DECLASSIFIED E.O. 12065 SECTION 3-402/NNDG NO. 775013

NOTE

(I) The numbers of Unions and Memberships(of these general labor unions,public project labor unions and national public services labor unions) were calculated presumptively on the basis of the results of the fundamental inquiry and examination of the Labor Unions with the numbers of newly organized and of dispersed up to the end of the month of November 1949.

(2) The numbers of Working Places and Laborers were culculated presumptively in adding the numbers of these Gocernment and Organizations to the number of these Labor Standards Law-applied Working Places and Laborers after the inspections by the Kanagawa Labor Standards Bureau on last September 1st, andclassified by the industries.

(3) The numbers of Unions and Working Places are few comparatively because of differences of the determinations of the Unit(For instance,There are such cases as organize one unit labor union conbining several working places).

DECLASSIFIED E.O. 12065 SECTION 3-402/NNDG NO. 775013
