I. Evaluate worth and usefulness of this institution:

II. Recommendations: (a) To institution manager (b) To Ken Welfare Section

3 or 4 have [illegible] slices

Children do farming work No contract work.
accommodate children up to 14 years old.
Youngest child 9 years old
Oldest " 18 years old (Boy.

53 children over 14 years old.

Reason for having 53 children over 14.

If a child comes here under 10 he can be kept until he is 20
Average length of stay 2 to 3 years.

Who decides children can leave house man tells superintendent
and superintendent tells Prof. Welfare section.

Prof Welfare investigator comes here once per month.

Placement of child is followed up after discharge of
Child.

Crimes committed are theft, arsency. The worst of
Children are taken. This man takes care of children
which other children can not take care of.
What punishment is given if a child does wrong. none
No trouble between boys and girls. separate Dormitory for girls.
Children very dirty

10. 11 girls 65 boys at present here.
at earlier time girls were not allowed in this Reformatory
later a building was built for girls. Still any 2 girls
or boys.

among 17 workers there is one nurse. Miss Yamazue
6 male teachers, 6 female teachers,

Mr. Yamauchi started Nov 1944. also here before
Mr. Aroiki has been here 11 years.

IV Doctor comes once per year except when called.

They also have a psychiatrist - Head of Hamamatsu
insane asylum. Comes twice a month. Makes
mental test and takes health examination.
a case sheet on mental exams is kept on each person.
New children have not yet been examined by psychiatrist
but will be examined.

General intelligence is lower than normal.
No dental care.
Upon entrance to this institution children are taken to
Dr. for examination.

One child at hospital for kidney disease. 18 years
old. Here before he went to hospital 7 months. in hospital
2 month.

Get medical supplies from prefecture.
80% have worms. Need worm medicine dose
