Mr. H. Inagaki, President
The Yokohama Rubber Co., Ltd.
P.O. Box 46, Shiba
Tokyo, Japan

My dear Mr. Inagaki:

You will find attached copies of letters concerning The YokohamaRubber Co., Ltd. addressed to Mr. W. R. F. Stier, Chief, Civil Property Custodian, and Mr. Edward C. Welsh, Chief, Anti-Trust and Cartels Division of the Military Government.

The letter to the Civil Property Custodian sets forth certain facts regarding our Yen holdings in Japan, requests that an "Inventory and Investigation Report" be made as promptly as possible, and that our interests be protected as to money, shares, and anything else that might be involved in The Yokohama Rubber Co., Ltd. and Furukawa Company case.

The letter to the Chief, Anti-Trust and Cartels Division sets forth certain facts regarding our Yen holdings in Japan, briefly explains our former relationship and establishes our intention to resume business relations with Yokohama in the future, and requests that the executive personnel presently in charge of Yokohama's affairs be continued in their respective capacities. Inasmuch as we have stated that you will be willing to furnish any additional information which might be required, it might be advisable for you to contact Mr. Welsh's office in the near future. At that time, you might also inquire as to any recent developments which might be of interest to you or to our company.

A report was to be furnished to the Anti-Trust and Cartels Office on November 15, 1947 answering the "Questionnaire" and furnishing certain financial statements. I would appreciate knowing if the report was issued and any discussion that might have followed between that office and your representatives.

I would also like to know if the Economic Decentralization Bill has been passed by the Diet in the form as it was originally presented. At the time I left, it appeared quite likely that the bill would be passed within afew days.

For your information, the general plan of re-organization of Yokohama as outlined in your letter of October 9, 1947, addressed for my attention, has been discussed with management, and you will receive further information on this subject within the next few days.

I will appreciate your informing us promptly of any major developments in Japan that might effect either Yokohama, our company, or the rubber industry in general.

with best personal regards.

Sincerely yours,

Office of Controller

Attention: Mr. Edward C. Welsh, Chief

The Yokohama Rubber Co., Ltd., Tokyo, Japan

Gentlemen:

As a result of the recent visit of our Mr. J. G. Thompson to Japan and his conferences with you and your staff, we take this opportunity to state our position with regard to our interests in The Yokohama Rubber Co., Ltd.

During the year 1917 we made a substantial investment in the stock of The Yokohama Rubber Co., Ltd. While the number of shares owned by us has varied over the years, the connection continued uninterrupted until the approach of hostilities. At that time and during actual hostilities, in order to protect our interests, Furukawa Electric Co., majority stock holder in Japan, purchased our shares at original cost to us, placing the proceeds to their credit in trust for us at the following banks:

| | |
|---|---|
| The Teikoku Bank | ¥ 102,275 |
| The Nippon Ginko | 500,000 |
| | ¥ 602,275 |

In addition, there is a balance of ¥ 743,672.59 credited to us on the books of The Yokohama Rubber Co., Ltd. arising out of technical services and goods supplied by us. According to the contracts, all of such payments except ¥ 38,605.82 were due in Dollars rather than in Yen. The Yen balance of 743,672.59 represents the conversion of $165,250.00 at the pre-war official rate (which was ¥ 1 = 23-7/16 cents U.S.), plus the Yen balance of 38,605.82.

The relationship of our company with Yokohama expended beyond that of a stock holder. The extent of the relationship is evidenced by existence of the following agreements which were in effect at the outbreak of hostilities and still remain in force:

1 - Technical Agreement dated April 19, 1935

The B. F. Goodrich Co. Agrees, among other things, to give all necessary engineering and technical service and assistance in development of Yokohama's rubber goods factory in Japan and to make available to Yokohama technical personnel as required.

2 - Purchase Contract dated April 24, 1935

Under this contract Yokohama agrees to manufacture and sell and B. F. Goodrich agrees to purchase such quantities of Yokohama's rubber products as B. F. Goodrich may order.

3 - Distributor's Contract dated April 24, 1935

In this agreement Yokohama is appointed distributor to handle and promote the sale of B. F. Goodrich brand rubber products within the Empire of Japan and the Republic of Manchukuo.

4 - Technical Agreement dated Nomvember 2, 1940

under this agreement B. F. Goodrich permitted Yokohama to furnish technical in formation for the manufacture of tires and tubes to The Oriental Tire Company, Mukdon, Manchukuo.

Copies of thrsr contracts are available at the offices of The Yokohama Rubber Co., Ltd., at Tokyo.

It is the intention of our company to r osume business relations with Yokohama on a basis similar to that maintained before the war as soon as permissible. To this end we desire to exercise our preferential rights in acquiring shares of Yokohama at the appropriate time by using the Yen balances to which we have referred.

From the foregoing, it is clear that we have an active interest in the rehabilitation of The Yokohama Rubber Co., Ltd. Because of our intent to resume our former relations with the company, we are directly concerned with the caliber of the executive personnel which will be in charge of Yokohama's affairs. We are also interested in seeing measures adopted which will lead to the recovery of the Japanese civilian economy. We believe that the executives currently directing the present operations of Yokohama are qualified by their past business and financial experience to continue in their respective capacities, and we request that this be permitted providing no infractions of military regulations or laws will result.

Anything which you can do to help in our situation will be greatly appreciated, and you may be sure that we will cooperate in every way. You will also find Mr. H. Inagaki, President of The Yokohama Rubber Co., Ltd., most willing to furnish any additional information which you might require. We are attaching, for your information, a copy of our letter to the Chief, Civilian Property Custodian, on this subject.

If there have been any recent developments which might be interesting to us, we would be deeply pleased to receive them at the time you acknowledge this letter.

Very truly yours,

Vice President

Attention: Mr. W. R. F. Stier, Chief

The Yokohama Rubber Co., Ltd., Tokyo, Japan

Gentlemen:

As a result of the visit of our Mr. J. C. Thompson with you on September 23, 1947 we are making a formal statement of our past relationships with The Yokohama Rubber Co., Ltd., together with our understanding of the amount and nature of assets now owned by us in Japan.

We have been associated with The Yokohama Rubber Co., Ltd. both as a stock holder and technical advisor since September 1917. The other substantial and the majority stock holder at the outbreak of hostilities was Furukawa Electric Company. The attached letter to the Chief, Anti-Trust and Cartels Section of the Military Government gives further detail of our associations with these companies.

During the development and actual outbreak of hostilities, certain changes were made in our share holdings in order to protect our interests. It is our understanding that as a result of these changes the following Yen balances stand to the credit of Furukawa in trust for us at these banks:

| | |
|---|---|
| The Teikoku Bank | ¥ 102,275 |
| The Nippon Ginko | 500,000 |
| | ¥ 602,275 |

In addition, there is a balance of ¥ 743,672.59 credited to us on the books of The Yokohama Rubber Co., Ltd. arising out of technical services and goods supplied by us. According to the contracts, all of such payments except ¥ 38,605.82 were due in Dollars rather than in Yen. It is our desire that you proceed as promptly as possible to make an "Inventory and Investigation Report", and we also request that our interests be protected as to money, shares, and anything else that might be involved in The Yokohama Rubber Co., Ltd. and Furukawa Company case.

We would appreciate acknowledgment by you of receipt of this letter and will deeply appreciate anything you can do to protect our interests.

Mr. H. Inagaki, President,
The Yokohama Rubber Co., Ltd.

Tokyo, Japan

Dear Mr. Inagaki:

We wish to acknowledge your letter of February 27 and also your letter dated March 13, both of which have just been received. We thoroughly appreciate the opprtunity which we now have for renewing our relationship by correspondence, and while we understand that no commercial transactions can be undertaken, we shall be glad to discuss those matters which are permissible.

We understand from your letter dated February 27 that the Shares Liquidation Commitv has agreed to your proposal whereby the 10,000 old shares of Yokohama Rubber Compa stock and the 8,182 shares additional for which B.F. Goodrich had paid one-fourth, totaling 18,182 shares, plus the additional 18,182 shares allotted to The B.F. Goodrich Company at the time the capital of The Yokohama Rubber Company was doubled, or a grand total of 36,364 shares, are to be set aside until you hear from us as to our interest in this matter.

We appreciate your having made this arrangement and we wish to tell you that we are definitely interested in acquiring all of these shares or such part of them as can be paid for with the yen which you are holding for our account, as indicated in the statement attached to your letter dated April 15, 1946 and signed by Mr. S. Nakagawa

Inour letter dated March 26, 1947 to Mr. Nakagawa, we made certain suggestions for transferring our Yokohama Rubber Company shares to The B.F. Goodrich Company, and we assume that this will not be possible at this time. We wish you would keep our request in mind, however, and let us know what procedure should be followed at such time as we are again in possession of all or a part of the shares in question.

In reply to the questions on page 4 of your letter dated March 13, we wish to assure you that we are very much interested in renewing the friendly relations between our companies and we shall be glad to consider the Yokohama Rubber Company as our exclusive distributors in Japan, providing such contract arrangements for renewal of our associations can be worked out. If you will, therefore, consider this as an expression of our intentions, we shall do our best to open negotiations just as soon as the authorities permit.

It is our hope to have one of our representatives visit Japan within the next few months and at this time preliminary discussions can be had. In the meantime, please convey our kindest regards to our many old friends and particularly to Mr. S. Nakagawa for whom we all have the highest regard.

Very truly yours,

## Testimonial

I assumed the office of the Chairman of the Board of Directors of Yokohama Rubber Company in December 1938 and was in charge of business as Representative Director but since November 1942 I had Heitaro Inagaki assist me as Managing-Director.
In May 1944 after enforcement of the Munitions Company Law it became necessary for the Company to appoint a responsible person for production who would represent the Company and it was the policy of the Army that no person could represent two or more companies concurrently.

However, as I was Director and President of Furukawa Electric Co., Ltd. and Nihon Light Metal Co., Ltd. and the situation was such that either position could not be handled by any other person, a special permit was granted whereby I was allowed to assume the post of the person reponsible for production for both of these Companies.

As for the Yokohama Rubber Company, I should have assumed the post as the person responsible for production since I was actually the controller of the business, however, as I had already held the post as the person responsible for production for the two Companies as an exceptional case, I made Heitaro Inagaki, who was the Managing-Director at that time, assume the post as my proxy, but all the important questions related to business management were executed according to my direction and Inagaki served merely as my proxy.

After the war Inagaki resumed his former post as Managing-Director and until my retirement from the Chairmanship in March 1946 the same situation continued, but it is the fact that no actual power for management of the Company was bestowed on him all this while.

I hereby testify to the fact that while Inagaki was in the post of the person responsible for production and Managing-Director, he had never given more controlling power than I had.

## Testimonial

Up to March 1946 I was Director and the Chairman of the Board of Directors of the Yokohama Rubber Co., Ltd. and was the actual controller of the Company. Three of the Directors who had connection with Furukawa Electric Company which was the parent company of the Yokohama Rubber were requested by Furukawa to resign by March 1946 for the purpose of severing their relation with Yokohama Rubber Co. At that time questions relative to dissolution of Zaibatsu, purge from public posts etc. were coming up, and as I was connected with many other Furukawa business other than Furukawa Electric, I anticipated that I would fall within the purview of those acts and have decided to retire prior to such decision was made.

At that time I was still the President of Furukawa Electric Company and I am in the belief that by my resignation relation between Furukawa Electric and Yokohama Rubber was completely dispensed of.

I hereby testify that the situation surrounding at the time of my resignation as explained above is true and correct.

Attachment #6

Feb. 1948.

Testimonial regarding the fact that there has been no arrangement concerning the appointment of officials.

The Yokohama Rubber Co., Ltd. was established with joint investment of the B.F.Goodrich Co. of Akron, Ohio, U.S.A. and this Company in 1917, but it was based on the initiative of the Goodrich and because of the special relation Suekichi Nakagawa, the then President of this Company, had with the Goodrich, Nakagawa participated in administration of the Yokohama Rubber Co., Ltd. business, so it is more appropriate to say that it was an enterprise launched between Nakagawa as private person and Goodrich. However, as Nakagawa was not in a position to invest a large sum of money into the Yokohama Rubber Co., Ltd. and as he was the President of this Company at that time that the investment was made under this Company's name.

Therefore this Company did not make any special stipulation regarding selection of officials or never made any proposal to the Yokohama Rubber Co., Ltd. in that nature.

Furthermore, in purchasing the products manufactured by the Yokohama Rubber Co., Ltd. we treated them just the same as other manufacturers, that is by the method of inviting competitive tenders and has never given special privelege to them.
This procedure will be a proof to show that the Yokohama Rubber Co., Ltd. was never treated as our child Company.

On the basis of the foregoing, we hereby testify that in selecting officials of the Yokohama Rubber Co., Ltd. they have never obtained our approval or understanding and further this Company has never requested or expressed the desire that they would do so.

PRIOR TO THE DISSOLUTION OF THE YASUDA HOZENSHA (BEFORE OCTOBER, 1945) THERE EXISTED AN ARRANGEMENT BETWEEN THE YASUDA HOZENSHA AND ITS AFFILIATED CONCERNS NECESSITATING THE FORMER'S PREVIOUS APPROVAL IN THE MATTERS RELATING TO THE PERSONNEL AFFAIRS. HOWEVER, THIS ARRANGEMENT WAS NOT ABSORVED TO THE LETTER AND IT WAS ALONG ESTABLISHED CUSTOM THAT THE LATTER USED TO ASK FOR EX POST FACTO APPROVALS.
ON OCTOBER 16, 1945, THE DISSOLUTION POLICY OF THE YASUDA ZAIBATSU WAS DECIDED AT THE MEETING OF ITS MANAGERS AND IT WAS MADE PUBLIC TO THE LEADING OFFICERS OF THE AFFILIATED COMPANIES AND IT WAS ALSO CLEARLY MADE PUBLIC THAT ALL THE AFFILIATED COMPANIES ARE RELEASED FROM THE CONTROL HITHERTO EXERCISED BY THE YASUDA HOZENSHA OVER THE MATTERS RELATING TO THEIR OFFICERS' PERSONNEL AFFAIRS, LEAVING THEM ENTIRELY TO THE ARBITRARY DECISIONS OF RESPECTIVE COMPANIES.
LATER ON OCTOBER 23, 1945, THE DISSOLUTION OF THE YASUDA HOZENSHA WAS LEGALLY DECIDED BY THE RESOLUTION OF THE GENERAL PARTNERS' MEETING AND THE RIGHT TO CONTROL ALL THE AFFILIATED COMPANIES WAS RENOUNCED BOTH FORMALLY AND ACTUALLY.
AS MY INSTALLATION TOOK PLACE AFTER THESE FACTS THERE EXISTED NO SUCH ARRANGEMENT AS A MATTER OF FACT.

(b) No.

I WAS ENGAGED IN THE YASUDA BANK IN MAY, 1924, FOR THE FIRST TIME. AFTER SERVING IN THE POSTS OF BRANCH MANAGERS OF KANAGAWA, BAKUROCHO, KOKURA AND THE VICE-CHIEF OF THE BUSINESS DEPARTMENT OF THE HEAD OFFICE SUCCESSIVELY I WAS INSTALLED AS NAGOYA BRANCH MANAGER, WHICH OFFICE I HELD UNTIL OCTOBER, 1945, AFTER THE WAR WAS ENDED. THE YASUDA HOZENSHA WAS PLANNING SPONTANEOUSLY A PROGRAM OF DISSOLVING ITS ZAIBATSU SOON AFTER THE TERMINATION OF THE WAR AND AS STATED IN THE PRECEDING PARAGRAPH IT MADE PUBLIC ON OCTOBER 16, 1945, AT THE MEETING OF THE MANAGERS AND ON OCTOBER 23 OF THE SAME YEAR AT THE GENERAL PARTNERS' MEETING THE EFFECT THAT IT RENOUNCED ITS RIGHT TO CONTROL ITS AFFILIATED COMPANIES BOTH FORMALLY AND ACTUALLY AND HAD ITS ARTICLES OF INCORPORATION MENDED TO COMPLY WITH THIS STATMENT.

AS ONE OF THE MEANS OF MATERIALIZING THIS POLICY ALL THE OFFICERS HELD BY THE YASUDA FAMILY MEMBERS RETIRED FROM THEIR OFFICES, THIS RESULTING IN THE RETIREMENTS OF 5 OFFICERS (4 DIRECTORS AND 1 AUDITOR) FROM OUR BANK.

SO THAT OUR BANK NOW BEING RELEASED FROM THE CONTROL HITHERTO EXERCISED BY THE ZAIBATSU STARTED TO FILL UP THE OFFICERS' VACANCIES THUS OCCURED BY SELECTING TAKEHIKO NISHINO, FUKUOKA BRANCH MANAGER, ONE OF MY COLLEAGUES, AND MYSELF FROM AMONG THE EMPLOYEES ACCORDING TO THE ORDER OF THEIR SENIORITY IN OUR BANK (PLEASE REFER TO THE ATTACHED EXHIBIT SHOWING A LIST OF HIGH-RANKING EMPLOYEES OF OUR BANK) AS CANDIDATES FOR DIRECTORS. THIS SELECTION BEING APPROVED BY THE RESOLUTION AT THE GENERAL SHAREHOLDERS MEETING HELD ON OCTOBER 31, 1945, WE WERE INSTALLED AS DIRECTORS AS THE YASUDA HOZENSHA HAD ALREADY RENOUNCED ITS RIGHT TO CONTROL THE MATTERS RELATING TO OUR PERSONNEL AFFAIRS, NEEDLESS TO SAY, IT WAS NOT CONCERNED AT ALL ABOUT OUR INSTALLATION.

Mr. Tetsu Katayama,

Prime Minister.

Sir,

Application for Approval of the fact that I am not an appointee under Article 7 of the Law for Termination of the Zaibatsu Family Control.

I assumed the position of a director at the Yasuda Bank on October 31, 1945. As this means that my officer's installation took place in the period between September 3, 1945, and October 29, 1946, when all the shares were for the first time transferred to the H.C.L.C., I may be considered to come first under item 2 of Article 3, paragraph 2 of the above Law.

However, as fully explained in the accompanying statement I am confident of the fact that I am not an appointee I file this application hoping you will approve of it.

Respectfully submitted,

T. Kaneko

(KANEKO TOSHI)

considered to come first under item 2 of Article 3, paragraph 2 of the above Law.

However, as fully explained in the accompanying statement I am confident of the fact that I am not an appointee I file this application hoping you will approve of it.

Respectfully submitted,

## Statement

On October 31, 1945, I was installed as director of the Yasuda Bank. This means that my installation took place after October 15, 1945, when the controlling influence of the Yasuda Hozensha, the Central Company of the Yasuda affiliates had already lapsed defacto and especially, after October 30, 1945, Hajime Yasuda, the then representative partner of the Yasuda Hozensha had made public the statement of his determinating of disolving the Yasuda Zaibatsu perfectly clear considered from the attached evidences, such as a copy of my census register, questionaire and others, that the all conditions provided for in each item of Article 7, paragraph 1, apply to me. However,I will explain further in details about Item 2 in the following paragraph. Soon after the war was ended, the authorities of the Yasuda Hozensha decided to disolve their Zaibatsu structure taking lead of Other Zaibatsus in order to carry out faithfully the spirit of the Postdam Declaration, preparing its procedures in haste, and finally, on October 15, 1945, the board of managers decided to dissolve in due form the Yasuda Zaibatsu structure. (Refer to the attached evidence No. 1) And on the following day, October 16, Hajime Yasuda explained clearly in details the policy of disolving the Zaibatsu to all the directors of the Yasuda affiliates to the effect that after that time the directors of the Yasuda affiliates should be elected freely according to theirown decisions. (Refer to the attached evidence No. 2)

Furthermore, on October 23, 1945, at the general meeting of the partners of the Yasuda Hozensha it was legally decided to dissolve the Zaibatsu structure, revising the Articles of Incorporation to the effect that all the controlling influence over the Yasuda affiliates should perfectly be renounced and Hajime Yasuda made this decision public on October 30, 1945. (Refer to the attached evidence No. 3) On October 31, 1945, the authorities of the Yasuda Bank had made Hajime Yasuda, the then chairman of the board of directors and other 4 officers related with Yasuda families retire from their posts of officers. (4 directors, including the president and the chairman of the board of directors and one auditor)

ing to theirwn decisions. (Refer to the attached evidence No. 2)

Furthermore, on October 23, 1945, at the general meeting of the partners of the Yasuda Hozensha it was legally decided to dissolve the Zaibatsu structure, revising the Articles of Incorporation to the effect that all the controlling influence over the Yasuda affiliates should perfectly be renounced and Hajime Yasuda made this decision public on October 30, 1945. (Refer to the attached evidence No. 3) On October 31, 1945, the authorities of the Yasuda Bank had made Hajime Yasuda, the then chairman of the board of directors and other 4 officers related with Yasuda families retire from their posts of officers. (4 directors, including the president and the chairman of the board of directors and one auditor)

Soon after my graduation from the Tokyo Imperial University in 1924, I had been employed as jenior clerk of the Yasuda Bank. Since that time, I have never changed my employment, nor held concurrently the position of officer at Other Banks or Companies, nor during this time occupied any situation on which I participated in the council at the Headquater of the Bank, always attending to my duties as one of the employees.

When I was holding the post of the manager of the Nagoya Branch of the said Bank in October, 1945, the Shareholders' General Meeting, recognizing my long and meritorious service to the Bank, decided to install me as director together with Takehiko Nishino, the then Fukuoka Branch manager selected according to the order of seniority as employees in order to fill up the vacancies of directors who resigned their posts of officers. (Refer to the attached evidence No. 4)

Ih short, when I was installed as director, it is quite clear that I had not obtained any approval from the Yasuda Hozensha, having no more any controlling influence over the management as well as the personnal affairs of the Bank.

In addition to this fact, at the same time when I was installed as director, being concurrently appointed the Head of the Business Department I started my work at the head office. However, I was treated just like other employees, working always together with a score of the staff in the same room. So that, prior to December 1946 when I was installed as managing director, I had not been given any chances to act as director as a matter of fact, always attending to my duties as Head of

the Business Department, my holding of the director's title being merely honorary. As it is quite clear from the above mentioned facts that there was no arrangement existing between the Hozensha and the bank necessitating the formers previous approval, I did not obtain their approval when I was installed as director of the Yasuda Bank. Thus as I come under each item of Article 7, paragraph 1 of the Law, I file this application for your approval of the fact that I am not an appointee.

" I must apologize for the circumstances under which the news of my resolution to dissolve the Yasuda Hozensha was reported through the Press and over the air the day before yesterday quite unexpectedly outwitting all of you. "

" As this matter must be submitted to the meeting of the board of directors for their approval, I am afraid that it may be rather premature even now to make its announcement to you. "

" However, now that this news has already been made public I am sure that all of you are anxious to know the real state of affairs as it is a matter of grave concern. So that I want to tell you of my real intention though it is not yet decided formally. "

" When I had heard the Emperor's message giving strict orders to terminate the war I was deeply impressed and looking back upon the past and reflecting myself I have made up my mind to dissolve the Yasuda Hozensha as it is in line with the spirit of the policy of controlling Japan formulated by the United States. "

" My heart is full when I look back upon the history of our firm organized by Zenjiro Yasuda, Sr, more than half a century ago and developed into the present state always protected by the State and patronized by all of you and your seniors. However, when I think of the fact that our surrender will necessitate not only the amendment of the Constitution but also many other changes in our various now existing systems and institutions.

Under such circumstances, It is my belief that we must try to start all over again keeping pace with a newly born Japan without being influenced by personal feelings. This is why I have made up my mind to dissolve the Yasuda Hozensha so that we may be able to start all over again. "

" The followings are the Summary of my proposed reform plan.

1. All the members of the Yasuda family will retire from their ~~con-~~ officer's offices they are now holding in the affiliated ~~companies~~ companies.

2. The personnel affairs relating to the officers of the ~~affiliate-~~ affiliated companies hitherto placed under the control of the Yasuda Hozensha will be entirely left to their own arbitrary decisions.

3. The organization of our firm will radically be reformed. I will retire from the office of the President and all other Directors will follow suit. The board of managers and the ~~board~~ board of councillors will be abolished. The present organization will be simplified, only such sections as ~~necessary~~ necessary in administering the firm's estate and in conducting negotiations with the outside remaining.

4. All the officers of the affiliated companies nominated by our firm have already sent in their resignations. I feel awfully sorry that I must approve them for the purpose of making way for younger men as well as of renovating public feelings. I

4. All the officers of the affiliated companies nominated by our firm have already sent in their resignations. I feel awfully sorry that I must approve them for the purpose of making way for younger men as well as of renovating public feelings. I take this opportunity of thanking them from the bottom of my heart for their special efforts during the war-time. "

" In conclusion let me thank you in my last capacity as the ~~president~~ president of the Yasuda Hozensha for your past friendship and wish its continuance forever. The Yasuda Zaibatsu has gained its present prosperity, all concerned working very hard always cooperating with the general public and protecting our national interest, never adulating to power nor currying favor with the current of the times. I am fully convinced of the fact that all our affiliated companies have been typical concerns operating under the so-called democratic management and my grandfather's also long-cherished desire exactly coincides with this. Supplementary Application for Approval of Non-Appointee under Article 7 of the Law to Eliminate Controlling Influence of Zaibatsu Families.

To the Chairman,

H. C. L. C.

Tokyo, April 30, 1948.

Sir,

In my application submitted to you the other day the circumstances prevailing towards the end of October 1945, under which I was installed as director of the Yasuda Bank were explained in detail. However, as to the date of my arrival at the Head Office from the Nagoya Branch no mention was made in the application nor in the questionnaire. So that I now file this supplementary application fully explaining the circumstances prevailing then for your information.

It was on October 31, 1945, that I was installed as director of the Yasuda Bank. At that time the Yasuda Hozensha, the central company of the Yasuda Zaibatsu had already made public its resolution of the dissolution of Zaibatsu and my installation as director has nothing to do with the Yasuda Hozensha as fully stated in my previous application. At that time I was holding the office of the Nagoya Branch Manager and it was on December 5 of the same year that I came up with my family and arrived at my office of a

At that time I was holding the office of the Nagoya Branch Manager and it was on December 5 of the same year that I came up with my family and arrived at my office of a director and concurrently the chief of the business department of the Head Office after handing over the official duties to my successor. During this period (from November 1, 1945, to December 4 of the same year) I was in a position not able to do my duties as director nor the chief of the business department. It was on December 5, 1945, that I was actually installed as director.

十一、本人の役員就任當時その勤務した財閥會社と財閥又は財閥直系會社との間に役員としての就任についての事前承認を必要とする旨の取極の有無

（一）明文の取極の有無

## 明文の取極はない

（二）本人の役員としての就任の事情の詳細、特にその就任につき財閥又は財閥直系會社が關與した事實の有無

次の三事由により私の役員就任には淺野財閥乃至淺野本社の關與はなかつた。

(イ)私が昭和十七年六月役員（監査役）に就任した時の社長は故白石元治郎氏であつた。故白石元治郎氏は先代淺野總一郎氏の女婿ではあつたが、同氏は日本鋼管の設立にあたつてもその後の經營においても先代淺野總一郎氏より財的、その他の援助は一切受けず、淺野財閥に對し常に獨立的、さらに競爭的、或は對立的立場にさへもあつた。從つて私の取締役就任時の社長が白石氏であつたことは、その就任につき淺野財閥の關與を受けたことにはけつしてならないのである。

(ロ)私が役員に就任するに至つた所以は、當社の慣行し來れる社員拔擢方針により、年輩、勤續年數、知識、經驗、序列等の點を公平に勘案し、役員としての資格あるものとして舊鋼管系社員より選任せられたにすぎない。

(ハ)私の役員就任につき事實上も淺野財閥乃至淺野本社の承認を受けなかつた。

11. At the time of your assnmption of office as official, whether or not the arrangement that the previous approval be obtained from the Zaibatsu or the direct Zaibatsu affiliate regarding assumption of the position of official existed between the Zaibatsu company where you served and the Zaibatsu or the direct Zaibatsu affiliates.

a. Whether or not the arrangemeut existed in writing.

None

b. Details of circumstances under whicn you assumed the position of official; particularly whether or not the Zaibatsu or the direct Zaibatsu affiliate was concerned in approving your assumption of office.

Judging from the following three reasons, it was evident that no intervention of the Asano ZAIBATSU or the Ltd. Co., Asano Honsha existed on my assumption of office as official.

1) When I assumed the office as official of the Company (Auditor) in June 1942, the President was late Mr. Motojiro Shiraishi. Although late Mr. Shiraishi was a son-in-law of late Mr. Soichiro Asano Sr., he has never asked for financial nor other support of Mr. Soichiro Asano Sr. in organizing and managing the Nippon Steel Tube Co. Moreover, he has consistently held independent or even competitive or contrary standpoint against Asano ZAIBATSU. Consequently, the fact that the President at the time of my assumption of office as a Director was Mr. Shiraishi does not signify that there was an intervention of the Asano ZAIBATSU on my assumption of office.

2) The reason why I was brought into the office as official of the Company was that I have earned the qualification as official, after impartial deliberation, was given from viewpoints of age, rank years of service, knowledge & experience. And as its result, and in accordance with the custom of the Company, I was simply selected from the employees of the old Nippon Steel Tube Co.

3) No approval in fact also, of the Asano ZAIBATSU or the Ltd. Co., Asano Honsha on my assumption of office as official was ever given.

Subject : Supplementary Statement concerning application for recognition as non-official of Zaibatsu lineage

Under the date of February 5, 1948, I submitted my application for recognition as non-official of zaibatsu lineage and I now beg to submit herewith a further statement to supplement the reasons for my application.

Yours faithfully

## Supplementary Statement

1. The late Mr. Motojiro Shiraishi did not receive any aid whatsoever, financial or otherwise, from his father-in-law, Mr. Soichiro Asano in connection with the establishment of Nippon Kokan Kaisha or with its subsequent management and development (Reason(1) (b) of the application)
Not only was it true that Mr. Shiraishi did not receive any help from Mr. Asano but it was conspicuous that Mr. Asamo positively refused to give any aid to Mr. Shiraishi in connection with establishment and business operation of Nippon Kokan Kaisha (Recollections of Shiraishi)
The establishment of Nippon Kokan Kaisha was the result of Mr. Shiraishi's untold efforts and endeavour, However, Mr. Shiraishi was enabled to surmount the difficulties of establishing the pioneer industry by the self-sacrificing aid of the late Mr. Eiichi Shibusawa and by the unstinted support, both material and spiritual, of his associates, among whom were the late Mr. Heisaburo Okawa (Present head of the family is Mr. Tetsuo Okawa of Okawa Gomei Kaisha), the late Mr. Kaichiro Imaizumi, the late Mr. Shintaro Ohashi(Present Head is Mr. Shinichi Ohashi), the late Mr. Kichiemon Kishimoto (Present Head, Mr. Kichizaemon Kishimoto) the late Mr. Seizo Ota (Present Head, Mr. Shinkichi Ota) and others. That these men continuously gave their support to Nippon Kokan is clear from the fact that they subscribed for the shares of the company at the time of the organization and their holdings were increased with the subsequent increase of capital as shown in the list of shareholders attached to "Relationship between Nippon Kokan and Asano" dated February 18, 1948.

2. Mr. Shiraishi not only kept in his mind a deep sense of gratitude for the help of these supporters but also, in the path of thornd after the organization, he constantly consulted them and it was only with their assistance that he was able to make headway against difficulties and adverse conditions. In regard to management of Nippon Kokan, he always sought for advice of these men and endeavoured to carry them into effect.
For example, at the time of promotion of the company, the late Mr. H. Okawa gave inestimable aid in financial affairs and subsequently rendered invaluable service as the "Genro" or the "Elder Statesman" of the company. From June, 1921, he occupied the chair of presidency in place of Mr. Shiraishi. At the time, the business of the company was facing extreme difficulties on account of the general economic depression, Sympathizing with Mr. Shiraishi in his difficulties, it was Mr. Okawa's desire to protect and strengthen Mr. Shiraishi's position. In such spirit, he continued as the president until his death in December of 1936 at the age of 77 years and rendered inestimable service in restoring the sound condition of the company.
In respect to financial matters, Nippon Kokan on one hand, received great assistance from Yasuda and Saitama Banks and on the other depended on the cooperation of the customers and close business connections. Without the help of the two banks, the company could not possibly have developed its business to the present state. It was only natural, therefore, that in his management of Nippon Kokan, Mr. Shiraishi respected the views of the

two banks. In other words the business of Nippon Kokan was managed by Mr. Shiraishi on the bases of the combined ideas and opinions of the organizers or their relatives, the two banks and close business connections, all matters concerning construction of new plants, expansion of works, amalgamations, etc., as well as selection of directors, etc., were all carved out following the above general procedure. The management of Nippon Kokan was by no means under the sole direction of Mr. Shiraishi and there was no change in this respect even after the amalgamation of Tsurumi Steel and Shipbuilding Co. In this connection it might be pointed out that Mr. Eihachiro Tanaka, Mr. Shinichi Ohashi, Mr. K. Kishimoto, Mr. Yuzo Hamada, Mr. Seizo Ota, who were among the directors at the time of the amalgamation and Mr. J. Nagata, Mr. Shinkichi, Ota and Mr. Yoshiro Ijiri, who resigned from the board on account of prohibition of interlocking directorate, were all either from the two banks or from the connections of the organizers.

3. The situation being as above stated, my election to directorship of Nippon Kokan, was not due to recommendation or approval of Asano Zaibatsu, nor was it to represent the interests of Asano Zaibatsu. I was recommended in accordance with the policy of following the customary procedure of selecting from among the employees and was elected with the unanimous vote of the general shareholders meeting. In making such selection it has been customary to elect from among the senior employees taking into consideration the years of service, salary, etc. The circumstance connected with my own election first as an auditor and later as a director are clear even from the fact that all of the men who held corresponding seniority at the time of my election have been elected members of the Board of Directors with the single exception of Mr. Kuribayashi as shown in the following list.
