TELEPHONE ABSTRACT

FROM: Mr. Nakata, Rep. Sec. Kyoto

TO : Mr. Nishio

DATE: 1530,9 Apr 51

Mr. N: S.P.B. notified Rep Sec Kyoto Pref that a plot-survey will be made of Katsura plant, Mitsubishi Jukogyo KK (22-9) by order of 8th Army (thru J.L.C.?) in preparation for a P.D. which is forthcoming towards the end of this month. In the event of actual P.D. issued, there is a problem of disposing as many as 1,000 items of machinery in storage there. S.P.B. has no info on this.

Kyoto asks if this office will processs their request for scrapping such ~~xxxxxxxxxxxx~~ immovable items as furnaces, etc., in a most expeditious way because time is limited, instead of putting request thru ordinary Japanese channels.

Mr. Nishio: Will report to Mr. Goldsby and let you know the answer.

Note: I believe this is a result of Lt. Col. Riefsnyder's survey sometime back.

12 April 51. 10:15

Mr. Goldsby:

Not our business; should go thru normal channels.
