Prime Minister
YOSHIDA Shigeru

I hereby promulgate the Fisheries Cooperative Association Financial Activities Standardization Order.

Signed: HIROHITO, Seal of the Emperor
This eighth day of the fifth month of the twenty sixth year of Showa (May 8, 1951)
Prime Minister
YOSHIDA Shigeru

Cabinet Order No. 141

Fisheries Cooperative Association Financial Activities Standardization Order

In accordance with the provision of Article 57-(2) of the Fisheries Cooperative Association Law (Law No. 242 of 1948) (including the cases where it applies mutatis mutandis in Article 92 paragraph 3, Article 96 paragraph 3 and Article 100 paragraph 3 of the same Law), the Cabinet establishes this Cabinet Order.

(Definition)

Article 1. In this Cabinet Order, the term "Association" shall mean the fishermen's cooperative Association, federation of fishermen's cooperative associations, marine products processing cooperative association or federation of marine products processing cooperative associations which makes its membership capitalize in accordance with the provisions of Article 19 paragraph 1 of the

Fisheries Cooperative Association Law (including the cases where it applies mutatis mutandis in Article 92 paragraph 2 of the same Law) or Article 95 (including the cases where it applies mutatis mutandis in Article 100 paragraph 2 of the same Law); and the term "own capital" shall mean the sum total (in case there is any loss brought forward, the remaining amount after deducting such loss) of the paid-in capital investment and reserves ("jumbi-kin" (reserved money), "tsumitate-kin" (reserved money) and any other money reserved from the savings and belonging to the capital account, irrespective of the name used).

(Standards of Own Capital)

Article 2. The amount of the own capital of the Association shall not be less than the sum total of the amounts as specified in the following items:

(1) The amount of book value of fixed assets owned by the Association concerned;

(2) The paid-in capital investment in the federation of fishermen's cooperative associations, the federation of marine products processing cooperative associations and the Central Bank for Agriculture and Forestry of which the Association concerned is a member.

2 The not-yet due balance of any loan made for acquiring or expanding the fixed assets concerned (in cases where the term of the loan exceeds one year, only loans which the borrower has agreed to repay in periodic instalments) shall be excluded in computing the amount of value of fixed assets mentioned in item (1) of the preceding paragraph.

(Keeping of Separate Accounts)

Article 3. Any Association which concurrently engages in functions of receiving deposits and making loans shall, in accordance with the provision of the following paragraph, keep ledger accounts of these functions (including functions incidental thereto; hereinafter referred to as "credit functions") separately from those of functions other than the credit functions.

2 With respect to accounts concerning the credit functions, cash, deposits, securities, loans and other claims regarding the credit functions shall belong thereto as assets accounts; deposits of members and other obligations of the credit functions, as liabilities accounts; interest on loans, interest on deposits, interest on securities, and other gains concerning the credit functions, as revenue accounts; and interest on deposits and other losses concerning the credit functions, as disbursements accounts; and the accounting concerning the functions other than the credit functions shall maintain separate assets, liabilities, revenues and disbursements accounts for those functions other than the credit functions.

(Standards for Reserves for Repayment of Deposits)

Article 4. Any Association which engages in credit functions shall, for the purpose of assuring the repayment of deposits to its members, deposit in Associations engaging in credit functions, the Central Bank for Agriculture and Forestry, other banks or post-offices the sum not less than the sum total of the amounts as specified in the following items:

(1) The sum equivalent to 20 per cent of the deposits payable on demand;

(2) The sum equivalent to 10 per cent of the deposits other than those as specified in the preceding item.

(Restriction on Long-term Loaning)

Article 5. The sum total of the loans whose term exceeds one year (excluding the amount of loans made through funds borrowed by the Association for the purpose of loaning) of an Association engaging in credit functions shall not exceed the amount equivalent to 60 per cent of the deposits of the Association concerned mentioned in item (2) of the preceding Article.

(Standards for Employment of Idle Money)

Article 6. No Association shall employ its idle money for purposes other than the following:

(1) Deposits in Associations engaging in credit functions, the Central Bank for Agriculture and Forestry, other banks or post-offices;

(2) Acquisition of national bonds, local bonds or debentures issued by the Central Bank for Agriculture and Forestry or other banking institutions.

Supplementary Provisions:

1 This Cabinet Order shall come into force as from the day of its promulgation.

2 With regard to an Association the amount of whose own capital does not actually come up to the standards as specified in Article 2 at the time of enforcement of this Cabinet Order, the provision of the same Article shall not be applicable to such Association for five years reckoning from the day of enforcement of this Cabinet Order.

3 With regard to an Association which has drawn up its reconstruction and rehabilitation plan in accordance with the provision of Article 3 paragraph 1 of the Law for Reconstruction and Rehabilitation of Agricultural Cooperative Associations and Fishermen's Cooperative Associations (Law No. 140 of 1951), the provision of Article 2 shall not be applicable to such Association regardless of the provision of the preceding paragraph until the closing day of the business year following the business year in which the goal of its reconstruction and rehabilitation as prescribed in Article 4 of the same Law was carried out. However, this shall not apply in cases where six years have elapsed on and after the first day of the next business year following the business year in which the designated day mentioned in Article 3 of the same Law occurs.

4 With respect to the Association mentioned in paragraph 2 (excluding the Association mentioned in the preceding paragraph), the percentage of the amount of its own capital against the total amount of the value of fixed assets and the paid-in capital investment as specified in Article 2 shall not be less than the respective percentages in the middle or right column of the following table by the respective dates listed by types of associations in the left column of the same table:

	Fishermen's Cooperative Association and Marine Products Processing Co-operative Association	Federation of Fishermen's Cooperative Associations and Federation of Marine Products Processing Co-operative Associations
March 31, 1952	55%	20%
March 31, 1953	65%	40%
March 31, 1954	75%	60%
March 31, 1955	85%	80%
December 31, 1955	95%	90%

5 The provision of Article 3 shall be applicable as from the beginning of the business year following the business year in which the day of enforcement of this Cabinet Order occurs; and the provisions of Article 4 and Article 5 shall be applicable, as from the day after the lapse of six months reckoning from the day of enforcement of this Cabinet Order, to an Association which is actually in violation of these standards at the time of enforcement of this Cabinet Order.

6 In cases where an Association holds securities other than those securities as listed in Article 6 item (2) at the time of enforcement of this Cabinet Order, such Association may, regardless of the provision of the same Article, employ its idle money for holding these securities.
