1. Formation of Miyoshi-gun Branch of the Tokushima-Ken Child Welfare Association:

An inauguration of the branch was held on May 4 with headmen of towns and villages, members of Sanding Minsei-iin Committees, Chairmen of Mothers' Clubs, officials in charge of welfare, Chairman of the Tokushima-Ken Child Welfare Association and head of Child Welfare Centers attended. After electing a head and officials of the branch, they held a round table talk on child problems with the head of the Child Welfare Center as the center.

2. Events held during the child welfare week:

Special observations stressing the importance of the growing years and respect for the child as an individual were held under the auspices of the District Office and the town and village offices.

Efforts were made to promote the healthy growth of fetuses and children by conducting physical examinations of children and women in pregnancy and those nursing infants.

Social Insurance

In an effort to reopen the national health insurance program at nine towns and villages where the program is now virtually suspended, we called headmen of these towns and villages during the first ten-days of June and asked them to reopen it. However, neither of them had yet reached a decision as to the date of reopening, etc.
