We were underfed during the war, as the distrubution of foodsupplies was far below level, and as we were frozen, and forced to live on 300.-Yen monthly, we could not buy. We became in a very bad state of health, from with we have not yet recovered. I still am suffering from internal tr troubles, My wife is suffering on her eyesight, which became very bad, through lack of vitamins. Her health is still below level. The worst is now, we cannot even buy the necessary foodstuffs, which partly are not there and what is available on the black market, we cannot affod
