3. Make and record vessel assignments and maintain movement records of floating units assigned to Patrol and Rescue Division.
4. Review reports of performance including trial of all MSB floating units.
5. Administer and supervise the program for the maintenance of all floating units of MSB.

## MERCHANT MARI

### I MERCHANT MARINE

Administer the pro service with respect to merchant marine materia Furnish technical assis the review of merchant tions, the administrati Act, and the examinatio equipment items submitt

### II MERCHANT VESSEL

Administer the pro marine material and ope including approval of v equipment, inspection o prescription of manning development and enforce rules, the administrati regulations, the number vessels, and the enforc Cargo Act.

### III MERCHANT VESSEL

Administer the pro and enforcement of merc safety standards includ certificating of person and hearing of alleged negligence, or incompet tion, suspension and/or licences and /or certif hearing board; the inve and the maintenance of personnel records and s

## MERCHANT MARINE SAFETY DIVISION

### MERCHANT MARINE TECHNICAL SECTION

Administer the program for technical advisory
ce with respect to improving and enforcing
ant marine material safety standards.
sh technical assistance in connection with
eview of merchant vessel plans and specifica-
, the administration of the Load Line
and the examination of merchant vessel
ment items submitted to the MSB.

### MERCHANT VESSEL INSPECTION SECTION

Administer the program for enforcing merchant
material and operation safety standards
ding approval of vessel plans and
ment, inspection of vessels, the
cription of manning requirements, the
opment and enforcement of inland navigation
, the administration of motorboat
tions, the numbering of undocumented
s, and the enforcement of the Dangerous
Act.

### MERCHANT VESSEL PERSONNEL SECTION

dminister the program for the development
forcement of merchant marine personnel
standards including the licensing and
ficating of personnel; the investigation
aring of alleged cases of misconduct,
ence, or incompetence; and the admoni-
suspension and/or revocation of
es and /or certificates as decided by
g board; the investigation of casualties:
e maintenance of merchant marine
nel records and statistics.

I ADMINISTRATION SECTION

1. Planning, investigation & inspection of hydrographic activities.
2. Technical investigation & study of hydrographic activities.
3. Collection, arrangement & custody of data of hydrographic activities and matter interchange of data.
4. Supervision & of surveying and observation boats.
5. Determine requirements for Hydrographic floating Units in terms of types numbe equipment.
6. Determine and publish the crew manning table for the Hydrographic floating Uni
7. Make and record boat assignments and maintain movement records of Hydrographic Units.

II SURVEYING SECTION

1. Hydrographic survey.
2. Investigation & study of terrestrial magnetism and compilation thereof.
3. Preparation of instruments and materials for surveying.

III OCEANOGRAPHIC SECTION

1. Oceanographic observation.
2. Report on currents.
3. Computation of data on the tide and currents.
4. Investigation & study of oceanographic and oceanographic meteorology.
5. Compilation of charts of Oceanography and oceanographic meteorology.

IV ASTRONOMICAL SECTION

1. Astnonomical observation and computation of astronomical data.
2. Investigation & study of astronomy.
3. Compilation of astronomical Charts.

V CHART & PUBLICATION SECTION

1. Notices to mariners and aviators.
2. Investigation of navigational and aerial course.
3. Compilation of charts and publication.
4. Drawing up, revision and custody of original charts of survey.
5. Custody and distribution of charts & publication.

VI PRINTING SECTION

1. Type founding and printing.
2. Investigation and study of type founding and printing technique & custody an of plates.
