(KoHoKu)

"Child's Day" comes to " Children's Town", too.

The curtain was raised on "Child Welfare Week".

Children's face with a look of having forgtten their lonely past and waiting innocently for tomorrow ~~~~~~~~~~~~.

A little after the noon of May 4, the day before " Child Welfare Week" which is opened today in people's best wishes that every children be grow in happiness, at such welfare institutions in Sendai city as Christian Orphanage and Boy's Town were less-blessed children waiting as being embraced with a large and warm affection of Nursing Mothers and Christian missionaries, for "ChildrsnDay".

Followings are profile of those children on that day.

Merry " Rice-Cake Pounding "

To Grand Fair, with bringing their lunch.

"Rice-cake pounding" was at its middle proceeding at little after one o'clock at Christian Orphanage situating upon the hill far over Komatsushima and where commends the veiw of Lake Yohei.

It was for the lunchs which inmates will bring to Children's Party to be opened at Grand Fair on May 5. Holding within their hands a paper carp which they learned today how to make at school, children of first year class were watching with an innocent expression on their face over "rice-cake pounding" in which rice-cake is refreshingly getting a colour from greens which all inmates picked up from the field.

Menu for lunch of May 5 was such wonderful one as that mugwort rice-cake, rice-ball wrapped with Nori(or eatable paper made of sea weeds), seasoned sea weeds and Chikuwa(or stick of pounded fish), and as for extra, citrons and candies.

Voice of practicing a song which, I understand, will be sung in chorus at Children's Party became sounding like from nowhere.

All inmates are scheduled to go to Grand Fair on May 5 by riding in trucks, but among 122 inmates was a sad looking face of Shioda Satsuko, 7 years old girl, who is not able to go with other inmates due to Infant T.B. from which she has been sufferring ever since she was abandoned at Shiogama city in June, last year.

In Boy's Town, there is not any more problem of escape as were before, and 22 boys, ranging their age from 9 up to 19, were devoting themselves in practicing harmonica band which will play on May 5 at Children's Party,"Kanki no Oka"(or the hill of joy), Riyoshuu"(or tedium of a journey), Hamachidori (or a plover).

On May 5, they all will wear uniform of Boy's Scouts and go to Grand Fair by riding in "Son of Light" car which presented to Boy's Town from Canada, and at night of same day, Ceremony for formation of Boy's Scouts,organized by inmate for the first time, will be open in commemoration of "Child's Day", it was planed.

DECLASSIFIED E. O. 12065 SECTION 3-402 / NNDG NO. 775013

Inamtes of this institution are limited to those from 12 years old to 18, but as an exception, there is a 9 years old boy. He is Hososbuchi Isamu-chan who was specially allowed to enter with his brother Masaru-Kun, 12 years old, in order to soften difficulties of their mother who is, after her husband was killed in South Theater, living barely on sewings at Nakada, Sendai.

Endless Divine's Love has been extended upon this lonely two brothers, and they have become now to confort children's ears with a beautiful melody of harmonica.
