Churchill's Syrup of the Hypophosphites.

THESE SYRUPS have so thoroughly obtained the confidence of the Medical Faculty that they are now preferred to any other preparation on Chemist Notice.

The Syrup of Hypophosphites & Lime has proved itself for many years most valuable in cases of Consumption and Diseases of the Pulmonary Organs. It is also most beneficial in debilitated constitutions possessing both the Alkaline Hypophosphites and Lime, which are necessary ingredients for building up the Human Frame, viz., Phosphorus and Lime.

Churchill's Syrup of the Hypophosphites of Iron is one of the best preparations of Iron and Phosphorus that has been offered to the public. As a permanent Tonic it has been found more serviceable than any other Preparation of Iron, and is especially recommended to those suffering from the effects of a long residence in a hot climate.

Churchill's Compound Syrup of the Hypophosphites contains Lime, Iron, and Soda, and is a most Tonic that has been found invaluable in Nervous Debility, whether derived from excessive mental application, or the reverse, the effects of Dissipation, Wasting Diseases, Loss of Appetite, Want of Nerve Power, Want of Sleep, Nervous Headache, Nervous Irritability, Nervous Exhaustion, Nervous Dyspepsia, Nervous Palpitation, Nervous Tremors, Nervous Debility, Nervous Weakness, Nervous Prostration, Nervous Diseases of Females, Nervous Complaints of Children, Nervous Complaints of Old Age, Nervous Complaints of Both Sexes, Nervous Complaints of Any Kind, Nervous Complaints of Any Description, Nervous Complaints of Any Nature, Nervous Complaints of Any Name, Nervous Complaints of Any Character
