MEDICAL.

AYER'S SARSAPARILLA

For the Purification of the Blood, and for the Cure of Scrofula, Dyspepsia, Rheumatism, Gout, Dropsy, Liver Complaint, Heart Disease, Dim Sight, Sore Eyes, Pimples, Boils, Tetter, Ulcers, Salt Rheum, Chilblains, Erysipelas, Mercurial Diseases, Headache, Costiveness, Dyspepsia, Liver Complaint, Female Complaints, Loss of Appetite, General Debility, &c.

If the proposition we hold all the antiscorbutic properties of the sarsaparilla root, combined in the greatest strength and efficacy that the medical chemist is capable of forming, be a facetious one, we have yet to learn the ground of its fallacy. It is, at the same time, compounded with other vegetable remedies of great alterative power, such as will promote those changes in the system in the production, that is commonly known as the cure of blood diseases. It acts strongly upon the stomach, the circulation and the bowels; into these channels it pours its medicinal virtues, the result of these different kinds of medication, are noted on at the same time, through the instrumentality of this one remedial agent, which partly stimulating, partly alterative and expels from the stomach and bowels all that is irritating, and at the same time strengthens their vigor and tone. To great hearts in that it heals and sanctifies the active principle of disease wherever it may be, even to the system, the symptoms necessarily disappear, we have every to point to the accumulated testimony of multitudes who have experienced its effects to convince incredulity itself of its real value.

Important Testimony.

OXFORD, N. C., June 9th, 1852.

Messrs. J. S. & D. Sands: Gentlemen,—We have been agents for the sale of your Sarsaparilla for the last fifteen years, and have sold large quantities of it during the time to hundreds of different persons, who have all made been pleased with it, and expressed themselves perfectly satisfied as to its effect in curing the various diseases for which it was recommended. If many more testimonials were necessary to satisfy those who still disbelieve, we could obtain almost any amount of certificates in this county and vicinity; but the best proof is, that we sell it in the same families who have used it for the last ten years.

Yours respectfully, R. J. MITCHELL & CO.

Prepared and sold wholesale and retail, by A. B. & D. SANDS, Druggists and Chemists, 100 Fulton street, corner of William, New York. Sold also by Druggists generally throughout the United States and Canadas. Price $1 per bottle; six bottles for $5.

AYER'S

CHERRY PECTORAL,

For the rapid Cure of

COUGHS, COLDS, HOARSENESS, BRONCHITIS, WHOOPING-COUGH, CROUP, ASTHMA, AND CONSUMPTION.

"And by the river, upon the bank thereof shall grow all trees for meat, whose leaf shall not fade and the fruit thereof shall be for meat and the leaf thereof for medicine."

Here was hope for the sick recorded long ago, and every year adds new proof to the assurance that these promises shall not fail.

An medical science discovers and designates the remedies nature has given man for the diseases that afflict our race, it is the earnest desire of the Agent that every sufferer shall be apprised of the fact. Of all the maladies incident to our climate, none occasion so much grave alarm as those of the Lungs. Subjected to the sudden and extreme changes of our climate, they are peculiarly liable to inflammation, which, if not speedily subdued, will lay the foundation for Consumption, the fatal disease of this country. Scarcely a family can be found in the land, where some one is not suffering from the effects of these diseases, and the fatal result of the Pectoral has always afforded almost instant relief.

We attest the truth of the above statement

M. McGINTY, Editor of the Whig.
J. M. ZIMMERMAN, Druggist.

For a Consumptive Cough.

Dear Sir—For three years I have been afflicted with a cough, so extreme that I frequently despaired of recovery; much of the time I was confined to my chair, so my cough would occasion me when I bled down. Having used many remedies without much relief, I at last tried your Cherry Pectoral, which under Providence, has cured me altogether.

I am, with gratitude, yours,
JAMES BUCANDLESS.

This is one of the numerous cases of Asthma which have been accredited to Cherry Pectoral.

ALBANY, N. Y. April 17, 1848.

Dr. Ayer: Lowell—Sir—I have for years been afflicted with Asthma in the worst form, so that I have been obliged to sleep in my chair for a larger part of the time, being unable to breathe on my bed. I had tried a great many medicines, to no purpose, until my physician prescribed as an experiment, your Cherry Pectoral.

At first it seemed to make me worse; but in less than a week I began to experience the most surprising relief from its use; and now, in four weeks, the difficulty is entirely removed. I can sleep on my bed with comfort, and enjoy a state of health which I had never expected to enjoy. GEORGE N. FARANT,

Commissioner and Forwarding Merchant.

From the President of Bowdoin College, Rev. Alfred Cheek, M. D., LL. D., etc.

J. C. Ayer—Sir—I have used your Cherry Pectoral in my own case of deep-seated Bronchitis, and am satisfied, from its chemical constitution, that it is an admirable compound for the relief of Laryngeal and Bronchial diseases. If my opinion, as an entire stranger, can be of any service, you are at liberty to use it as you think proper. Yours, EDWARD HITCHCOCK.

Amherst, September 12, 1845.

Among the other distinguished authorities who have used the Pectoral in their practice, is the preparation as the best known to them for affections of the Lungs, are:

President Pierce, Vermont Medical College
Professor Hillman, Yale College
Professor Valentine Mott, New York
Professor Cleaveland, Bowdoin Medical College.
Professor Butterfield, Ohio Medical College.
Canadian Journal of Medical Science.
Boston Medical and Surgical Journal.
Charleston (S. C.) Medical Review.
New Jersey Medical Reporter.
Hon Henry Clay, U S Senator.
Hon Geo P Marsh, Am. Ambassador to Turkey.
Gen Emanuel Roberts, President of Chili.
Rt Rev Ed Power, Lord Bishop of Toronto.
Rt Rev Bishop Kenrick, of the North Epsc Church.
Archbishop Purcell, of Cincinnati, Ohio.

Also, many eminent physicians in foreign countries.

Not only is the more dangerous and alarming diseases of the Lungs, but even on a family medicine for occasional use, it is the safest, most efficacious and best in the world.
