Chief of Guard Section	HARUICHI SHIRASU
Vice-Chief of Jailer	YASUYOSHI ARITA
Head of Jailer	OTANI
Jailer	HIROSHI IDENO
" (in charge of jail)	HAMADA

By investigation on 28 persons, including staffs and prisoners in Prison, it will be able to speek as follows.

(a) Reasons prisoner IN-YU-GEN had been handcuffed.

He said, in the petition, that he had been handcuffed on account of asked for an interview with Rigional Director SUYAMA without permission at a inspection was held on the 28 December last year but this is opposed to the fact. He had been in solitude detention for investigate other case from 28 September but after this day he had been handcuffed for the purpose of control his excitement as he gave a insult to jailers with use of violent language and tried to give a violence in excitement about to the case of withdraw of his private shirt.
The terms of handcuffed are 37 days 45 days, he says in petition, are wrong.

(b) He says that there were 20 handcuffed prisoners at the time. This is exactly corresponds to the fact.

That reasons are as follows.
On September 1947 as to ease the situation of over detention of prisoners in the jurisduction of KINKI Regional Prison about 400 prisoners were transfered to Tottori Prison from KYOTO, OSAKA, KOBE and HIMEJI etc., in this prisoners there were 150 bad prisoners, serving their long sentence and on their crime and personal history are bad, and urged forcibly with power in force every day, with common trick as usual a transfered prisoners act in regard to good treatrent on situation, giving and treatment etc. in prison, and once it seemed to occoures

a collective violince.
If leaved this things to themselves it was sure to get out of control. They were in danger of violence as to put them in irons so unavoidably arrest insult a ring-leaders and instigators.

(c) Concerning to the case put the prisoners out without any clothes on.

This matters had no connection with prisoner IN-YU-GEN. He said he had been looked this matters but there are no proof to prove it. Prisoner FTOSHI MOTOGI,next door neighbours, said "I looked 8 prisoners passed in front of my jail nakedly." but this cannot vouch truth for his statement. There were no proof to proved the fact that who were the prisoner and now the prisoner, had been striped naked, are in prison yet.

(d) Concerning to the point of made a racial discrimination for Korean.

In consequence of the investigation about this fact Korean prisoner KIN-JUN-HAN and KI-SEN-GOKU denied this fact.

(e) In point of striked with a fist at the time mistaked on the occasion of undergo an inspection or tied a branket round his abdomen in jail.

At the group life as to take a rules seriously are necessary especially at Tottori Prison received many prisoners from other prisons at a time, unaccustomed prisoners, there might be force to obey the rules of Tottori Prison but this can not be helped at this time.
About the matters prisoner TOKUJIRO KOPORI testified the same felling.
Piecing this and that together the matters prisoner IN-YU-GEN had been written in the petition were not a false at all but recognizes the point opposed to the fact or exaggerated a fact a little.
As it was recognized, by investigation, that the treatment for prisoner in Tottori Prison were bad so a strict warning had given to all staffs of Prison.

B

手錠を施用せられた者が二十人も居たと云ふ點

これは其の當時二十人居たことは事實に符合する

其の理由

昭和廿二年九月近畿行刑管區の過剰拘禁緩和對策として同管區内京都大阪、神戸、姫路等の各所から四〇〇名の移送を受けたが其の中には一五〇名にも及ぶ長期刑者がありそれ等は犯罪、經歷等何れも不良囚にして同所の收容設備の不備、給與の劣惡、處遇の緩和等兎角移送者の常套手段である强願を毎日大勢の威力を背景に官に迫るに暴言暴行

を以てし一時は集團的暴動をも惹起するに至るならんとする不穩狀態に陷つた

これを放任せんか收拾すべからざる事態となる虞濃厚となる結果已を得ず主謀者或は煽動者を獨居拘禁に附した處何れも昂奮狀態にて暴行の擧に出で危險狀態であつたので手錠を施用したのである

C 裸體にして外に出した點

これは尹有鉉に關係あることでない

尹有鉉が目擊したと云ふことであるか之に對しては立證するに足る資料がない

只尹有鉉の隣房に居たと云ふ受刑者本木太と云ふ人物を取調した際同人も八人の受刑者が裸にされて通つたと供述したが眞僞の程は適確でない

裸にされた人物が誰であるか現在もそれが在所してゐるかと云ふ點につき調査を進めたが適證がない

D 朝鮮人なるが故に差別待遇されると云ふ點

このことについて同所で刑執行中である金順判、魏千石等について調査したが何れもその事實を否定した

E 點檢時番號の取り方の悪い場合或は房内で毛布を腹に巻いてゐた際げんこつで毆られた點

規律を重視する團體生活に於て殊に一時に多數の移送を受けた所謂處遇の方法を異にした他所からの移送者は鳥取の規律に當てはめるには多少其處に無理があつたかも知れないが其の當時としては已を得ない措置であつたとは同所の受刑者小堀德次郎を取調に際しても自供して居た

以上を綜合するに尹有鉉の嘆願書記載事項が事實に反した全然の虚盲のことではないが多少事實に反し又は誇大した點もある様に認められる右取調の結果鳥取刑務所職員の收容者に對す處遇に多少遺憾の點あるを認めたので所長以下全職員を嚴重警告して置いた

SUBJECT: Application for Clothing for Prison Inmates

TO : Commanding General
Eighth Army
APO 343

1. During the period of transition from the former Justice Ministry to the Attorney-General's Office it was necessary for the Region Legal-Government Section to come to the aid of the prisons in Chugoku Region in maintaining a minimum supply of clothing and blankets.

2. Previously supplies were obtained from Central Government sources through the Kure District Demobilization Bureau. However, with the closing of this agency further assistance of such nature cannot be vouch-safed. Prison executives were warned of this probability and, accordingly, advised to go into the problem of next winter's requirements now, making a complete survey, stocktaking and forecasting their needs against expected increase of inmates.

3. This has been done, and requisitions have been placed with the Attorney General's Office. However the Chief Warden doubts that any action will be taken, unless supplies can be uncovered locally. In this regard, SCOF has large stocks of surplus materials suitable to the requirements of the prisons, and these are ready for immediate release thru the Board of Trade.

4. Could action be taken at high level to determine what planning has been undertaken by the A.G.'s Office to meet a recurring problem?

Kure-shi.

Dear Sir:

You may be surprised to receive this letter, so I will first introduce myself to you.

I am a prisoner in the Hiroshima Prison. I thank you for your activity, democratize military Jane.

I am leading a useful life with thank got, reflecting on my past conduct.

I am now under medical treatment and also studying the problems of life.

I believe that it is owing to the Occupation Forces, enjoying myself.

On the 27th Feb., when I met Mr. Suyama he said, " If you want to send a letter to Capt Edelen, visited this prison on 17 inst, I will convey your letter to him."
After this I cannot write a letter for a high fever 38° or 39°, feeling a pain in the breast and the spine and felt dazed, though I am thinking to send a letter to you.

If my sickness continued as it is I will die perhaps, I am living only by mental powers, so I hope to tell you a matter of prison until my death.

After recording my reports, please present it to SCAP (Civil Information Bureau, Public Peace Section. Chief Dr. L. Bardet Ginson)

This prison are democratizing gradually under Chief Suyama's self-sacrificing guidance and under the Occupation Forces' support.

I hope you to receive my statement and report it to SCAP. If you express the matters through the newspapers, like that the Asaki, the Mainichi and Chugoku, general persons have a understanding of the present state of affairs in prison.

I hope a help of the world for the treatment of the prisons' staff and also to the prisoner.

At present jailer have small income.

The security of the jailers are first than any other things to leadership the prisoners.

It is impossible to democratize the prison without regard to secure a sure means of living.
