PETITION FOR RETENTION OF A STAFF.

Misao Ueda

Hon. Tetsu Katayama,
Prime Minister,
Japanese Government.

The Chuō Denki-Kōgyo Co., Ltd.
Taguchi, Nakayama-mura,
Nakakubiki, Niigata.

Itsuo Maruyama, president of the company above mentioned, is doomed to quit from his post. We respectfully entreat you to do us a great favour, and examine the case to remain his position for one year hereafter for the reason undermentioned.

Reason for petition

Our company belongs to iron industry which is one of the fundamental industries. We have engaged in manufacturing "Ferro-Alley" , especially "Ferro-Manganese", for the past 15 years, and we have done our endeavours to improve its quality.

Now so many undertakers have turned into other profitable industries, that the iron industry has faced a crisis, owing to the shortage of "Ferro -Alloy". Our company alone are producing 30% of the products of all over Japan (in 1947) in bad conditions.

We have a strong belief that our endeavours in technical study and in elevation of product effisiency has resulted the success.

President Itsuo Maruyama is an expert in metallurgy as mentioned in the attached biographical information, we need him badly to maintain our effeciency. Especially under the bad conditions we expect his clever advices.

We humbly beg again to you to keep his position for one year.

Yours cordially,
The Chuō Denki-Kōgyo Co., Ltd.

Misao Ueda

Feoruary 5th, 1948.

To Mr. Tetsu Katayama,
Prime Minister,

Address: No. 466, 3-chome, Naka-tachiuri-dori, Muromachi, Nishi-Iru, Kamikyo-ku, Kyoto City.

Applicant: Tadao Nagashima.

I respectfully submit this application, with the Reason for Application, its Appendices and the Questionnaire attached, pursuant to the provisions of Article 6, Paragraph 1, Item 2, and Article 7, Paragraph 1 of the Law for Termination of the Zaibatsu Family Control, and wish to be admitted that I am not a member of the Board with a Zaibatsu influence as defined in the Law.

Reason for Application

I was an Auditor of TOZAN SANGYO KABUSHIKI KAISHA (Tozan Industrial Co., Ltd.), an indirect Mitsubishi affiliate, from April 14th, 1944 to April 15th, 1946. I submit this request pursuant to the provisions of Article 6 and 7 of the Law for Termination of the Zaibatsu Family Control and wish to be acknowledged, by the following reasons, that I am not a member of the Board with Zaibatsu influence as defined in Article 3 of the said Law.

I. Reason for application pursuant to Article 6, Paragraph I, Item 2.

a) Circumstances under which I was elected.

Since my entry into the Mitsubishi Bank, Ltd. in 1918, I have worked over twenty years in the banking field, during which I spent some years in the foreign branches of the Bank, such as New York, Shanghai and London, because I was mainly in charge of the foreign exchange business. In January, 1943, I was appointed Manager of the Sannomiya Branch, Kobe, and on November 1st of the same year I was transferred to the Mitsubishi Co., Ltd., where, as one of the private secretaries to the President and the Vice-President of the Company, I took care of receiving visitors and other routine matters. While working in this company I was appointed an auditor of the Tozan Industrial Co., Ltd. in its Inaugural Shareholders Meeting on April 14th, 1944. In this nomination of the Board, the Mitsubishi Zaibatsu did not participate in any way, but left the whole matter to the representative of the promoters, Mr. Masaharu Sakamoto who is not a member of Zaibatsu family.

Furthermore, the Mitsubishi Co. never has possessed the stocks of this company, and had no relation with it in the personnel or financial aspects.

Also, there had been no arrangements between the Tozan Industrial Co. and the Mitsubishi Zaibatsu or the Mitsubishi Co. as to the appointment and discharge of the Board members of the Company, and never has there been any recommendation or acknowledgement of my appointment given by either the Mitsubishi Zaibatsu or the Mitsubishi Co. I only permitted to have my name listed in the members of the Board by the desire of Mr. Masaharu Sakamoto, who became the President, and Mr. Shin Kimitsuka, who became the Managing Director of the Company, to fill up the vacancy of one of the two auditors. These two gentlemen have been intimate friends of mine for long years and neither of them is a member of Zaibatsu family.

b) My actual functions as an Auditor.

My status of the position was the Junior and not Standing Auditor. My whole work as an Auditor was not beyond

sealing the inspected documents already made, my post was therefore merely nominal and never had I taken part in any actual work of the Company until my resignation of April 15th, 1946. (Please refer Appendix I and II)

2. Reason for application pursuant to Auticle 7, Paragraph I.

a) I have no family relationship whatsoever with the persons designated as Mitsubishi Zaibatsu or with persons on the same family register with them.

b) Regarding my assumption of the post of an Auditor, no arrangement existed that the approval be obtained from the Mitsubishi Zaibatsu or the direct Mitsubishi Zaibatsu affiliate, and in fact I did not obtain any sort of approval.

The Mitsubishi Zaibatsu had not been concerned about their employees' assumption of office as officials except in the case of the Mitsubishi Company officials and the Presidents of the Mitsubishi affiliates or associate companies. Therefore, my assumption of the nominal post as an Auditor of the indirect Zaibatsu company to fill up its vacancy is far from being the concern of the Iwasaki families. (Please refer Appendix I and II)

I wish to mention, in this connection, that I obtained the previous approval from the Manager of the General Affairs Department of the Mitsubishi Co. before assuming the post. Because at that time I was an employee of the Mitsubishi Co. and it was necessary for me to do so. As the Mitsubishi Co. and the Tozan Industrial Co. have no financial connections, it is clear that the approval was purely from the disciplinary points of view. (Please refer Appendix ~~III~~ V)

c) Tozan Industrial Co. is designated as an indirect affiliate of Mitsubishi Zaibatsu, but an auditor has no right either to represent or to manage the company. Moreover, as I was not a Standing Auditor, I did not have any controlling power either inside or outside the company.

d) I have never held any concurrent position of other Mitsubishi Zaibatsu companies.

APPENDIX -- I.

Regarding the Arrangement for Selecting Officials

January, 1948

1. In the selection of officials of the directly affiliated companies specified as "Bunkei-Kaisha" (called hereafter the Subsidiaries), the Mitsubishi Honsha enacted the following memorandum on May 27, 1941.

   "The directors and auditors of the Subsidiaries shall be recommended by the President of the Mitsubishi Honsha."

   Notwithstanding this memorandum, however, the Mitsubishi Honsha greatly esteemed the independence of the Subsidiaries and firmly observed the principle of leaving the selection of their officials to their own decisions.

   In actual practice:

   a) The Mitsubishi Honsha made recommendations when sending their own officials or staffs to the Subsidiaries as their directors or auditors.

   b) The President of the Mitsubishi Honsha gave previous approval when the President of the Subsidiary applied for it before assuming the position of President.

   Except in these two specified cases, it has been the usual custom to leave the selection of officials to the Subsidiaries themselves.

   The above-mentioned memorandum is different in nature from the arrangement regarding approval for the assumption of the position of officials under the provisions of Article 7 of the Law for the Termination of Zaibatsu Family Control. However, there existed no arrangement in writing except this memorandum, which is similar to that prescribed by the Law.

2. The Subsidiaries are companies designated as such by the Mitsubishi Honsha and placed under the direct "supervision and encouragement" of the Mitsubishi Honsha, as mentioned in the provisions of the Articles of Association which define the purposes of the Mitsubishi Honsha.

   At the termination of hostilities, the Subsidiaries of the Mitsubishi Honsha were the following:

   Mitsubishi Heavy-Industries, Limited.
   Mitsubishi Mining Company, Limited.
   Mitsubishi Warehouse Company, Limited.
   Mitsubishi Electric Manufacturing Company, Limited.
   Mitsubishi Chemical Industries Company, Limited.
   Mitsubishi Steel Manufacturing Company, Limited.
   Mitsubishi Oil Company, Limited.
   Mitsubishi Trading Company, Limited.
   The Mitsubishi Bank, Limited.
   Mitsubishi Trust Company, Limited.
   Mitsubishi Estate Company, Limited.

   However, the circumstances under which the Mitsubishi Honsha controlled each Subsidiary have varied according to the history, scale, capital relation, etc. of the respective Subsidiaries. Among the directly affiliated companies of the Mitsubishi Concern designated by the Law for the Termination of Zaibatsu Family Control, Mitsubishi Steamship Co., Ltd., Nippon Aluminium Co., Ltd. and Nippon Iron Construction Co., Ltd. are not Subsidiaries of the Mitsubishi Honsha. As far as the relation with the Mitsubishi Honsha is concerned, these three companies are quite different from the eleven companies mentioned above.

3. The Mitsubishi Honsha had no arrangement, written or unwritten, with regard to the recommendation of officials, except with the above-mentioned eleven Subsidiaries. Furthermore, except when the Mitsubishi Honsha recommended officials or staffs of the Mitsubishi Honsha as officials, the Mitsubishi Honsha have never recommended or approved officials.

4. At the Shareholders' Meeting held on November 1, 1945, the Mitsubishi Honsha deleted a part of the text with regard to the purposes of the Company in the Articles of Association, that is, "to supervise and encourage the Subsidiaries and to promote the development of the associated companies." The Mitsubishi Honsha thus wiped out its character as a parent company, and declared that it should be dissolved in the future; and at the same time the President, Vice-president and other main officials retired from their positions. All memorandums and other regulations with regard to the control of the Subsidiaries were cancelled officially on the same day. Previous to the Shareholders' Meeting, the Managing Director of the Mitsubishi Honsha called the Presidents of the Subsidiaries together and made a statement to that effect.

   As the dissolution of the Zaibatsu is one of the most important occupation policies based on the Potsdam Declaration, General Headquarters and the Japanese Government have issued various statements, directives and memorandums on the subject since the Occupation of Japan on September 2, 1945. As a result, the control function of the Mitsubishi Honsha as a parent company was completely suspended immediately after the Occupation, that is, long before the Shareholders' Meeting mentioned above. The memorandum regarding the selection of officials of the Subsidiaries has, therefore, been abolished practically since then.

5. As far as can be gathered by the Mitsubishi Honsha, there has never been any memorandum similar to Honsha's, regarding the selection of officials, between the Subsidiaries and their affiliated or associated companies. Whether the Subsidiary recommended or acknowledged officials of its affiliated or associated companies has to be proved in individual cases.

I hereby certify the above statement to be true and correct in every detail.

For the Mitsubishi Honsha,

Toshio Ishiguro (Signed)

Liquidator.

CERTIFICATE

Mr. Tadao Nagashima, who was a secretary of the Mitsubishi Co., was requested on April 14th, 1944 to assume the concurrent post of an Auditor of Tozan Industrial Co. Ltd., and, from the disciplinary points of view, approached me, the then Manager of the General Affairs Department of the Company asking for my sanction.

I approved it, recognizing the fact that his concurrent post of an auditor was merely a nominal one offered by his personal friend, Mr. Masaharu Sakamoto, to fill up the vacancy and that the post, being not standing, would not impede his service to the Mitsubishi Co.

I, Toshio Ishiguro, do hereby certify that the above is true and correct.

TO: MR. TETSU KATAYAMA,
PRIME MINISTER.

Petition for Recognition as a Non-Zaibatsu Appointee, in Pursuance of Arts. 6 and 7 of the Law for Termination of the Zaibatsu Family Control

Sir,

For the reason of my having been a director of the Mitsubishi Chemical Industries, Ltd. (Mitsubishi Kasei Kogyo K.K.) since March 30, 1946 up to present, I come within the designation of a Zaibatsu appointee, under Art. 3 of the above Law, but for the reasons given in the attached memorandum, I consider that I should be treated as coming under Item 2, Para. 1, Art. 6 and all items of Para. 1, Art. 7 of the Law. I, therefore, respectfully take the liberty of applying for recognition as a non-Zaibatsu appointee, in pursuance of Arts. 6 and 7 of the Law as well as Art. 4 of the Enforcement Regulations of the said Law, submitting herewith memorandum with necessary attached documents.

Yours respectfully,

Yoshikazu Nakamura.

Yoshikazu Nakamura

MEMORANDUM

I. REASONS FOR APPLICATION FOR APPROVAL UNDER ART. 6 OF THE SAID LAW

(A) Circumstances Surrounding My Election as a Director:-

On March 30, 1946, I (Yoshikazu Nakamura) was elected as a director of the Mitsubishi Chemical Industries, Ltd. (a direct Zaibatsu affiliate). About half a year before that, i.e. on November 1, 1945, the Mitsubishi Honsha, parent company, declared its liquidation and abandonment of the control over all companies under its wings, by amending its objects prescribed in the Articles of Association and rescinding the phrase reading "control and fostering" of its affiliated companies, in pursuance of the SCAP directive for the dissolution of Zaibatsu concerns.

The Mitsubishi Honsha's supervision over its affiliated companies already was practically non-existent at the closing period of the war, and its declaration, as described above, freed the Company from the control of the Mitsubishi Honsha, both nominally and actually. At the time of my election as a director of the Mitsubishi Chemical Industries, Ltd., the Mitsubishi Honsha had no controlling power over the former. I believe, therefore, that my election cannot be construed as was "subject to Zaibatsu control" as provided in the first part of Para. 1, Art. 3 of the Law.

Moreover, my election as a director of the Mitsubishi Chemical Industries, Ltd., was made at a shareholders' general meeting upon the recommendation of Mr. Kamesaburo Ikeda, then president of the Company, in recognition of my technical ability and experience as a ceramic engineer, as shown in my personal history in the Questionnaire, and the fact that no previous approval from the parent company (Mitsubishi Honsha) or from anybody of the Iwasaki families was obtained in connection with my election, is quite evi-

dent from what has been stated. Such being the circumstances surrounding my election as a director of the Mitsubishi Chemical Industries, Ltd., I believe that I should not be considered as a Zaibatsu appointee simply by reason of having been a director of the Company, and that I should be considered as coming within the scope of the first part of Item 2, Para. 1, Art. 6.

NOTE: The correctness of the above statement is proved by the certificate of Mr. Kamesaburo Ikeda, then president, and that of the Mitsubishi Honsha, which are attached hereto.

(B) Actual State of Execution of My Duties:-

As has been previously stated, my election as a director was made in recognition of my technical ability and experience as a ceramic engineer, and my directorship was practically nothing more than the status of an employee. Before and after my election as a director, I remained in the position of an assistant-chief (simply on the technical side of factory operation) of the Kurosaki Factory of the Company in Kyushu, until October, 1946, when the Mitsubishi Honsha entrusted the Holding Company Liquidation Commission with the exercise of the voting rights on its holding in the shares of the Mitsubishi Chemical Industries, Ltd.

My directorship was purely in name and the duties and authority given me by the president remained within the limit of an employee or an assistant-chief of the Kurosaki Factory. In such a status I always stayed at the factory, working under my chief and helping him on the technical side of the factory operation. The election brought no additional duties or authority because of my being a director. Such actual state of my duties can be proved by the certificate of Mr. Kanichi Morimoto, then president of the Company, which I attach hereto, and I consider that I should not be treated as "participating in important

affairs of the Company, representing the interests of the Mitsubishi Zaibatsu", under Art. 3.

In fact, all important affairs of the Company were conducted by the president and the managing directors.

In view of such actual state of the execution of my duties, I believe that I should not be considered as a Zaibatsu appointee simply by reason of being a director of the Mitsubishi Chemical Industries, Ltd., and that I should be considered as coming within the scope of the latter part of Item 2, Para. 1, Art. 6.

II. REASONS FOR APPLICATION FOR APPROVAL UNDER ART. 7 OF THE SAID LAW

The reasons why I should not be considered as a Zaibatsu appointee with regard to my position as a director of the Mitsubishi Chemical Industries, Ltd. have been explained in detail in the foregoing section headlined "I. Reasons for Application for Approval under Art. 6 of the said Law", and as I satisfy all the conditions prescribed in the following items of Para. 1, Art. 7, I am further confident that this Art. 7 also excludes me from being considered as a Zaibatsu appointee:-

(a) Under Item 1, Para. 1.

I am not a member of any of the Mitsubishi Zaibatsu families, a spouse, parent, child, brother or any other relative whatsoever.

(b) Under Item 2, Para. 1.

Concerning my election as a director of the Company, there existed no arrangement that the approval of the parent company, Mitsubishi Honsha or Mitsubishi Mining Co., Ltd. (direct Zaibatsu affiliate), should be

obtained, and there is no fact that such approval was sought for or obtained. In short, the election was made at a shareholders' general meeting, upon the recommendation of Mr. Kamesaburo Ikeda, President of the Company, in recognition of my technical ability and experience as a ceramic engineer.

NOTE: The correctness of my statement on this item is proved by the certificates of Mr. Kamesaburo Ikeda and of the Mitsubishi Honsha, which I attach hereto.

(c) Under Item 3, Para. 1.

As I come within the scope of Item 2, Para. 2, Art. 3, I have nothing to explain here.

(d) Under Item 4, Para. 1.

The directorship of the Mitsubishi Chemical Industries, Ltd., is the only position that I have ever held as an official in connection with Mitsubishi Zaibatsu companies, and I have never held concurrently any other official positions thereof.

CERTIFICATE

This is to certify that:

The circumstances under which Mr. Yoshikazu Nakamura was elected as a director of the Mitsubishi Chemical Industries, Ltd., at the Ordinary General Meeting of Shareholders, on March 30, 1946, are as follows;-

At the 23rd Ordinary General Meeting of Shareholders of the Company on March 30, 1946, on my consulting the meeting on the procedure to be adopted for the election of directors, a proposition came from among those present that the choice of persons should be left to me, who was presiding over the meeting as chairman. This proposition was unanimously supported and I recommended Mr. Nakamura, then assistant-chief of the Kurosaki Factory, to directorship in recognition of his technical ability and experience as a ceramic engineer. I did not previously consult with anybody of the Iwasaki families, the Mitsubishi Honsha or the Mitsubishi Mining Company, Ltd., nor did I previously ask for their approval of this recommendation. I had not the slightest intention to have him represent the interests of the Mitsubishi Zaibatsu.

I, as then president of the Company and then chairman of the said shareholders' meeting, certify that such are the true facts.

CERTIFICATE

This is to certify that:

Mr. Yoshikazu Nakamura's actual state of execution of his duties subsequent to his election as a director of the Mitsubishi Chemical Industries, Ltd. on March 30, 1946, were as follows;-

Mr. Nakamura, who was an assistant-chief of the Kurosaki Factory of the Company, continued to remain in that position as if he was in the status of an employee, even after his election as a director on March 30, 1946. Though a director in name, his duties and authority remained within the limit of an assistant-chief of the factory, and no special duties or authority as a director were added.

All important affairs of the Company at that time were conducted exclusively upon decisions made by myself, then president and then managing directors.

I, as then President of the Mitsubishi Chemical Industries, Ltd., certify that such are the true facts.

Regarding the Arrangement for Selecting Officials

January, 1948

1. In the selection of officials of the directly affiliated companies specified as "Bunkei-Kaisha" (called hereafter the Subsidiaries), the Mitsubishi Honsha enacted the following memorandum on May 27, 1941.

   "The directors and auditors of the Subsidiaries shall be recommended by the President of the Mitsubishi Honsha."

   Notwithstanding this memorandum, however, the Mitsubishi Honsha greatly esteemed the independence of the Subsidiaries and firmly observed the principle of leaving the selection of their officials to their own decisions.

   In actual practice:

   a) The Mitsubishi Honsha made recommendations when sending their own officials or staffs to the Subsidiaries as their directors or auditors.

   b) The President of the Mitsubishi Honsha gave previous approval when the President of the Subsidiary applied for it before assuming the position of President.

   Except in these two specified cases, it has been the usual custom to leave the selection of officials to the Subsidiaries themselves.

   The above-mentioned memorandum is different in nature from the arrangement regarding approval for the assumption of the position of officials under the provisions of Article 7 of the Law for the Termination of Zaibatsu Family Control. However, there existed no arrangement in writing except this memorandum, which is similar to that prescribed by the Law.

2. The Subsidiaries are companies designated as such by the Mitsubishi Honsha and placed under the direct "supervision and encouragement" of the Mitsubishi Honsha, as mentioned in the provisions of the Articles of Association which define the purposes of the Mitsubishi Honsha.

   At the termination of hostilities, the Subsidiaries of the Mitsubishi Honsha were the following:

   Mitsubishi Heavy-Industries, Limited.
   Mitsubishi Mining Company, Limited.
   Mitsubishi Warehouse Company, Limited.
   Mitsubishi Electric Manufacturing Company, Limited.
   Mitsubishi Chemical Industries Company, Limited.
   Mitsubishi Steel Manufacturing Company, Limited.
   Mitsubishi Oil Company, Limited.
   Mitsubishi Trading Company, Limited.
   The Mitsubishi Bank, Limited.
   Mitsubishi Trust Company, Limited.
   Mitsubishi Estate Company, Limited.

   However, the circumstances under which the Mitsubishi Honsha controlled each Subsidiary have varied according to the history, scale, capital relation, etc. of the respective Subsidiaries. Among the directly affiliated companies of the Mitsubishi Concern designated by the Law for the Termination of Zaibatsu Family Control, Mitsubishi Steamship Co., Ltd., Nippon Aluminium Co., Ltd. and Nippon Iron Construction Co., Ltd. are not Subsidiaries of the Mitsubishi Honsha. As far as their relation with the Mitsubishi Honsha is concerned, these three companies are quite different from the eleven companies mentioned above.

3. The Mitsubishi Honsha had no arrangement, written or unwritten, with regard to the recommendation of officials, except with the above-mentioned eleven Subsidiaries. Furthermore, except when the Mitsubishi Honsha recommended officials or staffs of the Mitsubishi Honsha as officials, the Mitsubishi Honsha have never recommended or approved officials.

4. At the Shareholders' Meeting held on November 1, 1945, the Mitsubishi Honsha deleted a part of the text with regard to the purposes of the Company in the Articles of Association, that is, "to supervise and encourage the Subsidiaries and to promote the development of the associated companies." The Mitsubishi Honsha thus wiped out its character as a parent company, and declared that it should be dissolved in the future; and at the same time the President, Vice-president and other main officials retired from their positions. All memorandums and other regulations with regard to the control of the Subsidiaries were cancelled officially on the same day. Previous to the Shareholders' Meeting, the Managing Director of the Mitsubishi Honsha called the Presidents of the Subsidiaries together and made a statement to that effect.

   As the dissolution of the Zaibatsu is one of the most important occupation policies based on the Potsdam Declaration, General Headquarters and the Japanese Government have issued various statements, directives and memorandums on the subject since the Occupation of Japan on September 2, 1945. As a result, the control function of the Mitsubishi Honsha as a parent company was completely suspended immediately after the Occupation, that is, long before the Shareholders' Meeting mentioned above. The memorandum regarding the selection of officials of the Subsidiaries has, therefore, been abolished practically since then.

5. As far as can be gathered by the Mitsubishi Honsha, there has never been any memorandum similar to Honsha's, regarding the selection of officials, between the Subsidiaries and their affiliated or associated companies. Whether the Subsidiary recommended or acknowledged officials of its affiliated or associated companies has to be proved in individual cases.

I hereby certify the above statement to be true and correct in every detail.

For the Mitsubishi Honsha,

Toshio Ishiguro (Signed)

Liquidator.
