ANTI-GOUTY ELIXIR
OF
HIPPOLYTE BRIEUGNE,
INVENTOR OF THE ANTI-RHEUMATISMA
Tropical Balm.
TILL now all medical science has had no power over GOUTY affections, and thousands have ever made so many victims all over the earth, and still years daily so many thousands from their occupations and their families, and the Faculty confess it is useless to recall to our minds the symptoms of this disease too well known to its unfortunate victims, to need a word to be spoken to appreciate the value of such a remedy against their rotary. Book the Elixir of Anti-Gouty, which has been the result of the laborious searches of M. HIPPOLYTE BRIEUGNE, already known by the discovery of the anti-rheumatic Tropical Balm, which has been down to this day so great a success. The ANTI-GOUTY ELIXIR, particularly destined for curing the Gout, has proved a power no less great, warranted by a long and personal experience of the inventor, and by repeated cases given in the Journals.
The ANTI-GOUTY ELIXIR is easy to take, and its taste is no way disagreeable. It can be taken pure or mixed with two or three spoonfuls of tea or coffee. Its effects are felt after a few days, whatever may be the intensiveness of the fit. In twelve hours at most the suffrings disappear, and all its symptoms vanish away.
For sale at the general depot, in New Orleans, at Wright & Co., 21 and 181 Chartres street.
And in the principal drug stores of the United States. mp13 1y

MISCELLANEOUS.

Important to Planters.
We have been informed that the usual practice of Planters, in ordering their supplies of our
Dr. Bellamy's Celebrated Vermifuge,
has been to simply write or order Vermifuge; the consequence is, that instead of the genuine Dr. BELLAMY'S VERMIFUGE, they very frequently get one or other of the many worthless preparations (quack Nostrums) now before the public. We therefore feel bound to urge upon the planter the importance and propriety of invariably writing the name in full, and to advise their factors or agents that they will not receive any other than the genuine Dr. McLANE'S Celebrated Vermifuge, prepared by Fleming Bros., Pittsburg, Pa.
We would also advise the same precaution in ordering our Dr. McLANE'S CELEBRATED LIVER PILLS. The great popularity of these Pills, as a specific or cure for Liver Complaint, and all the Bilious derangements so prevalent in the South, has induced the vendors of many worthless nostrums to claim for their preparations similar medicinal virtues. Be not deceived.
Dr. McLane's Celebrated Liver Pills
Are the original and only reliable remedy for Liver Complaints that has yet been discovered; and we urge the planter and merchant, as he values his own and the health of those depending on him, to be careful in ordering. Take neither Vermifuge nor Liver Pills unless you are sure you are getting the genuine Dr. McLANE'S, prepared by
FLEMING BROS,
Pittsburg, Pa.
Below we give a list of some of the principal wholesale druggists and dealers in patent medicines in the city, and from whom the genuine Dr. McLane's Celebrated Vermifuge and Liver Pills can always be obtained. They are also sold by all respectable druggists.

Notice.
DR. L. DUPERRON,
DENTIST,
96.....ROYAL STREET.....96
HAS the honor to inform his friends and the public that he has just received a composition plugging tooth, which possesses valuable advantages over any hitherto discovered. This composition, invented by Dr. Winzer, when introduced into the cavity of the tooth, with a light pressure, adheres tenaciously to the inside and immediately becomes as hard as the tooth itself, and in a short time, seems to be one and polish. Persons whose teeth are black or discolored by other modes of filling, can, by the use of this composition, have their teeth restored to their natural color.

UNDERTAKER
No. 81 Marais street, between Customhouse and Bienville, (Second District)
HAVING purchased from Dr. HOLMES, of New York, the rights of the BALSMIC THERMAL embalming process, not only in the city of New Orleans and its environs, but also on the other side of the Lake, informs the public that orders will be attended to at all hours, by day or by night. He avails himself of this opportunity to assure the public that the bodies are not opened, nor is any mutilation whatever mutilated, but remain in their natural state.
He has had a large tomb erected in Cemetery No. 2, Bienville street, similar to those in Greenwood cemetery, New York, and which is calculated to preserve generally embalmed bodies previous to their being taken for interment in other cemeteries. The tomb may be embalmed within eight or ten days after death. Relatives and friends of the deceased will be admitted to the inspection of the bodies at all times.

PARISH OF LIVINGSTON.

Mallet, section 36, Township 7 S., range 5 east, Greensburg District, La., containing 663 54-100 acres, as per plan M. This tract is about 18 miles from Port Hudson, and the line of the proposed railroad connecting with the Jackson and New Orleans Railroad runs through the centre of it. This is a fine high land, well watered, with 150 acres timbered with various good timbers, and valuable for cotton culture.
2. A TRACT OF LAND on the left bank of the Amite river, being the claim confirmed to Augustin Mallet, section 25, Township 7 S., Range 5 east, 64 96 100 acres, and section 49, Township 8 S., Range 3 east, 901 68-100 acres, together containing 640 56-100 acres. The whole adjoining the plantation of Mr. Hyde, which is the result of the laborious searches of M. HIPPOLYTE BRIEUGNE, already known by the discovery of the anti-rheumatic Tropical Balm, which has been down to this day so great a success. The ANTI-GOUTY ELIXIR, particularly destined for curing the Gout, has proved a power no less great, warranted by a long and personal experience of the inventor, and by repeated cases given in the Journals.
The ANTI-GOUTY ELIXIR is easy to take, and its taste is no way disagreeable. It can be taken pure or mixed with two or three spoonfuls of tea or coffee. Its effects are felt after a few days, whatever may be the intensiveness of the fit. In twelve hours at most the suffrings disappear, and all its symptoms vanish away.
For sale at the general depot, in New Orleans, at Wright & Co., 21 and 181 Chartres street.
And in the principal drug stores of the United States. mp13 1y
