SUBJECT: Suspected violation of the Imperial Ordinance No. 1 of 1947 by MORIYAMA Kiyoshi.
(森山清)

I. On the acknowledgment on December 5, 1950, by EBARA Toshio, Shuji (secretary) of Local Section, General Affairs Division, Oita Prefecture, an investigation was started on December 12, 1950 by YAMAMOTO Tadashi, Secretary of SIB to decide whether or not MORIYAMA Kiyoshi, a purged person violated the provisions of the Imperial Ordinance No. 1 of 1947 in that he took part in the political activities, in connection with of the establishment of a new office of the Agricultural Cooperative Association of Yoake Village and of the construction of Yoake Power-generating-plant of the Nippon Power Distributing Co., Ltd.

II. This inquiry revealed :

Subject was designated a person falling under the Memorandum on Mar. 31, '47.

The reason for his designation was that he had been Chief of the Yoake Village Branch of the Ex-Service Men's Association.

Name : MORIYAMA Kiyoshi

Date of Birth : July 14, 1901

Occupation : Farmer

Domicile : 32, Yoake Village, Hida County, Oita Prefecture.

Addres : Ditto.

Activities :

(1) About August, 1950, MORIYAMA, as a member of the Committee for the construction problem of the Agricultural Cooperative Association Office in Yoake Village, attended the meeting of this Committee which

was held at a certain Primary School in his Village and stated his opinion in opposition to the establishment as follows:

"It is not the time when the office of the Agricultural Cooperative Association be newly constructed in our Village but it should be removed to the former place".

(2) On August 17, 1950, he opposed the establishment problem of the Power-generating plant of the Nippon Power Distributing Co., Ltd. in his village. Hereby, as a representative of the sufferers in Chayanose Block who were to be damaged by the establishment of this plant, he, accompanying other four representatives, confered with the Village Head ODA Gen, Chairman of Counter-measure Committee for the Damage, on this problem. Then he filed the petition with the Village Head in opposition to the establishment and stated as follows:

"We earnestly hope to be appointed the Committee members as representatives of the sufferers".

(3) The reason, why he took part in the construction problem of the said association office as a member of the Committee, was that being a member of the association he thought the establishment of the new

office would increase the members' burdens and decrease the fund of the association from which the members used to ask for their loans.

As to the establishment problem of the power generating plant, he took part in the abovementioned petition activities, because he feared that the scheme of the plant establishment would badly affect his personal interests and in addation to this, because he was moved by the request of the village people who have been suffering from the same situation.

Thus we conclude that he had no political intention at all in his activities mentioned above, and besides, realizing that his activities violated the Ordinance concerned, he has been showing his penitance since that time. In this connection, we inform you that he was depurged on October 19, 1950.

III. In view of the above, SIB has concluded there was (~~was not~~) a violation of Article 15 of the Imperial ordinance No. I, 1947.

—— Make a further investigation.

—— Refer the case to the Public Procurator-General for possible procurator general

SUBJECT : Suspicious Violence of the Imperial Ordinance No. 1, 1947, by NINOMIYA Masanori (二宮正則)

I. On information received from Secretary ISOKAWA Kazu, 2nd Observation Section, OD. SIB, on December 10, 1950, SIB, initiated an investigation to determine whether or not subject violated the provisions of the Imperial Ordinance No. 1, 1947 in that he was suspicious of having given a hindrance to performance of business of the Agricultural Land Committee, by expeling UZAWA Shin-ichi, district assistant member of the Committee, in conspiracy with TOMURA Kaname, member of the Agricultural adjustment Committee, Rokugo Village, Imba County, Chiba Prefecture.

~~Activities~~ :

Activities :

1. Being a fallen landowner, subject has been avoiding from taking connection with various problems in the village and surrounding district, after his designation under the Memorandum. Subject is a mild person keeping a serious life and has fully recognized his status fallen under the Memorandum.

Subject has previously had scanty intercourse with TOMURA Kaname, because of difference of their residing places. Contrarily, subject has had an antipathy against TOMURA's terroistic character and autocratic behavior in his residing place.

The fact that UZAWA Shin-ichi was expelled from the residing village and was obliged to retire from the post of district assistant member of the Agricultural Land Committee, in the Nembutsudo Temple, Tsunozake district, Rokugo Village, on October 20, 1948 was caused by a resolution in the neighbourhood meeting plotted exclusively by TOMURA's intrigue. Neither NINOMIYA has been requested by TOMURA, to cooperate with the expulsion and retirement of the above assitant member of the Agricultural Land Committee, nor subject has attended at the neighborhood meeting of his resident village.
