ON CHANGE IN BUSINESS REGULATIONS

The following change shall be made in the business regulations of the Broadcasting Corporation of Japan, effective on and after Sep. 16, 1940.

In Art. 15, "the following four sections and an office" instead of"the "following three sections", and "the wire section" shall be put after "the technical construction section", and the "transmitting office" after the "operation section."

In Clause 2, Art. 16, "concerning designs and engineering work of broadcasting facilities (relay wire and telephone wire exclusive)" shall take the place of "concerning designs and engineering work of broadcasting facilities".

ARTICLE 16. Clause 3. The Wire Section, Technical Department, has charge of matters concerning technical matters of relay and telephone wire, and practical tests of wire transmission.

In Art. 17, "concerning operation and maintenance of broadcast equipments (those of the transmitting office, Technical Department exclusive)" shall r eplace "concerning operation and maintenance of broadcast equipments".

ARTICLE 17. Clause 2. The Transmitting Office, Technical Department, has charge of matters concerning operation and maintenance of broadcast equipments thereof.

In Art. 27, "Sections and branch-offices (the Program Section, Business Department exclusive) as provided for in Articles 7, 11, 15, 22, and Clause 2, Art. 22" instead of "Sections (the Program Section, Business Department) as provided for in Articles 7,11,15,22 and Clause 2, Art. 22".

TATSU NO.4 FROM PRESIDENT TO EMPLOYES (JAN. 18, 1941)

ON CHANGES IN BUSINESS REGULATIONS

The following change shall be made in the business regulations of the Broadcasting Corporation of Japan, effective on and after Jan. 18, 1941:

To Clause 3, Art. 3, the following paragraph shall be added:

The Chief of the Business Department, if considered necessary, may give orders to the working-staff of the Operation Section, Technical Department, in connection with the prosecution of the radio program and collection of necessary data.

ARTICLE 11. The Business Department shall have the following seven sections with their respective chiefs in charge of their respective assigned job:

Planning Section, News Section, Talk Section, Cultural Section, Amusement Section, Music Section, and International Section.

Clause 2. The Planning Section, Business Department, has charge of matters concerning supervision over, planning for, and preparations of radio programs, and liaison work concerned.

Clause 3 shall be dropped.

In Art. 12, "and announcement" shall be dropped.

In Art. 13, "The Cultural Section" shall be revised into "The Talk Section", and "pertaining to cultural matters" shall be "pertaining to talks".

ARTICLE 13. Clause 2. The Cultural Section, Business Department, has charge of matters concerning school hour programs and other broadcasts pertaining to cultural matters within its assigned area.

In Art. 14, "The Amusement Section" shall replace the "Literary Section", and "broadcasts of performances, radio play, and Japanese music" replace "broadcasts for amusement".

ARTICLE 14. Clause 2. The Music Section, Business Department, has charge of broadcasts of Western music within its assigned area.

Clause 3. The International Section, Business Department, has charge of matters concerning overseas broadcast and international relay broadcast.

Clause 4. The Business Department shall have a Broadcast Committee with its committee-men, in charge of examinations of the contents of the radio program.

Regulations on the Broadcast Committee shall be formulated separately.

In Art. 29, "Talk Section", shall be put after the News Section, and "the Amusement and Music Sections" instead of "the Literary Section".
