approving your assumption of office.

Circumstances under which I assumed the present post:

When Standing Director Saito, Directors Sumitomo and Furuta resigned from the board on October 30, 1945, shortly after the war's end, followed by Director Okahashi who resigned on January 31, 1946 and then Standing Director Nose and Director Endo who resigned on April 27, 1946 (Mr.Nose was made Auditor), it was decided to promote to the directorate some of the staff members who have personality and ability. Thus I was elected a director at the general shareholders' meeting of April 27, 1946, continuing at the same time as the Manager of Trust Department.

When on October 10, 1946 Standing Director Shirao resigned and made an ordinary director, while Standing Director Kumagai was made Managing Director, I was elected at the Director's meeting held on the same day, to be a Standing Director. While holding the title of a Standing Director, I continued to hold the position of Manager of Trust Department until December 2, 1946, when I was relieved of the latter position, although even after then I was to execute in reality the work of the Trust Department Manager. It was only after January 13, 1947 following the change of the President of the Company that I assumed the full responsibility as the Standing Director.

In Zaibatsu companies of Sumitomo, Sumitomo Honsha, Ltd. had the exclusive authority of exercising personnel control. However, after October 24, 1945, Sumitomo Honsha, Ltd. was liquidated for all practical purposes and ceased to possess the power of control over the affiliated companies.

While Sumitomo Bank, Ltd. has been one of the largest stockholders of our company, it has never taken any active part in the latter's personnel or business administration.

Accordingly, neither Sumitomo Honsha, Ltd. nor Sumitomo Bank, Ltd. has had any influence in my election to the directorate and to the present position of Standing Director of Sumitomo Trust Co., Ltd.

No. 22, Kitahama 5-chome, Higashiku,
Osaka, February 3rd, 1948.

Mr. T. Katayama,
Prime Minister.

Sir,

In accordance with para. 1 of Article 6 and para. 1 of Article 7 of the Law for Termination of the Zaibatsu Family Control, dated January 7, 1948, Law No. 2, I hereby apply for your acknowledgement of the fact that the undersigned does not come under the category of the Zaibatsu designated officer as stipulated in the said law.

The following papers are attached hereto for your study:-

a. Reasons for submitting application

b. Supplementary documents

c. Personal questionnaire

Yours truly,

H. Nishimura

Hanjiro Nishimura,
Standing Director,
Sumitomo Trust Co., Ltd.

s.

Osaka, Feb. 3, 1948.

REASONS FOR SUBMITTING APPLICATION

(Hanjiro Nishimura)

I, the undersigned, had assumed the post of officer (Director) of Sumitomo Trust Co., Ltd. on April 27, 1946. (Please refer to No. 1 of Supplementary Document attached.)

This date of my assumption of the post being prior to the date when the first transfer of the voting power of the stock of Sumitomo Trust Co. was made to the Holding Company Liquidation Commission subsequent to Sept.3, 1945, my case might come under the scope of No. 2, Para. 2, Art. 3 of the Law for Termination of the Zaibatsu Family Control. Nevertheless, as you will note in the below-mentioned chapters with reference to No. 2, Para. 1 of Art. 6 and Nos. 1, 2 and 4, Para. 1 of Art. 7 of the same law, I believe I have enough ground to justify my submitting this application and request to be exempt from being classed as an officer designated by the Zaibatsu family specified in the said law.

I wish to enumerate below the reasons why I shall not be classed as a Zaibatsu designated officer:-

I. Relation with Sumitomo family (No.1, Para.1 of Art. 7 of the Law)

I am not of the Sumitomo family, nor on the same family register with them. I have no family relation by marriage or otherwise with any of the Sumitomos, nor with anyone who is on the same family register with the Sumitomos, nor with their parents, children, brothers or sisters, nor am I parent or brother of any of these persons.

II. Circumstances under which I assumed the position of officer, how I execute the present duties, and the relation between Sumitomo Honsha Ltd. and Sumitomo Trust Co. (No. 2, Para.1 of Art.7, and No.2, Para.1 of Art.6 of the Law)

(1) Immediately upon graduation from Tokyo University, I entered Sumitomo Trust Co. on July 15, 1926, with which I have been staying ever since to this day. During the same period I have never worked for any other Sumitomo affiliates either as a staff member or as an officer.

(2) However, in the meantime,
(a) On Oct. 30, 1945, Messrs. Shigetaro Saito, Kichizaemon Sumitomo and Shunnosuke Furuta have resigned from the posts of Standing Director and Directors, respectively.
(b) On Jan. 31, 1946, Director Rin Okahashi resigned.
(c) On April 27, 1946, Standing Director Shegeto Nose and Director Utazo Endo also resigned.

While Mr. Shigeto Nose was made an auditor, the

~~the~~ successive resignations of the directors necessitated replacements, and at the general shareholders' meeting of April 27, 1946, I was elected to the board of directors, although I was to continue as Manager of Trust Department simultaneously.

On Oct. 10, 1946, as Mr. Toyosaku Shirao resigned the post of a Standing Director and became an ordinary director while Mr. Eiji Kumagai, another Standing Director, was elected Managing Director, I was elected a Standing Director to fill the vacancy, at the Directors' Meeting held on the same day, and I am holding the same post to the present writing.

Even after I was made an officer, I held the position of Trust Department Manager simultaneously until Dec. 2, 1946, and virtually I was executing the responsibilities expected of the Trust Department Manager. Furthermore, even after I was relieved of the Manager's title, my work and responsibilities during the period Mr. Eiji Kumagai was acting as Managing Director, were the same as before. It was only after Jan. 13, 1947 when Mr. Kumagai was made the President of the Company, that I began to execute the duties as the Standing Director. (Please refer to No.5-A & B of the Supplementary Documents attached)

Thus, my appointment to the Director and then to the Standing Director was made on the ground of my business experience gained during my career at Sumitomo Trust Co. as well as of my personality and ability, which enabled me to be promoted from the rank of the staff. This decision was made purely from the independent stand of the Company without any recourse whatsoever to Sumitomo Honsha Ltd. or Sumitomo Bank.

(3) In the case of the Sumitomo Zaibatsu, Sumitomo Honsha Ltd. has had the controling power over all affiliated companies, and no one direct affiliate had any say in the affairs of personnel or business of another direct affiliate.

In line with this policy, Sumitomo Bank, one of the largest shareholders of Sumitomo Trust Co. has held the stock only for an investment purpose, and neither in the past nor currently there exists any arrangement between Sumitomo Bank and Sumitomo Trust Co. relative to the business and personnel affairs of the latter. Neither has the bank intervened in the business or personnel affairs of the trust company in any way. (Please refer to No. 2 of the Supplementary Documents attached)

Moreover, Sumitomo Honsha Ltd. has ceased to exercise its controling power over business and personnel affairs of all affiliates after October, 1945, and inasmuch as the Sumitomo Zaibatsu has been practically liquidated by going through the following procedures, since then Sumitomo Trust Co. has become an independent and self-managed unit.

(a) It has been decided at its Directors' Meeting held on Oct. 19, 1945 that Sumitomo Honsha Ltd. shall be liquidated and entirely stop all control it has been exercising over its direct affiliates. (Please refer to No.3-A of Supplementary Documents attached)

(b) The above decision has been informed to the supervisory representative of each of the affiliated companies on Oct. 24, 1945. (Please refer to No.3-B & C of Supplementary Documents attached)

(c) The decision stated in the paragraph (a) above has been announced to each affiliated company by letter under the date of Nov. 7, 1945 (refer to No.3-D & E of Supplementary Documents attached), and the public announcement of the same was made through newspaper dated Nov. 8, 1945 (refer to No. 4 of Supplementary Documents attached.)

(4) As clarified in the foregoing, at the time when I was elected to the board of directors, there existed no arrangement whatsoever between Sumitomo Trust Co. and Sumitomo Bank, nor with Sumitomo Honsha Ltd. necessitating a prior agreement in appointing an officer. Consequently, there was not the slightest evidence of any approval or agreement sought of either Sumitomo Honsha Ltd. or of Sumitomo Bank on my appointment.

The same holds true when I was made a Standing Director.

(5) Inasmuch as the circumstances under which I assumed the post of an officer of Sumitomo Trust Co. are as above, it is also a true fact that I have and am carrying on the duties assigned to me solely from an independent stand without being directed or intervened by Sumitomo Honsha Ltd. or Sumitomo Bank.

III. Other than the present position with Sumitomo Trust Co., I have never assumed an officer's post with any other Sumitomo affiliates. (No.4, Para.1 of Art.7 of the Law)
